1970 PHYSICAL EDUCATION PROGRAM

Parishes represented—20, Participants—5,000

Note: The CYO Physical Education Program was inaugurated in 1966 and offered to the grade schools of the Archdiocese. The program is designed for schools with few facilities and no paid physical education instructors, but which have volunteers willing to give their time to help as many students as possible achieve a better standard of physical fitness. Much of the program centers around the Amateur Athletic Union Tests, which are a part of the CYO's offering. Forms for record-keeping are provided, along with scoring standards, and attractive certificates are awarded to the students who achieve the minimum physical standards for their respective age groups. Manuals outlining the program are available at the CYO office, and we will provide staff members to help train volunteers in the various schools, upon request. During the 1969-70 school year, more than 1,700 students in the various age groups earned certificates, attesting to the effectiveness of the program.

CYO CAMP "RANCHO FRAMASA"— (BOYS AND GIRLS)

Total 1970 Attendance at Camp "Rancho Framasa"—1,300
Boys—636
Boys' Counsellors-in-Training—14
Girls—650

Note: "Rancho Framasa" offered in 1970 five weeks for girls and five weeks for boys. The figures listed here include only campers during the regular summer season. Also attending camp on week-ends during the year are more than 1,100 members of Junior CYO Units, Junior C.D.A., Boy Scout troops, Girl Scout troops, plus various young adult groups, parish groups, and schools groups. One of the attractive programs at "Rancho Framasa" is the horseback riding, which was instituted in 1964 and expanded the following year. A recreation pavilion was added to the facilities in 1966.

CYO CAMP "CHRISTINA"—(GIRLS)

Total 1970 Attendance at Camp "Christina"—579
Campers—516
Counsellors-in-Training—63

Note: The 1970 season at Camp "Christina" was the tenth in the camp's history. The camp offered nine one-week sessions, with space for 63 "paying guests" each session. The staff is composed of seven Senior Counsellors and nine Junior Counsellors. The girls are housed in tents erected on

concrete floors, with two counsellors living in each tent.

The property for Camp "Christina" was given to the Archdiocese by Mr. and Mrs. William B. Ansted, Jr. Mr. Ansted, who died early this year, was a member of St. Thomas Aquinas parish and a member of the CYO Board for many years. Although more development remains to be accomplished in future years, the camp has been most fortunate in that a number of individuals and firms, including the Inland Container Corporation Foundation, the Monsignor Downey K. of C. Council No. 3660, and Stark & Wetzel employees, have contributed to the material progress of the camp in its brief history. The most recent improvements include a modern sanitation system, installed in 1967, which contains new shower and toilet facilities, and a new kitchen, built in 1970.

The CYO gratefully acknowledges all gifts which have made possible this fine property and the extension of our camping program. We are especially grateful for the assistance of the St. John Bosco Ladies' Guild, organized in 1962, which already has contributed substantially to the CYO camp program.

CYO "CAMPERSHIP" PROGRAM

In 1970, thanks to increased assistance from individuals and groups, the CYO was able to offer, in whole or in part, a free camping experience to almost 300 children who otherwise would not have been able to attend. Our special thanks are extended to the United Camp Fund, the St. John Bosco CYO Ladies' Guild, Catholic Social Services, the K. of C. Councils, the Catholic Salvage Bureau, and many private donors, all of whom provided the necessary funds and coordinating work to allow this program to grow and flourish. A total of more than \$8,000 was contributed by these groups and individuals.

If you know of a deserving and needy child of camp age, please refer that person's name to the CYO Office shortly after March 1, 1971. We will do everything possible to assure him or her a week at camp.

1970 SUMMER SPIRITUAL ACTIVITY

The 1970 Summer Spiritual Activity was an "Evening of Reflection." Mr. Joseph Casey headed a group of seminarians which provided an evening of Scripture readings, modern music and group discussions, following supper and a participation Mass. Both North and South Deaneries met at the St. Pius X K. of C. Council for the activity. Total attendance exceeded 200. The response again was enthusiastic.

1970 SEARCH FOR CHRISTIAN MATURITY

Some six years ago the National CYO Advisory Board endorsed the "Search" as a spiritual program for high schoolers and those immediately beyond high school. The "Search" began in the San Francisco CYO program.

The first "Search for the Christian Maturity" took place in Indianapolis, for boys, in November, 1969, and since then two more "search" weekends have been held for boys, two for girls. In these weekends 60 boys have experienced the program; 51 girls have had the experience.

The "Search" weekend opens at 6:00 on Friday and closes about 4:30 Sunday. A trained team of young adults, priests, sisters, brothers, a married couple, serving as instruments for Christ, bring the message of Christ to young people. Monsignor Peter Armstrong of San Francisco has commented: "It is basically a Search for Jesus Christ, a Search for the teenager to find out exactly who he is. A community is set up, a bond is formed and Christ is living, acting and loving in the hearts of teens."

The "Search for Christian Maturity" is not a sensitivity program; rather the "Search" uses the principles of group dynamics to call for the leadership potential of teens to send them back as Christian leaders in their youth groups, in their parishes, their schools, wherever they can exercise their potential for good.

PARISH YOUTH ACTIVITY ADULT ADVISORY ORGANIZATION

As always, the CYO on the Cadet and Junior levels continues to rely heavily on adult assistance for its success in their parish. Obviously, parishes would be hard-pressed to maintain their extensive programs without the vast number of adult laypeople who work diligently to assist the Priest Moderators.

Eleven years ago the Parish Youth Activity Adult Advisory Organization was established to provide for supervision of the parish's entire youth program, including all Cadet and Junior activities sponsored by the parish for the CYO and the many

phases of activity affiliated with the CYO. With this plan we have attempted to meet the ever-present need for more adult supervision and activity. The plan utilizes the talents of many adults in the parish, ideally, and by its nature encourages parishes to strive for balance and consistency in their youth activities.

In recent years many parishes have taken advantage of the opportunity of improving their adult organizations, and the organizational plan has been updated to fit more easily into the framework of parishes which have Parish Councils in operation.

A complete set of materials is available to all parishes. This set includes organizational charts; an outline of duties for all positions, blanks for volunteer adults to sign; the CYO Handbook; a sample Parish CYO Handbook; the CYO Major Activity Calendars; and forms for the parish leaders to fill out and return to the CYO Office for the permanent mailing list. Members of the CYO staff will make themselves available to any parish where such a group is desired, and we also can offer these parishes a panel of adult volunteers with much experience in parish youth work, for the purpose of helping install or renovate the Adult Advisory Organization. We assure you that your young people will benefit greatly by these adult volunteers, organized to promote a live-wire, enjoyable, and smooth-working youth program in the parish.

ST. JOHN BOSCO GUILD

Now in its ninth year of operation, the St. John Bosco Guild is a ladies' organization designed to promote interest in the Catholic Youth Organization and its programs, and to offer financial aid and advisory assistance to the camping programs at Camps "Rancho Framasa" and "Christina."

Membership is open to all women of the Archdiocese of Indianapolis, although the organization is concentrated in the parishes of the Indianapolis Deaneries. Membership totals more than 250 for the current year.

The guild sponsors one major activity each year with revenues from this effort directed partly toward providing "camperships" at "Rancho Framasa" and "Christina" for deserving and needy children. In 1970, the Guild contributed more than \$6,500 to the total program of the CYO, a marvelous accomplishment, indeed.

Responsibility for the success of the St. John Bosco Guild rests with an Executive Committee of 40 members, who are led by the Officers. The President of the Guild also serves as an "ex-officio" member of the CYO Board of Directors during her term of office.
