1973 PHYSICAL EDUCATION PROGRAM

Parishes represented—24; Participants—5,000
Note The CYO Physical Education Program
was inaugurated in 1966 and offered to the
grade schools of the Archdiocese. The program
is designed for schools with few facilities and
no paid physical education instructors, but
which have volunteers willing to give their time
to help as many students as possible achieve a
better standard of physical fitness. Much of
the program centers around the Amateur Ath-
letic Union Tests, which are a part of the CYO's
offering. Forms for record-keeping are provided,
along with scoring standards, and attractive
certificates are awarded to the students who

achieve the minimum physical standards for their respective age groups. Manuals outlining the program are available at the CYO Office, and we will provide staff members to help train volunteers in the various schools upon request. During the 1972-73 school year, more than 1,500 students in the various age groups earned certificates, attesting to the effectiveness of the program.

CYO CAMP "RANCHO FRAMASA"—(BOYS AND GIRLS)

Total 1973 Attendance at Camp "Rancho Framasa"—1,217

Boys—536

Boys' Counselors-in-Training—15

Girls—666

Note: "Rancho Framasa" offered in 1973 five weeks for girls and four weeks for boys. The figures listed here include only campers during the regular summer season. Also attending camp on weekends during the year are more than 1,100 members of Junior CYO Units, Junior C.D.A., Boy Scout troops, Girl Scout troops, plus various young adult groups, parish groups, and school groups. One of the attractive programs at "Rancho Framasa" is horseback riding, which was instituted in 1964 and expanded the following year. A recreation pavilion was added to the facilities in 1966, and the kitchen was renovated in 1972.

CYO CAMP "CHRISTINA"—(GIRLS AND BOYS)

Total 1973 Attendance at Camp "Christina"—553

Girls—398

Girls' Counselors-in-Training—55

Boys—100

Note: The 1973 season at Camp "Christina" was the thirteenth in the camp's history. The camp offered nine one-week sessions, with space for 65 "paying guests" each session, two weeks for boys, seven for girls. The staff is composed of a combination of Senior and Junior Counselors. The campers are housed in tents erected on concrete floors, with two counselors living in each tent.

The property for Camp "Christina" was given to the Archdiocese by Mr. and Mrs. William B. Ansted, Jr. Mr. Ansted, who is deceased, was a member of St. Thomas Aquinas parish and a member of the CYO Board for many years. Although more development remains to be accomplished in future years, the camp has been most fortunate in that a number of individuals and firms, including the Inland Container Corporation Foundation, the Monsignor Downey K. of C. Council No. 3660, Stark & Wetzel em-

ployees, and the Bell Telephone Pioneers, have contributed to the material progress of the camp in its brief history. The most recent improvements include a modern sanitation system, installed in 1967, which contains new shower and toilet facilities, a new kitchen, built in 1970; and a swimming lake completed last year.

The CYO gratefully acknowledges all gifts which have made possible this fine facility and the extension of our camping program. We are especially grateful for the assistance of the St. John Bosco Ladies' Guild, organized in 1962, which has contributed substantially to the CYO camp program.

CYO "CAMBERSHIP" PROGRAM

In 1973, thanks to increased assistance from individuals and groups, the CYO was able to offer, in whole or in part, a free camping experience to more than 200 children who otherwise would not have been able to attend. Our special thanks are extended to the United Camp Fund, the St. John Bosco Ladies' Guild, the Catholic Salvage Bureau, the K of C Councils, and many private donors, all of whom provided the necessary funds and coordinating work to allow this program to grow and flourish. A total of more than \$6,600 was contributed by these groups and individuals.

If you know of a deserving and needy child of camp age, please refer that person's name to the CYO Office shortly after March 1, 1974. We will do everything possible to assure him or her a week at camp.

1973 SEARCH FOR CHRISTIAN MATURITY

Some nine years ago the National CYO Advisory Board endorsed the "Search" as a spiritual program for high schoolers and those immediate beyond high school. The "Search" began in the San Francisco CYO program.

The first "Search for the Christian Maturity" in Indianapolis, for boys, took place in November, 1969, and since then 8 "Search" weekends have been held for boys, 7 for girls.

The "Search" weekend opens at 6.00 P.M. on Friday and closes about 4.30 Sunday. A trained team of young adults, priests, sisters, brothers, a married couple, all serving as instruments for Christ, bring the message of Christ to young people. Monsignor Peter Armstrong of San Francisco has commented: "It is basically a Search for Jesus Christ, a Search for the teenager to find out exactly who he is. A community is set up, a bond is formed and Christ is living, acting and loving in the hearts of teens." The "Search for Christian Maturity" is not a sensitivity program, rather, the "Search" uses the principles of group process to call forth the leadership potential of teens, to send them back as Christian leaders in their youth groups, in their parishes, their schools, wherever they can exercise their potential for good.

PARISH YOUTH ACTIVITY ADULT ADVISORY ORGANIZATION

As always, the CYO on the Cadet and Junior levels continues to rely heavily on adult assistance for its success in the parish. Obviously, parishes would be hard-pressed to maintain their extensive programs without the vast number of adult lay-people who work diligently to assist the Priests and Parish Councils.

Fourteen years ago the Parish Youth Activity Adult Advisory Organization was established to provide for supervision of the parish's entire youth program, including all Cadet and Junior activities sponsored by the parish for the CYO and the many phases of activity affiliated with the CYO. With this plan we have attempted to meet the ever-present need for more adult supervision and activity. The plan utilizes the talents of many adults in the parish, ideally, and by its nature encourages parishes to strive for balance and consistency in their youth activities.

In recent years many parishes have taken advantage of the opportunity of improving their adult organizations, and the organizational plan has been updated to fit more easily into the framework of parishes which have Parish Councils in operation.

A complete set of materials is available to all parishes. This set includes organizational charts, an outline of duties for all positions, blanks for volunteer adults to sign, the CYO Handbook; the CYO Major Activity Calendars, and forms for the parish leader to fill out and return to the CYO Office for the permanent mailing list. Members of the CYO Staff will make themselves available to any parish where such a group is desired, and we also can offer these parishes a panel of adult volunteers with much experience in parish youth work, for the purpose of helping to install or renovate the Adult Advisory Organization. We assure you that your young

people will benefit greatly from the work of these adult volunteers, organized to promote an up-to-date, enjoyable, and smooth-working youth program in the parish.

CYO "SUMMER SATISFACTION" PROGRAM

In 1973 the CYO, thanks to a special grant of \$27,250.00 from the United Way, was able to offer for the seventh consecutive year a unique program at four inner-city centers. This special recreation program is over-and-above the regular activities of the CYO, and consists of six-day-per week community center-type activities in the neighborhoods which are involved.

The seven staffs of recreation personnel were under the direction and supervision of Father Fred Schmitt, who worked out of the CYO Office. Total attendance at the centers during the nine weeks of the "Summer Satisfaction" Program exceeded 40,000, with a vast variety of games, competitions, arts and crafts made available to the young people. In addition, thanks to a special "Recreation Support" grant from the Indianapolis Department of Parks and Recreation, hundreds of the participants at the four centers were able to enjoy trips to Kings' Island, the Museum of Science and Industry at Chicago, Eagle Creek Park, and various state parks.

The four centers operated by the CYO in 1973 and the neighborhoods served, are as follows:

- St. Andrew, Forest Manor—Northeast
- St. Rita, Hill—Center
- Holy Angels, Watkins—Northwest
- Kennedy Middle School—South

The CYO is grateful to the parishes and institutions whose administrators and leaders offer their fine facilities for these special programs. We are especially thankful for their willingness to be involved with the CYO in working to improve recreation facilities and activities for the youth of these areas.

ST. JOHN BOSCO GUILD

Now in its twelfth year of operation, the St. John Bosco Guild is a ladies' organization designed to promote interest in the Catholic Youth Organization and its programs, and to offer financial aid and advisory assistance to the camping programs at Camps "Rancho Framasa" and "Christina" as well as to the other facilities of the organization.

Membership is open to all women of the Archdiocese of Indianapolis, although the organization is concentrated in the parishes of the Indianapolis Deaneries. Membership totals more than 525 for the current year.

Responsibility for the success of the St. John Bosco Guild rests with an Executive Committee of 22 members and an Advisory Board of 40 members, who are led by the Officers. The Guild is organized, under these two groups of leaders, into five districts. The President of the Guild also serves as an "ex officio" member of the CYO Board of Directors during her term of office.

Each district of the Guild sponsors one major activity each year with revenues from these efforts directed partly toward providing "camper-ships" at "Rancho Framasa" and "Christina" for deserving and needy children. In 1973, the Guild contributed more than \$7,500 to the total program of the CYO, a marvelous accomplishment, indeed.
