**1974 PHYSICAL EDUCATION PROGRAM**

Parishes represented—24, Participants—5,000  
Note The CYO Physical Education Program was inaugurated in 1966 and offered to the grade schools of the Archdiocese. The program is designed for schools with few facilities and no paid physical education instructors, but which have volunteers willing to give their time to help as many students as possible achieve a better standard of physical fitness. Much of the program centers around the Amateur Athletic Union Tests, which are a part of the CYO's offering. Forms for record-keeping are provided, along with scoring standards, and attractive certificates are awarded to the students who achieve the minimum physical standards for their respective age groups. Manuals outlining the program are available at the CYO Office, and we will provide staff members to help train volunteers in the various schools upon request. During the 1973-74 school year, more than 1,500 students in the various age groups earned certificates, attesting to the effectiveness of the program.

**CYO CAMP "RANCHO FRAMASA"—(BOYS AND GIRLS)**

Total 1974 Attendance at Camp  
"Rancho Framasa"—1152  
Boys—542  
Boys' Counselors-in-Training—11  
Girls—599

Note "Rancho Framasa" offered in 1974 five weeks for girls and four weeks for boys. The figures listed here include only campers during the regular summer season. Also attending camp on weekends during the year are more than 1,100 members of Junior CYO units, Junior CDA, Boy Scout troops, Girl Scout troops, plus various young adult groups, parish groups, and school groups. One of the attractive programs at "Rancho Framasa" is horseback riding, which was instituted in 1964 and expanded the following year. A recreation pavilion was added to the facilities in 1966, and the kitchen was renovated in 1972. In the fall of 1973 and extending into the spring of 1974, a new winterized water system was installed at the camp, a new pool deck was laid and the pipes around the pool were replaced, lavatory and shower facilities were added to each of the four older cabins. This was all done with the hope that the camp could be used more often and longer into the colder months by groups who wish to enjoy the great out-of-doors.

## **CYO CAMP "CHRISTINA"—(GIRLS AND BOYS)**

Total 1974 Attendance at Camp

"Christina"—473

Girls—339

Girls' Counselors-in-Training—34

Boys—100

Note The 1974 season at Camp "Christina" was the fourteenth in the camp's history. The camp offered nine one-week sessions, with space for 65 "paying guests" each session, two weeks for boys, seven for girls. The staff is composed of a combination of Senior and Junior Counselors. The campers are housed in tents erected on concrete floors, with two counselors living in each tent.

The property for Camp "Christina" was given to the Archdiocese by Mr. and Mrs. William B. Ansted, Jr. Mr. Ansted, who is deceased, was a member of St. Thomas Aquinas parish and a member of the CYO Board for many years. Although more development remains to be accomplished in future years, the camp has been most fortunate in that a number of individuals and firms, including the Inland Container Corporation Foundation, the Monsignor Downey K. of C. Council No. 3660, Stark & Wetzel employees, and the Bell Telephone Pioneers, have contributed to the material progress of the camp in its brief history. The most recent improvement include a modern sanitation system, installed in 1967, which contains new shower and toilet facilities, a new kitchen, built in 1970, and a swimming lake completed in 1972.

The CYO gratefully acknowledges all gifts which have made possible this fine facility and the extension of our camping program. We are especially grateful for the assistance of the St. John Bosco Ladies' Guild, organized in 1962, which has contributed substantially to the CYO camp program.

## **CYO "CAMPERSHIP" PROGRAM**

In 1974, thanks to increased assistance from individuals and groups, the CYO was able to offer, in whole or in part, a free camping experience to more than 200 children who otherwise would not have been able to attend. Our special thanks are extended to the United Camp Fund, the St. John Bosco Ladies' Guild, the Catholic Salvage Bureau, the K. of C. Councils, and many private donors, all of whom provided the necessary funds and coordinating work to allow this program to grow and flourish. A total of

more than \$6,600 was contributed by these groups and individuals.

If you know of a deserving and needy child of camp age, please refer that person's name to the CYO Office shortly after March 1, 1975. We will do everything possible to assure him or her a week at camp.

## **OUTDOOR EDUCATION PROGRAM**

In the spring of 1974, through the hard work of Mr. J. Earl Owens and Mr. George Pictor, an Outdoor Education Program was presented at CYO Camp Rancho Framasa. 417 fifth and sixth grade students, plus teachers and chaperons, spent three days at camp to try to have a greater appreciation of the One Who put all the things in order that we find so much of at our CYO Camps in Brown County. This beginning program in Outdoor Education was labeled a "pilot" program. Evaluation of the program has been done and a committee has been appointed to work out details for future programs of a similar nature.

## **1973-74 CYO MULTI-SITE BOXING PROGRAM**

The CYO Boxing Program was launched in late 1973 under the Supervision of Colion "Champ" Chaney and the co-chairmanship of Father John LaBauve and Thomas R. Keating. St. Rita's parish has hosted the program. Aside from participating in the Golden Gloves and AAU Tournaments, CYO Boxers have also traveled to St. Louis, Cincinnati, Dayton, Louisville, Terre Haute and Muncie for bouts. The highlight of the year was the Outdoor Boxing Show, August 8, 1974 at CYO Stadium. More than 1100 people were in attendance for the 19-bout program. Supervisor-Coach—Colion "Champ" Chaney. Co-Chairmen—Father John LaBauve, Thomas R. Keating.

## **1974 FIRST CYO FOOTBALL COACHES CLINIC**

August 5, 1974—Roncalli High School, Robert Tully, Athletic Director.

Butler University head football coach Bill Sylvester and his defensive co-ordinator Dave Oberling conducted the First CYO Football Coaches Clinic. Thirty-two parishes were represented along with many other coaches from neighboring football leagues. Participants in the CYO football program also attended. Butler University football players demonstrated for Coaches Sylvester and Oberling.

### **1974 SEARCH FOR CHRISTIAN MATURITY**

The SEARCH is a weekend experience in Christian living for high school juniors and seniors. The weekend is designed to increase the individual's awareness of his/her self-worth and importance to the communities in which he lives. It provides an opportunity for each young person to gain a greater insight into the meaning of Christian values for his life and for the world, mainly through the words and thoughts of those his own age who have already begun to discover these insights and meanings. Using primarily this youth-to-youth approach, an experience of living in a Christ-centered community is fostered.

This is accomplished on the weekend through the use of modern, flexible group dynamics and a structured program of presentations, films, discussions, music, fun and prayer. Each presentation and activity of the weekend offers to the SEARCHer an opportunity to develop gradually

an awareness and understanding of himself and his Christian faith, as well as an identification with an example of a believing Christian community.

The continuity of talks and the flow of the weekend is essential. There is a gradual progression of experience with a definite goal in mind.

The context and sequence of Christ, Resurrection, Church and Hope are evident from the beginning. Although the National CYO continues to promote the idea of flexibility in programming for the local area, some basic goals of the SEARCH as first envisioned in 1962 remain to form the core of the program. These basic purposes include developing individual awareness, developing a sense of Christian community and commitment, and growing with, in and towards Christ through the Sacraments and prayer.

The SEARCH must also be seen outside the weekend context. The real test of SEARCH comes the days following the weekend experience. The weekend hopefully serves as a real challenge to LIVE life "where you are." Since commitment plays a large part in the thinking of today's youth, the SEARCH confronts young people to take the "next step" of commitment, which will be as different as the people on the weekend.

From the Search for Christian Maturity Program two other programs have come into being.

The grade school program is called "Discovery Day." These programs are a one day session offered during the school year on a school day up until the third week of May. The purpose is to bring out responsibility and leadership among 8th grade students. Some of the activities during the day consists of talks and discussions, simple value clarification activities, a Penance Service and Mass to end the day.

The third program being offered is called "Challenge" and is for Young Adults (18-25 out of high school).

This program has as its aim the same goals as the Search for Christian Maturity Program for High Schoolers.

## PARISH YOUTH ACTIVITY ADULT ADVISORY ORGANIZATION

As always, the CYO on the Cadet and Junior levels continues to rely heavily on adult assistance for its success in the parish. Obviously, parishes would be hard-pressed to maintain their extensive programs without the vast number of adult lay-people who work diligently to assist the Priests and Parish Councils.

Fifteen years ago the Parish Youth Activity Adult Advisory Organization was established to provide for supervision of the parish's entire youth program, including all Cadet and Junior activities sponsored by the parish for the CYO and the many phases of activity affiliated with the CYO. With this plan we have attempted to meet the ever-present need for more adult supervision and activity. The plan utilizes the talents of many adults in the parish, ideally, and by its nature encourages parishes to strive for balance and consistency in their youth activities.

In recent years many parishes have taken advantage of the opportunity of improving their adult organizations, and the organizational plan has been updated to fit more easily into the framework of parishes which have Parish Councils in operation.

A complete set of materials is available to all parishes. This set includes organizational charts; an outline of duties for all positions, blanks for volunteer adults to sign, the CYO Handbook; the CYO Major Activity Calendars, and forms for the parish leader to fill out and return to the CYO Office for the permanent mailing list. Members of the CYO Staff will make themselves available to any parish where such a group is desired, and we also can offer these parishes a panel of adult volunteers with much experience in parish youth work, for the purpose of

helping to install or renovate the Adult Advisory Organization. We assure you that your young people will benefit greatly from the work of these adult volunteers, organized to promote an up-to-date, enjoyable, and smooth-working youth program in the parish.

### ST. JOHN BOSCO GUILD

Now in its thirteenth year of operation, the St. John Bosco Guild is a ladies' organization designed to promote interest in the Catholic Youth Organization and its programs, and to offer financial aid and advisory assistance to the camping programs at Camps "Rancho Framasa" and "Christina" as well as to the other facilities of the organization

Membership is open to all women of the Archdiocese of Indianapolis, although the organization is concentrated in the parishes of the Indianapolis Deaneries. Membership totals more than 525 for the current year.

Responsibility for the success of the St. John Bosco Guild rests with an Executive Committee of 22 members and an Advisory Board of 40 members, who are led by the Officers. The Guild is organized, under these two groups of leaders, into five districts. The President of the Guild also serves as an "ex officio" member of the CYO Board of Directors during her term of office.

Each district of the Guild sponsors one major activity each year with revenues from these efforts directed partly toward providing "camper-ships" at "Rancho Framasa" and "Christina" for deserving and needy children. In 1974, the Guild contributed more than \$5,800 to the total program of the CYO, a marvelous accomplishment, indeed.
