**CYO CAMP RANCHO FRAMASA—(BOYS AND GIRLS)**

Total 1980 Attendance at Camp Rancho Framasa—1091.

Note: Rancho Framasa offered in 1980, four weeks for girls and four weeks for boys. The figures listed here include only campers during the regular summer season. Also attending camp on weekends during the year are more than 1,000 members of Junior CYO units, Junior C.D.A., Boys Scout troops, Girl Scout troops, High School Marching Bands, plus various young adult groups, parish groups, and school groups. One of the attractive programs at Ranch Framasa is horseback riding, which was instituted in 1964 and expanded the following year. A recreation pavilion was added to the facilities in 1966 and the kitchen was renovated in 1972. In the fall of 1973 and extending into the spring of 1974, a new winterized water system was installed at the camp. A new pool deck was laid and the pipes around the pool were

replaced, lavatory and shower facilities were added to each of the four older cabins. This was done with the hope that the camp could be used more often and longer into the colder months by groups who wish to enjoy the great out-of-doors. Seminarians worked as counselors and program directors at camp in 1980.

### **CYO CAMP CHRISTINA—(BOYS AND GIRLS)**

Total 1980 Attendance at Camp Christina—467

Note: the 1980 season at Camp Christina was the 20th in the camp's history. The camp offered nine one-week sessions. The staff is composed of a combination of Senior and Junior Counselors. The campers are housed in tents erected on concrete floors, with two counselors living in each tent.

The property for Camp Christina was given to the archdiocese by Mr. and Mrs. William B. Ansted, Jr. Mr. Ansted, who is deceased, was a member of St. Thomas Aquinas parish and a member of the CYO Board for many years. Although more development remains to be accomplished in future years, the camp has been most fortunate in that a number of individuals and firms, including the Inland Container Corporation Foundation, the Monsignor Downey K. of C. Council No. 3660, Stark & Wetzels employees, and the Bell Telephone Pioneers, have contributed to the material progress of the camp in its brief history. The most recent improvements include a modern sanitation system, installed in 1967, which contains new shower and toilet facilities; a new kitchen, built in 1970; and a swimming lake completed in 1972. A pavillion adjoining the kitchen facilities was constructed in the spring of 1980.

The CYO gratefully acknowledges all gifts which have made possible this fine facility and the extension of our camping program. We are especially grateful for the assistance of the St. John Bosco Ladies' Guild, organized in 1962, which has contributed substantially to the CYO camp program.

### **CYO CHEERLEADING CAMP**

Participants—76

In 1980, a specialty camp was offered for grade school girls to receive training in cheerleading skills.

### **CYO CAMP TEEN PROGRAMS**

Participants—23

Expedition, Leader Training and Adventure Camp for teenagers.

### **CYO "CAMBERSHIP" PROGRAM**

In 1980 thanks to increased assistance from individuals and groups, the CYO was able to offer, in whole or in part, a camping experience to 300 children who otherwise would not have been able to attend. Our special thanks are extended to the United Camp Fund, the St. John Bosco Ladies' Guild, the Catholic Salvage Bureau, the K. of C. Councils, and many private donors, all of whom provided the necessary funds and coordinating work to allow this program to grow and flourish.

If you know of a deserving and needy child of camp age, please refer that person's name to the CYO Office shortly after March 1, 1981. We will do everything possible to assure him or her a week at camp.

### 1980 SEARCH FOR CHRISTIAN MATURITY

The SEARCH is a weekend experience in Christian living for high school juniors and seniors. The weekend is designated to increase the individual's awareness of his/her self-worth and importance to the communities in which he lives. It provides an opportunity for each young person to gain a greater insight into the meaning of Christian values for his life and for the world, mainly through the words and thoughts of those his own age who have already begun to discover these insights and meanings. Using primarily this youth-to-youth approach, an experience of living in a Christ-centered community is fostered.

This is accomplished on the weekend through the use of modern, flexible group dynamics and a structured program of presentations, films, discussions, music, fun and prayer. Each presentation and activity of the weekend offers to the SEARCHer an opportunity to develop gradually an awareness and understanding of himself and his Christian faith, as well as an identification with an example of a believing Christian community.

The continuity of talks and the flow of the weekend is essential. There is a gradual progression of experience with a definite goal in mind. The context and sequence of Christ, Resurrection, Church and Hope are evident from the beginning. Although the National CYO continues to promote the idea of flexibility in programming for the local area, some basic goals of the SEARCH as first envisioned in 1962 remain to form the core of the program. These basic purposes include: developing individual awareness, developing a sense of Christian community and commitment, and growing with, in and towards Christ through the Sacraments and prayer.

The SEARCH must also be seen outside the weekend context. The real test of SEARCH comes the days following the weekend experience. The weekend hopefully serves as a real challenge to LIVE life "where you are." Since commitment plays a large part in the thinking of today's youth, the SEARCH confronts young people to take the "next step" of commitment, which will be as different as the people on the weekend.

### EIGHTH GRADE VOCATION RETREAT

Since 1977 the CYO has cooperated with the Vocations Center to present a one day retreat program to Eighth Grade students on a parish basis. Fifty-one parishes and over 2,000 students participated during the 1979-80 school year.

## QUEST RETREAT PROGRAM

Quest is currently being developed and will be offered to parishes early in 1981. Quest is a 24 hour program, planned to meet Freshman and Sophomores where they are, and lift them to a greater realization of their self-worth and a deeper awareness of other persons and God. It centers around a three "circles of love" theme—calling the young persons to reflection and insight upon love of self, love of neighbor and love of God. Shared activities, group exercises, talks and discussions, plus ritual expressions, all are brought together to give wholeness to the experience.

## PARISH YOUTH ACTIVITY ADULT ADVISORY ORGANIZATION

As always, the CYO on the Cadet and Junior levels continues to rely heavily on adult assistance for its success in the parish. Obviously, parishes would be hard-pressed to maintain their extensive programs without the vast number of adult lay-people who work diligently to assist the Priests and Parish Councils.

Seventeen years ago the Parish Youth Activity Adult Advisory Organization was established to provide for supervision of the parish's entire youth program, including all Cadet and Junior activities sponsored by the parish for the CYO and the many phases of activity affiliated with the CYO. With this plan we have attempted to meet the ever-present need for more adult supervision and activity. The plan utilizes the talents of many adults in the parish, ideally, and by its nature encourages parishes to strive for balance and consistency in their youth activities.

In recent years many parishes have taken advantage of the opportunity of improving their adult organizations, and the organizational plan has been updated to fit more easily into the framework of parishes which have Parish Councils in operation.

A complete set of materials is available to all parishes. This set includes organizational charts; an outline of duties for positions; blanks for volunteer adults to

sign; the CYO Handbook; the CYO Major Activity Calendars; and forms for the parish leader to fill out and return to the CYO Office for the permanent mailing list. Members of the CYO Staff will make themselves available to any parish where such a group is desired, and we also can offer these parishes a panel of adult volunteers with much experience in parish youth work, for the purpose of helping to install or renovate the Adult Advisory Organization. We assure you that our young people will benefit greatly from the work of these adult volunteers, organized to promote an up-to-date, enjoyable, and smooth-working youth program in the parish.

## ST. JOHN BOSCO GUILD

Now in its eighteenth year of operation, the St. John Bosco Guild is a ladies' organization designed to promote interest in the Catholic Youth Organization and its programs, and to offer financial aid and advisory assistance to the camping programs at Camps "Rancho Framasa" and "Christina" as well as the other facilities of the organization.

Membership is open to all women of the Archdiocese of Indianapolis, although the organization is concentrated in the parishes of the Indianapolis deaneries. Membership totals more than 500 for the current year.

Responsibility for the success of the St. John Bosco Guild rests with an Executive Committee of 22 members and an Advisory Board of 40 members, who are led by the Officers. The Guild is organized, under these two groups of leaders, into five districts. The President of the Guild also serves as an "ex-officio" member of the CYO Board of Directors during her term of office.

Each district of the Guild sponsors one major activity each year with revenues from these efforts directed partly toward providing "camperships" at "Rancho Framasa" and "Christina" for deserving and needy children.
