**CYO CAMPS  
A PROGRAM DESIGNED FOR YOU**

**CYO Camp is proud to have provided quality camping opportunities for all ages for the past 49 years with a strong dedication to quality programming through a variety of activities. CYO Camp's tradition of excellence continues in 1995. All campers from all ethnic, cultural and religious backgrounds are most welcome and are encouraged to join us for this fun-filled camp experience.**

**CAMP COUNSELORS**

**The CYO Camp has always had a tradition of quality. Our staff is no exception. The CYO camping staff is highly motivated and thoroughly trained before the camping season begins. In 1994 over 60% of the staff had been a CYO camper in their younger days. To be considered for employment every prospective staff member must first complete an essay type application, provide references and be interviewed by the Camp Director. Before the campers arrive every staff member attends a week long training session at the camp. Our philosophy in hiring is to look at the *individual first and technical skills second*. The CYO hires the person for their ability to relate to children.**

**GROUP RENTALS**

**From outdoor classrooms for school age children to adult retreat weekends Camp Rancho Framasa is available for groups to rent. Rancho Framasa is available for groups ALL YEAR ROUND. From November 1 to April 1 up to 75 overnight guests can be accommodated in four heated cabins and a heated dining hall. All cabins have shower/bathroom facilities.**

**SONRISA CHALLENGE COURSE**

**CYO Camp Rancho Framasa offers a team-building program designed to meet the needs of your staff, class, team, youth groups, etc. Using a progression of non-competitive field initiatives, group communication and cohesiveness are developed. The group is then facilitated through the decentralized teams course. The teams course is a series of physically constructed elements that are used to increase the group's communication and interaction, as well as develop leadership skills.**

**FAMILY CAMPING WEEKEND**

**A special weekend of family camping is available in July of each year for your family's affordable get away weekend. Your family may reserve bunks in the appropriate male and/or female cabins or reserve your own tent/camper space. Your fee covers all lodging, activities, snacks and full food service.**

### **FALL WEEKEND**

Join us at Camp Rancho Framasa in October of each year for a co-ed weekend of Fall activities. The weekend is staffed by the summer counselors. Activities include, handicrafts, canoeing, horseback riding, pumpkin carving and Mass, dinner and a dance to mention a few. Registration is limited for this fall activity.

### **COUNSELORS IN TRAINING**

The one week long counselor-in-Training Program is designed to strengthen advance camping skills, encourage leadership and introduce and give practical experience in the basic counseling skills for students entering 10th - 12th grades. After their training some CITs may be asked to stay on for additional weeks after their training.

### **ADVENTURES PLUS CAMPING**

Adventures Plus camping provides teens, ages 15-17, with the exhilaration of travel and a greater challenge of the outdoors and fellowship with new friends. The 8 day CO-ED trip includes an orientation in advanced camping skills and group building activities, a two day white-water rafting trip with overnight camping on the New River in West Virginia, backpacking and camping on the renowned Appalachian Trail through Virginia and Tennessee. Rock Climbing was added to the program in 1995.

### **ADVENTURE CAMPING**

Adventure camping is for youth ages 12 - 15 who want a week of spirited fun, travel and excitement. This adventure includes a day of spelunking in Buckner's Cave, a canoe trip down the Driftwood River with an overnight stay at Blue Canoe Livery, a hiking trip on the famous Knobstone Trail in Southern Indiana and many more activities are included in this adventure packed week.

### **SKEMOTAH VILLAGE**

The Skemotah Village campers enjoy the best of both worlds at camp for campers ages 12 - 15. Campers live in platform tents nestled in the wooded hills of Rancho Framasa. Campers will cook breakfast each day and will spend the morning hours enjoying an activity at the Village. In the afternoon the campers will join the main camp and participate in traditional activities such as horseback riding, swimming, archery and campfire and more. Campers will return to the Village following campfire.

### **MUSTANG CAMP**

The Mustang Camp is designed for campers ages 13 - 15 with a special interest in horses. Mustang campers will spend each morning with a certified horse instructor learning about the horse that they will adopt for the week. Topics will include basic riding skills, grooming, feeding, saddling, trail riding and general care for the horse and tack. The week also includes several field trips. Mustang campers live at the Skemotah Village during their stay at CYO Camp.

### **SASSAFRAS CAMPING**

The Sassafras Camp is a shortened week for children ages 7 - 10 years. The Sassafras campers will join the Traditional Summer Camping program mid-week. Upon arriving on Wednesday morning the Sassafras campers will be involved with the Unit A program during their stay.

### **TRADITIONAL SUMMER CAMPING**

Campers are assigned to a group with their friends and other campers of the same age. Each group is led by a CYO Camp Counselor and each group shares a cabin with at least one other group.

Campers participate in activities that are age group appropriate. Traditional activities include horseback riding, swimming, canoeing, campfire, archery, team sports, arts and crafts, Native American Culture, Gold Rush, Drama and many other activities provide for a week of fun and adventure for these campers.

### **CANOE TRIP**

The "CANOE TRIP" is a week long adventure traveling down the Driftwood River and the East Fork of the White River by canoe. The co-ed group will travel with all of its gear in the canoes and will campout on the banks of the river each night. On Sunday the campers will spend the evening packing food and gear and participating in a canoe safety orientation program.

### **BICYCLE TRIP**

The co-ed "BICYCLE TRIP" offers the thrill of the hills of Southern Indiana. Campers will start with a bike safety orientation on Sunday and then ride the first leg of their trip to Camp Christina for an overnight stay. Four of the next five days will be spent riding 25-40 miles each day and camping out in a different State Recreation or Forest area each night. A sag wagon (utility van) will be driven along to accompany the group and carry all needed supplies. Campers will need to bring their own road-ready bike and helmet.

### **HOLIDAY CAMP**

Afraid you'll be bored at home over the Christmas break? Then come spend three days of the holidays at CYO Camp. The co-ed group of campers will stay in two heated cabins with their favorite summer camp counselors. Activities include handicrafts, archery, challenge course, sports, hiking, games (indoor and outdoors), sledding, devotion time, stories around the Lodge's fireplace and more.

### **WINTER ADVENTURE CAMP**

This co-ed group will stay in two separate heated cabins. Campers will go spelunking, take a trip to Nashville to visit with several local craftsmen and attend a basic climbing class at J. L. Waters Outfitters in Bloomington, home of a 2 story indoor climbing wall. Other activities include star gazing, hiking, outdoor compass/scavenger hunt course, games (indoor and outdoors), sledding, devotion time, ghost stories and campfires around the Lodge's fireplace.
