2003-2004 Annual Report & Year End Review

[www.cyoarchindy.org](http://www.cyoarchindy.org)

Footprints on the  
land will fade away  
and fall apart but the  
footprints that you  
left us will live  
forever on  
Our hearts.

The Catholic Youth Organization was established in 1939 by Bishop Joseph E. Ritter to assist parents in providing quality educational programs for children as well as to supplement the education provided by the Catholic schools.

The first official activity sponsored by the CYO was a city-wide spring dance in the Cathedral High School gymnasium with about 1,000 youth in attendance, representing every parish in the city. The first athletic leagues organized were baseball and tennis with steps taken in the early days of the CYO to organize other contests and competitions.

Since this humble beginning, the CYO has grown into one of the largest youth serving agencies in central Indiana serving over 10,000 young people each year. In a partnership with the Catholic schools, the CYO continues to sponsor programs which serve to provide opportunities for youth to develop strong moral character, self worth and a community service orientation through activities of a social, educational, recreational and athletic nature.

The CYO is the sole provider of extracurricular activities for the Catholic schools in the Indianapolis metropolitan area. As such, it is the desire of the CYO to allow children the opportunity to experience real life situations that reinforce attitudes and values taught in school.

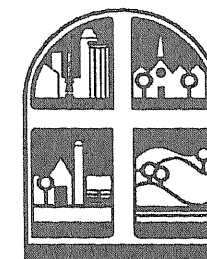

In addition to providing athletic competition in 14 different sports for boys and girls in grades four through 12, the CYO also sponsors a science fair, music contest, honors music recital and a chess league.

In 1946, the CYO opened a summer residential camp in Brown County, Indiana on land given to the CYO by Mr. and Mrs. Bert Dingley. Through the years, Camp Rancho Framasa has grown and changed into a facility offering year-round camping opportunities and an exclusive outdoor education program. The camp has recently undergone an extensive redevelopment plan including the construction of a dining hall/outdoor program Center, three new cabins, the remodeling of all existing cabins and the refurbishing of the camp swimming pool. The facility has been improved to meet the needs of campers well into the 21st century.

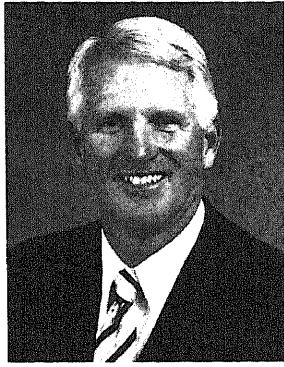

The Catholic Youth Organization has been evolving for many years to what it is today. The CYO continues to be committed to providing a ministry of information that helps bring youth to their full human potential.

*The CYO exists to provide opportunities for youth to develop strong moral character, self-worth and a community service orientation through activities of a social, educational and recreational nature, based on Catholic principles that reinforce proper societal value. As a community of faith within the Archdiocese of Indianapolis, the CYO is committed to a ministry of formation that helps bring youth to their full human potential.*

## Footprints On Our Hearts

A Message From CYO Executive  
Director Edward J. Tinder

Dear CYO Friends:

*"Some people come into our lives and quickly go. Some people become friends and stay awhile leaving beautiful footprints on our hearts. And we are never quite the same because we have made a good friend."*

I came across this quotation recently as I began to think about my thoughts to be included in the CYO Annual Report for calendar year 2003-2004. While I do not recall the author, this quotation has significant meaning to all of us who have deep personal feelings for the work of the Catholic Youth Organization.

In what ways does the CYO leave footprints on the hearts of the people, youth and adults alike, so deeply and actively involved in the varied programs of the organization? And, in what ways does the CYO touch these hearts in a powerful way?

I believe the answer to these two questions lies deeper than ball games, camping, trophies, ribbons, gymnasiums, athletic fields, practices, uniforms and the like. At its core, CYO programs and activities are a heartfelt expression of what our Catholic schools and parishes strive to achieve each day. To bring people from diverse backgrounds together to inspire and educate young people about the qualities and characteristics that drive them to become self-confident leaders and loving and caring individuals. All who feel the heartbeat of the CYO benefit from the extraordinary experience.

The CYO truly touches the lives of 10,000 youth each year through heartwarming efforts of countless adults who we call coach, counselor, teacher, priest, moderator, judge, official, umpire, athletic director, gym manager, board member and mom and dad who make up the list of special volunteers. Young participants in CYO leave with the messages which can be applied to any pursuit that requires hard work, dedication and perseverance. Lessons learned through heart pounding triumphs or heart breaking defeats in all areas of life serve to enable our children to become solid young adults.

As you read this annual report and see the overwhelming success of our young people in their activities, the generosity and commitment of our donors and the list of adults and youth who have been recognized through the years for their service, please know that while the CYO has left footprints on their hearts they, too, have left beautiful footprints on the heart of CYO.

Thank you for your friendship and faithful support of the CYO mission, our programs and the youth who participate. May God touch your heart with his love and bless your families always.

# Footprints on the Heart of CYO Summer Activities-2004

- Mr. William Fehribach was the winner of the \$10,000 grand prize.
- For the 30th consecutive year, Phil Wilhelm and Bob Cook were co-chairmen for this event.
- Proceeds from the raffle help to fund all the programs of CYO including 13 different sports, science fair, music contest, outdoor education and summer residential camping at Camp Rancho Framasa.

## CYO ARCHDIOCESAN KINGS ISLAND DAY

- The CYO has sponsored the Archdiocesan-wide Kings Island Day for the past 25 years.
- In 2004, over 1,100 youth and adults participated in this annual summer event.
- By purchasing tickets through the CYO groups were able to save over 40% off the regular park admission price.
- Wednesday, July 27, 2005 is the date for the next CYO Kings Island Day for friends and families who participate in CYO programs. All are invited to attend. Please call the CYO office at 632-9311 for ticket information.

## CYO CAMP

- The 2004 CYO Summer Camp program had 2,176 campers participate in the nine week camping season.
- The Summer camping season began June 6, 2004 and concluded August 6, 2004.
- The Summer inclusion program for children with special needs served 179 children with some level of support. Those children had some level of disability including medical, emotional and physical disabilities.
- Campers were able to choose from different camping experiences including:
  - Traditional Camp      Sassafras Camp
  - Adventure Camp      Sassafras Adventure Camp
  - Teen Leadership Camp

- Summer Camp activities included:
 

Swimming	Archery	Canoeing
Games	Campfires	Sports
Horseback Riding	Nature	Handicrafts
Hiking	Drama	Scripture
Climbing Tower	Ranchfest	Camp-out
Cook-out	Mass	Gold Rush
High Rope Challenge	Low Rope Challenge	
- The camp pool built in 1959 was completely renovated prior to the 2004 Summer Camping season. After the renovation, we were able to have all camp swims because the pool depth was the same throughout the pool. The infrastructure of the pool was completely updated and worked perfectly all summer.
- Camp had its American Camping Association site visit this past summer, which occurs every three years. Two people involved in summer camping visited camp and went over 265 different camping standards with us. These standards include, health, safety, ratios, programming and philosophy. Out of the 265 standards, CYO Camp passed 264 of the standards. The one standard which we choose to miss each year is the requirement to make campers wear long pants while riding horses. It is remarkable that camp only missed one standard out of 265.
- Back in the 1980's there was some discussion about closing CYO Camp Rancho Framasa because expenses were up and attendance was down. The CYO board at that time decided to go in the opposite direction and improve the camping facilities. A plan was devised and the board worked with Archdiocese, Lilly Endowment and United Way to help with improvement projects.

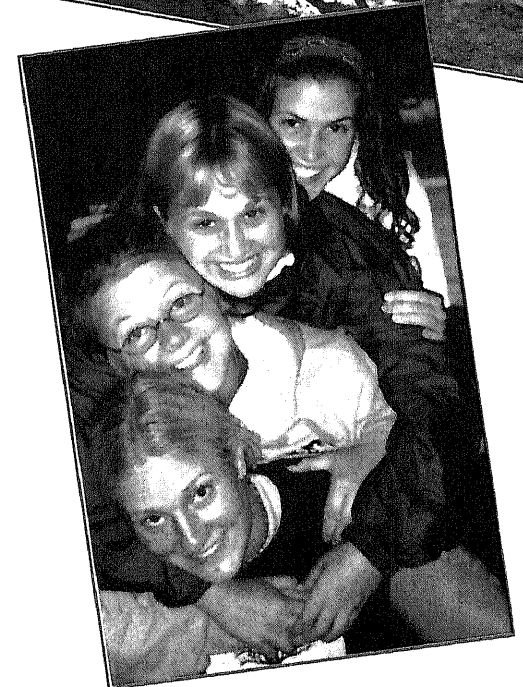

Some of the camp improvements began in 1993 and were completed in 1996 include:

A. New septic system -	\$300,000
B. Roofs on all buildings -	\$33,000
C. Pool renovations -	\$48,000
D. Foundation work -	\$7,000
E. New window and doors -	\$25,000
in all cabins	
F. Winterized two cabins -	\$12,000
	<hr/>
	\$413,000

Then in 1997 phase two of the camp improvements began. Projects included:

A. High ropes climbing challenge -	\$28,000
B. Amphitheater -	\$20,000
C. Outdoor Program Center -	\$1,600,000
with state of the art kitchen dining room	
and meeting space with two fireplaces	
D. Three new cabins -	\$700,000
E. Renovated all existing cabins -	\$300,000
F. Renovated original chapel -	\$15,000
G. Most recent pool renovation -	\$200,000

The grand total of money spent on camp upgrades renovations, and a new buildings is an impressive \$3,276,000.

St. Vincent Sports Medicine continued as CYO's partner in 2003-04 and acted as the exclusive provider of sports medicine services to the organization.

St. Vincent Sports Medicine staff members presented important information on health, wellness, injury prevention and treatment at all CYO preseason coaches meetings. And, St. Vincent trainers were present at many CYO athletic events to attend to injured players.

The CYO has always been committed to a ministry of information that helps bring youth to their full human potential. While the CYO focus has been to provide opportunities for young people to develop strong moral character, self-esteem and leadership qualities through activities of a social, educational, recreational and athletic nature, the addition of St. Vincent Sports Medicine adds to that focus.

With St. Vincent Sports Medicine, the CYO adds a professional, well-respected health care group to its service package that will elevate its ability to be the premier youth serving agency in the community. In effect this partnership has added seventeen certified athletic trainers and sixteen sports medicine physicians to the staff of the CYO.

St. Vincent Sports Medicine has become an important partner with the CYO. The CYO is proud of its accomplishments since 1939 and is determined to improve on its record into the 21st Century.
