Since 1939 the Catholic Youth Organization has strived to support the youth in the Archdiocese of Indianapolis by providing athletic and cultural programs that would enhance their faith, keep them involved with their Catholic schools and parishes, and keep them strong and healthy. We have also allowed our children to experience an awesome God and the wonders of nature by wandering the rolling hills at CYO Camp Rancho Framasa. We have enabled our young participants to be **STRONG** in their faith, **STRONG** in their friendships and **STRONG** in their skills development.

The CYO mission statement sums it up best:

“The Catholic Youth Organization, a ministry of the Archdiocese of Indianapolis, exists to deepen relationships with Jesus Christ and one another, to celebrate the God-given gifts of each individual and to enhance the faith formation and personal development of youth by providing athletic, camping and enrichment opportunities.”

In today’s world when so many influences are trying to pull all of us, especially our children, away from God and test our faith, the CYO continues to stand **STRONG** and continues to provide programs that are impactful for our youth and their families. Every program we offer has a direct impact on every child’s faith, family and friends.

All that we do is for the honor and glory of God. The CYO strives to make a difference so that we can effect change in our little part of the world in an effort to keep our children **STRONG**!

Thank you for your continued support of CYO, and may God bless you and your families always.
