Season Notice #4

To All CYO Girls' Basketball Coaches

Dear Friends:

It hardly seems possible, but the 1982 Girls Basketball Season is nearing completion and we need to begin preparing for the post-season play-offs and tournaments.

Therefore, read the following carefully:

1. Enclosed, please find the current league standings through Sunday, October 31, 1982. If there is an error, please call the CYO Office, immediately.
2. The schedule for the post-season tournaments will be distributed this week. All teams are automatically entered in their respective league tournaments. If you foresee a possible school conflict, please call the CYO Office. At this time all post-season tournaments are scheduled to begin approximately Wednesday, November 10, 1982. The tournaments will be played at the following sites:

5. Thus far, we have not had any reported ejections of a coach or player from any game. This is certainly a credit to your patience, understanding, and cooperation. The leadership and example of our adult supervisors has been tremendous this year. Keep up the good work. The few unsportsmanlike conduct reports that we have received have been dealt with and we are confident will not reoccur.
6. Coaches, please find enclosed important information regarding the Pilot Program on Substance Abuse.

Re: League Schedules  
Date: October 3, 1984

We regret to inform you that ST. MONICA dropped their Cadet "A" team from the league following completion of the schedules. Therefore, because gym schedules have already been finalized and officials contracted, we have decided to play Inter-Divisional games between Division #1 and Division #3. Specifically, any Division #1 team scheduled to play St. Monica will play, instead, the team from Division #3 scheduled originally to have a "Bye". The game date, time and site will be as originally scheduled.

Division #3 schedules will affect only the team scheduled for a "Bye" and will change as follows:

Season Notice #6

To All CYO Girls' Basketball Coaches and Gym Managers

Dear Friends:

It is hard to believe that we are now completing the final week of the 1987 Girls' Basketball regular Season. To date we have played 350 girls' basketball games on all levels throughout the Indianapolis Metropolitan area.

I am sure there will be many times during many close, competitive games where you as coaches could have lost control of your emotions and acted in an unsportsmanlike manner. However, up to this point, we have received very few phone calls regarding poor game behavior of coaches, players or fans. I believe that this is a reflection of your commitment to the young girls on your team.

As we conclude the regular season and look forward to postseason games, we want to wish you the very best of luck and encourage you to continue working at the little things that have made this season a big success thus far.

Please read the following carefully:

1. Enclosed please find the current league standings through Tuesday, November 17, 1987. We want to make sure these standings are correct so please check your team's record and if there is an error in our listing please call Ann Papesh at 632-9311 so we may correct it right away.
2. With postseason tournaments scheduled to begin in all leagues immediately following the conclusion of the regular season, please make sure you look at the tournament drawings mailed to you and know when and where your games are scheduled to be played.
3. League playoffs involving the division Champions have been scheduled in all leagues. The following is the League Playoff Schedule. Coaches, if your team will be involved in the league playoffs you will be notified by telephone. If there is a tie for division championship, a tie-breaking playoff game will be scheduled Monday, November 30, 1987 to determine the out-right division champion.

Season Notice #5  
To All CYO Girls Basketball Coaches and Gym Managers

Dear Friends:

It is hard to believe that we have completed the regular season and are now involved in our respective tournament basketball games on all levels throughout the Indianapolis Metropolitan Area.

I am sure there were many times during close, competitive games where you as a coach could have lost control of your emotions and acted in an unsportsmanlike manner. However, up to this point in the season, we have received very few phone calls regarding poor game behavior by coaches, players or fans. We believe this is a reflection of your commitment to the young girls on your team.

As we begin the postseason tournaments this week, we want to wish you the very best of luck and encourage you to continue working at the little things that have made this season a big success thus far.

Please read the following carefully:

1.) Enclosed please find the final league standings based on the scores reported to the CYO Office. Division champions are marked with an asterisk. We want to make sure that these standings are absolutely correct so please check your team's record as it is listed to make sure no error has been made. If an error has been made please call the CYO Office, 632-9311, right away so we correct the error.

2.) League playoffs involving the division champions and wild card teams have been scheduled for all leagues. The following is the league playoff schedule. Coaches, if your team might be involved in the league playoff schedule you will be notified by telephone as to the procedure we will follow. If there is a tie for a division championship, the tie-breaking playoff game will be played the day before the league playoffs are to begin. (see date below)

Season Notice #4

To All CYO Girls' Basketball Coaches and Gym Managers

Dear Friends:

As the final few regular season games approach, we anticipate the competition to be keen with many important divisional games to be played. However, we encourage you to lead the girls through the conclusion of the season in such a way that we would all be proud.

In the days ahead, help the girls to feel good about their participation through positive reinforcement at practices and remaining games. If the season is concluded on a positive note, regardless of your team's won-loss record, the girls will feel the season was a success, feel good about their participation and be more interested in playing basketball next year.

Please read the following carefully:

1. Enclosed please find the current league standings through Monday, November 11, 1991. Be sure to check your team's won-loss record to be certain that we have listed it correctly. If an error has been made, please call the CYO Office, 632-9311 right away so that we may correct the problem. As we approach the end of the regular season it is imperative that the league standings are accurate.
2. With the postseason tournaments scheduled to begin in all leagues immediately following the conclusion of the regular season, please make sure you look at the tournament pairings mailed to you last week to see when and where your games are scheduled to be played.
3. We want to take this opportunity to review the system used to decide the wild card participant in the league playoffs in the event there is a tie for a wild card position.

Formerly, if there was a tie for a wild card position in the playoffs the participant was decided by the flip of a coin. Again this year, if there is a tie for the wild card position, we will play-off the tie using the three minute overtime procedure which is used throughout the girls' basketball program. A similar system was used this past football season with great success and excitement and we feel this is a better way to decide the wild card participant in the event there is a tie for that position. Those division runners-up who will possibly be eligible for the wild card position will be contacted by telephone to arrange the playoff.

4. League playoffs involving the division champions and wild card teams have been scheduled for all leagues. The following is the league playoff schedule. Coaches, if your team will be involved in the league playoff schedule you will be notified by telephone. If there is a tie for a division championship, the tie-breaking playoff game will be played before league playoffs are to begin. (Please see the reverse side for dates and times.)
