CLASSIFICATION SCALE FOR CADET C.Y.O. TRACK AND FIELD

CLASS A, BOYS 750 or above CLASS B BOYS 680 to 749 CLASS C - 679 & below

Contestants will compete in these three classes. Coaches are to classify the contestants in A,B, and C, according to age, height, and weight. Age is based on the lowest completed half year. Height is measured by the lowest even inch. Weight is measured by the lowest even pound.

ADD THE PERSONS WEIGHT TO THE NUMBER OF POINTS LISTED BELOW FOR HIS AGE AND HEIGHT TO DETERMINE HIS CLASS. USE TESTED SCALES ONLY. "BATHROOM" SCALES ARE NOT CONSIDERED TO BE SUFFICIENTLY ACCURATE.

Meets are to be run at the C.Y.O. Stadium or on some other regulation track which is available for dual meets. Be sure to make arrangements for the Stadium track before you come out for any meet. The track will be available any week-day evening after 5:00 P.M., and all day on both Saturday and Sunday. A 2-hour period will be reserved for each meet. Remember to notify the C.Y.O. Office before you schedule a meet, because the Stadium may be closed on Sunday if no meets are scheduled in advance.

Meets are to include many as possible of the events that are listed on the schedule for the C.Y.O. Track and Field Carnival on May 24. They are as follows: Class A - 100 yard High Hurdles (30 inches high, 3 hurdles spaced at 30, 50, and 70 yards); 50, 100, and 220 Yard Dashes; 440 Yard Run; Broad Jump, High Jump, Pole Vault; 8 lb. Shot Put, 400 Yard Shuttle Relay; 880 Yard Relay. Class B - 50, 100, and 220 Yard Dashes; 440 Yard Run; Broad Jump; High Jump; 8 lb. Shot Put; 440 Yard Shuttle Relay; 880 Yard Relay. Class C - 50 and 100 Yard Dashes; 200 Yard Shuttle Relay; Broad Jump; High Jump; Baseball Throw (for distance).

If one parish doesn't have a contestant for an event, that event will not be included in the meet or in scoring, but the other parish may run it as a timed exhibition.

SCORING: Points are to be awarded on the following basis in dual meets, for every individual event contested in each class: First 5; Second 3; Third 1. Relay points are to be awarded as follows: First 10; Second 7. Team scores and winning names and times should be called to the C.Y.O. Office the day after the meet. As many scores and times as possible will be printed in the "Indiana Catholic" each week.

(Continued on reverse side)

Cadet C.Y.O. Dual Track Meet Schedule (Con't.)

One meet a week should be scheduled, except during week of May 3 - 9, when two meets are listed. If it isn't possible to run two meets in that week, parishes may schedule the second competition of the week at some earlier or later date, just so each parish finishes all four of its meets before May 24.

Parishes are to furnish their own officials. There is no limit to the number who may take part in each event. Heats should be run if necessary. Each parish should provide at least one stopwatch and one tape measure.

Be Sure To Schedule Your Meets With The Office And To Turn In Scores The Day Following Each Meet.

THIRD ANNUAL
CADET C.Y.O. TRACK MEET

Time, Place, and Date: 1:00 P.M., Sunday, May 24, C.Y.O. Stadium. Dual meets will be completed by both divisions during the week of May 17.

Eligibility: All grade school boys who fit into the three classifications (see enclosed list) are eligible, except that the restrictions regarding the number of entries allowed per event must be observed. The C.Y.O. Stadium may be used for practice if arrangements are made in advance.

Classes: The enclosed classification scale sets up three distinct classes, A, B, and C, according to the contestant's age, height, and weight. Age is based on the lowest completed half year, height is measured by the lowest even inch, and weight by the lowest even pound. The contestant's weight is to be added to the number of points listed on the scale for his age and height, in order that the class be determined correctly. Class A is confined to boys who compile 750 points or more on the scale, Class B to boys compiling between 680 and 749 points, and Class C to boys compiling 679 points or below.

Events: Class A -- 100 yard high hurdles; 50, 100, and 220 yard dashes; 440 yard run, Broad Jump, High Jump, Pole Vault, 8 lb. shot put, 400 yard shuttle relay, and 880 yard relay.

Class B -- 50, 100, and 220 yard dashes, 440 yard run, Broad Jump, High Jump, 8 lb. shot put, 400 yard shuttle relay, and 880 yard relay.

Class C -- 50 and 100 yard dashes, 200 yard shuttle relay, Broad Jump, High Jump, Baseball Throw (for distance).

Restrictions: Team -- Each parish is restricted to one entry in each class for every space on the entire entry blank. This restriction must be followed carefully so that officials will be able to handle the crowd of contestants at the Stadium. Individual -- each entrant is limited to 3 events, either running, field, or both. This is being done for two reasons: 1.) an outstanding individual will not be able to dominate the meet, and 2.) a larger number of boys will be able to compete from each parish.

Awards: Ribbons will be awarded to the first four places in each event. Team championship trophies will be awarded for each class, and an overall traveling team trophy will be awarded.

Scoring for Team Championships: Points will be awarded on the following basis in each individual event -- First, 5; second, 4; third, 3; fourth, 2; fifth, 1. Relay points are to be divided as follows: First, 10; second, 7; third, 5; fourth, 3; fifth, 1. A running tabulation of team totals will be kept during the finals, and periodic announcements will be made by the field announcer as the meet progresses.

Entry Fee: \$5.00 per team, which includes entry in the dual meet season as well.

Officials: The local Catholic High School coaches and athletes from all sports will assist in handling the meet. In addition, some adult help from each section will be appreciated. If your parish has one or two men who would be available to assist in handling the meet, please contact them and forward their names and addresses to us.

Miscellaneous Notes: The order of events is not yet set, and will not be announced until the meet begins. Therefore, it is important that all boys come together to the C.Y.O. Stadium, so that no delays will occur. We want the meet to begin at 1:15 P.M. promptly. All heats will be run before any finals begin in the individual events. Relays will be run in sections with the parish recording the best time declared the winner.

Please be especially careful in classifying the boys according to the scale. Make sure that each boy's age is correct, and that the height and weight are measured correctly. We can't afford to have the meet held up by any undue bickering. The finishers will be weighed and their height checked as soon as the event is finished, if their eligibility is questioned.

We will again appreciate your complete cooperation from start to finish. When they occur to you, suggestions will be gratefully accepted and adopted, if they prove to be feasible. When the meet is over, and you've had time to think about the way it was handled, we would especially like to hear from you then.

See that a lay coach is appointed to train the boys and to be with them during the event. The coach and other adults are to see that the boys appear on time, they they don't wander around the stadium while the meet is in progress, and that they appear at the starting line when called. The C.Y.O. Stadium can be made available on almost any afternoon for any parish which would like to work out....just check with us before you set a date for any work-out.

Regular track spikes will be allowed, along with baseball shoes, sneakers, and the like. Only street shoes will be barred, since the heels tend to harm the track. The uniform also is up to the individual parish, but we wouldn't advise any expenditure for elaborate uniforms, since basketball uniforms can be worn.

By all means, make some attempt to provide training for the boys in your parish before the meet. Track is a so-called "fundamental" sport, but young boys still need supervision and advice, especially in regard to starting, striding, and the various techniques required in the field events. We think the dual meets will help considerably.

Entry Deadline: All entries must be posted at the C.Y.O. Office on or before Monday, May 18, which will allow you plenty of time to line up a full squad. See that the restrictions concerning the number to be entered in each event are followed carefully, but do your best to line up a full squad, because this is a sport where "participation" is the key word.

Meets are to be run at the C.Y.O. Stadium or on some other regulation track which is available for dual meets. Be sure to make arrangements for the Stadium track before you come out for any meet. The track will be available any week-day evening after 4:30 P.M., and all day on both Saturday and Sunday. A 2-hour period will be reserved for each meet. Remember to notify the C.Y.O. Office before you schedule a meet, because the Stadium may be closed on Sunday if no meets are scheduled in advance.

Meets are to include as many as possible of the events that are listed on the schedule for the C.Y.O. Track and Field Carnival on May 22. They are as follows: Class A - 100 yard High Hurdles (30 inches high, 3 hurdles spaced at 30, 50, and 70 yards); 50, 100, and 220 Yard Dashes; 440 Yard Run; Broad Jump, High Jump, Pole Vault; 8 lb. Shot Put, 400 Yard Shuttle Relay; 880 Yard Relay. Class B - 50, 100, and 220 Yard Dashes; 440 Yard Run; Broad Jump; High Jump, 8 lb. Shot Put; 440 Yard Shuttle Relay; 880 Yard Relay. Class C - 50 and 100 Yard Dashes; 200 Yard Shuttle Relay; Broad Jump; High Jump; Baseball Throw (for distance).

If one parish doesn't have a contestant for an event, that event will not be included in the meet or in scoring, but the other parish may run it as a timed exhibition.

SCORING: Points are to be awarded on the following basis in dual meets, for every individual event contested in each class: First 5, Second 3; Third 1. Relay points are to be awarded as follows: First 10; Second 5. Team scores and winning names and times should be called to the C.Y.O. Office the day after the meet. As many scores and times as possible will be printed in the "Indiana Catholic" each week.

One meet a week should be scheduled. The only scheduling matter of concern is that of finishing all meets before the City-wide meet May 22. Two meets should be scheduled during the week of May 1. If it isn't possible to run two meets in that week, parishes may schedule the second competition of the week at some earlier or later date, just so each parish finishes all of its meets before May 22. May 22.

Cadet C.Y.O. Dual Track Meet Schedule (Cont.)

Parishes are to furnish their own officials. There is no limit to the number who may take part in each event. Heats should be run if necessary. Each parish should provide at least one stopwatch and one tape measure.

Be Sure To Schedule Your Meets With The Office And To Turn In Scores The Day Following Each Meet.

Team Awards for the dual meet season will be presented at the City-wide meet.

INSTRUCTIONS AND RULES

- 1.) Rather than try to make one coach in each meet responsible for contacting opposing coaches, all coaches are responsible for trying to arrange the meet during the week in which it is scheduled. We suggest that, if possible, meets be scheduled a few weeks in advance.
2. You will notice that we weren't able to balance the schedules so that the same two parishes would be competing in all three classes the same week. This was also true to a certain extent last year, so it shouldn't prove too much of a hardship. It's possible for you to make any adjustments in the schedule that you desire, which will give you a chance to run all your classes against a parish in the same week. However, we ask that you get all your meets out of the way before the city-wide meet May 19. This should be easy, because with the exception of Class A, Division Two the dual meet season ends the week of May 5 - 11.

INSTRUCTIONS AND RULES

- 1.) Rather than try to make one coach in each meet responsible for contacting opposing coaches, all coaches are responsible for trying to arrange the meet during the week in which it is scheduled. We suggest that, if possible, meets be scheduled a week in advance. If both teams aren't ready for competition by a half-hour after the time agreed upon, a forfeit may be claimed.
- 2.) You will notice that we weren't ^{able} to balance the schedules so that the same two parishes would be competing in all three classes the same week. It's possible for you to make any adjustments in the schedule that you desire, which will give you a chance to run all your classes against a parish in the same week. However, we ask that you get all your meets out of the way before the city-wide meet May 14. This should be easy, because the dual meet season ends the week of May 7-8 for Classes A & B, and the week of April 24-30 for Division #3, Class C, which winds up the week of April 24-30.
- 3.) Meets are to be run at the C.Y.O. Stadium or on some other regulation track which can be made available for dual meets. Be sure to make arrangements with the C.Y.O. Office before you use the Stadium track for any meet, especially because the Stadium may be closed on Saturdays and Sundays if nothing is scheduled in advance for a week-end. The track is available for practice and meets week-day evenings after 5:00 P.M. and all day on both Saturday and Sunday (if the Office is notified in advance).
- 4.) The use of track shoes is optional. In addition, runners may use basketball or tennis shoes, or they may run barefoot. But, street shoes may not be used. Starting blocks may not be used. Runners in track shoes must stay off the bleacher seats, or they will be asked to stay out of the Stadium. Uniforms, by the way, are not necessary.
- 5.) In order to keep competition as balanced as possible, and to avoid overworking any of the contestants, the following limitation will be in effect for the dual meet season and the city-wide meet: Each boy may compete in only four events -- two running, one field, and one relay; or two field, one running, and one relay; or three field and one relay. By a "running" event, of course, we mean an individual running event. You'll notice that the limit on running events is two individual and one relay. The only exception made in the relays is that a Class C boy (Class C only) may fill out a Class B or Class A relay team in addition to running on one Class C relay team, provided he does not participate in more than the limit of four events.

INSTRUCTIONS AND RULES

- 1.) Rather than try to make one coach in each meet responsible for contacting opposing coaches, all coaches are responsible for trying to arrange the meet during the week in which it is scheduled. We suggest that, if possible, meets be scheduled a week in advance. If both teams aren't ready for competition by a half-hour after the time agreed upon, a forfeit may be claimed.
- 2.) You will notice that the schedule is balanced so that the same two parishes are competing in all three classes the same week. It's possible for you to make any adjustments in the schedule that you desire. However, we ask that you get all your meets out of the way before the city-wide meet May 28. This should be possible even though the dual meet season ends the week of May 21-28 which is the week before the big meet.
- 3.) Meets are to be run at the CYO Stadium or on some other regulation track which can be made available for dual meets. Be sure to make arrangements with the CYO Office before you use the Stadium track for any meet, especially because the Stadium may be closed on Saturdays and Sundays if nothing is scheduled in advance for a week-end. The track is available for practice and meets week-day evenings after 5:00 P.M. and all day on both Saturday and Sunday (if the Office is notified in advance).
- 4.) The use of track shoes is optional. In addition, runners may use basketball or tennis shoes, or they may run barefoot. But, street shoes may not be used. Starting blocks may not be used. Runners in track shoes must stay off the bleacher seats, or they will be asked to stay out of the Stadium. Uniforms, by the way, are not necessary, but "short" shorts or halters will not be allowed. Contestants should wear regular shorts, bermuda shorts, or gym suits if the school has regular gym classes.
- 5.) In order to keep competition as balanced as possible, and to avoid overworking any of the contestants, the following limitation on events per girl will be in effect for the dual meet season and the city-wide meet: Each girl may compete in four events -- two running, one field, and one relay, or two field, one running, and one relay. By a running event, of course, we mean an individual running event. You'll notice that the limit on running events is two individual, one relay. The only exception made in the relays in that a Class C girl (Class C only) may fill out a Class B or Class A relay team in addition to running on one Class C relay team, provided she does not participate in more than the limit of four events.
- 6.) Because some girl in the B and C Classes will compete during the season in more than one class, it must be kept in mind that they still are limited to four events in one day for the dual meet season.
- 7.) The season is set up according to classes, as before, with identical team trophies for each of the classes to be awarded at the end of the dual meet schedule. Each class is to count its team points and results separately from the others.
- 8.) Events for the dual meet season and the city-wide meet are the same as follows:
Class A - 50 yard Dash, 100 yard Dash, 220 yard Dash, 440 yard Run, 200 yard Shuttle Relay, 440 yard Relay, Running Long Jump, Kickball Throw, Baseball Throw, High Jump.
Class B - 50 yard Dash, 100 yard Dash, 220 yard Dash, 200 yard Shuttle Relay, 440 yard Relay, Running Long Jump, Kickball Throw, Baseball Throw.

INSTRUCTIONS AND RULES

- 1.) Rather than try to make one coach in each meet responsible for contacting opposing coaches, all coaches are responsible for trying to arrange the meet during the week in which it is scheduled. We suggest that, if possible, meets be scheduled a week in advance. Sundays seem to be the best day to schedule meets. If both teams aren't ready for competition by a half-hour after the time agreed upon, a forfeit may be claimed.
- 2.) You will notice that the schedule is balanced so that the same two parishes are competing in all three classes the same week. It's possible for you to make any adjustments in the schedule that you desire. However, we ask that you get all your meets out of the way before the city-wide meet June 1. This should be possible even though the dual meet season ends the week of May 18th, which is two weeks before the big meet (due to the Boys' City-Wide Meet being May 18th and the 500 Mile Race being May 25th).
- 3.) Meets are to be run at the CYO Stadium or on some other regulation track which can be made available for dual-meets. Be sure to make arrangements with the CYO Office before you use the Stadium track for any meet, especially because the Stadium may be closed on Saturdays and Sundays if nothing is scheduled in advance for a week-end. The track is available for practice and meets week-day evenings after 5:00 P.M. and all day on both Saturday and Sunday (if the Office is notified in advance).
- 4.) The use of track shoes is optional. In addition, runners may use basketball or tennis shoes. But, street shoes may not be used. Runners in track shoes must stay off the bleacher seats, Uniforms, by the way, are not necessary, but "short" shorts or halters will not be allowed. Contestants should wear regular shorts, bermuda shorts, or gym suits if the school has regular gym classes.
- 5.) In order to keep competition as balanced as possible, and to avoid overworking any of the contestants, the following limitation on events per girl will be in effect for the dual meet season and the city-wide meet: Each girl may compete in four events — two running, one field and one relay, or two field, one running, and one relay, or three field and one relay. By a running event, of course, we mean an individual running event. You'll notice that the limit on running events is two individual, one relay. The only exception made in the relays is that a Class C girl (Class C only) may fill out a Class B or Class A relay team in addition to running on one Class C. relay team, provided she does not participate in more than the limit of four events.
- 6.) Because some girls in the B and C Classes will compete during the season in more than one class, it must be kept in mind that they still are limited to four events in one day for the dual meet season. Each class is to count its team points and results separately from the others.
- 7.) The season is set up according to classes, as before, with identical team trophies for each of the classes to be awarded at the end of the dual meet schedule. Each class is to count its team points and results separately from the others.
- 8.) Events for the dual meet season and the city-wide meet are the same as last year as follows:
 - Class A - 50 yard Dash, 100 yard, 220 yard Dash, 440 yard Run, 200 yard Shuttle Relay, 440 yard Relay, Running Long Jump, Kickball Throw, Baseball Throw, High Jump.
 - Class B - 50 yard Dash, 100 yard Dash, 220 yard Dash, 200 yards Shuttle Relay, 440 yard Relay, Running Long Jump, Kickball Throw, Baseball Throw.
 - Class C - 50 yard Dash, 100 yard Dash, 220 yard Dash, 200 yard Shuttle Relay, 440 yard Relay, running Long Jump, Kickball Throw, Baseball Throw.

CLASSIFICATION SCALE FOR CADET CYO TRACK AND FIELD

- Class A - Boys and Girls - 750 or above
- Class B - Boys and Girls - 680 to 749
- Class C - Boys and Girls - 679 and below

Contestants will compete in these three classes. Coaches are to classify the contestants in A, B, and C according to age, height, and weight. Age is based on the lowest completed half year. Height is measured by the lowest inch. Weight is measured by the lowest even pound.

Add the persons weight to the number of points listed below for his age and height to determine his class. Use tested scales only. "Bathroom" scales are not considered to be sufficiently accurate.

Ages:	10 $\frac{1}{2}$	11	11 $\frac{1}{2}$	12	12 $\frac{1}{2}$	13	13 $\frac{1}{2}$	14	14 $\frac{1}{2}$	15	15 $\frac{1}{2}$	16	Height in Inches

CYO Track and Field Classification Scale

- Class A - Boys and Girls - 750 or above
- Class B - Boys and Girls - 680 to 749
- Class C - Boys and Girls - 679 and below

Contestants will compete in the three classes listed above. Coaches are to classify the contestants according to age, height and weight. Age is based on the lowest completed half year. Height is measured by the lowest inch. Weight is measured by the lowest even pound.

Add the participant's weight to the number of points listed below for his age and height to determine his class. Use tested scales only. Bathroom scales are not considered to be sufficiently accurate.
