

Official Rules and Regulations

C.Y.O. Girls' Volleyball (Indoor or Outdoor)

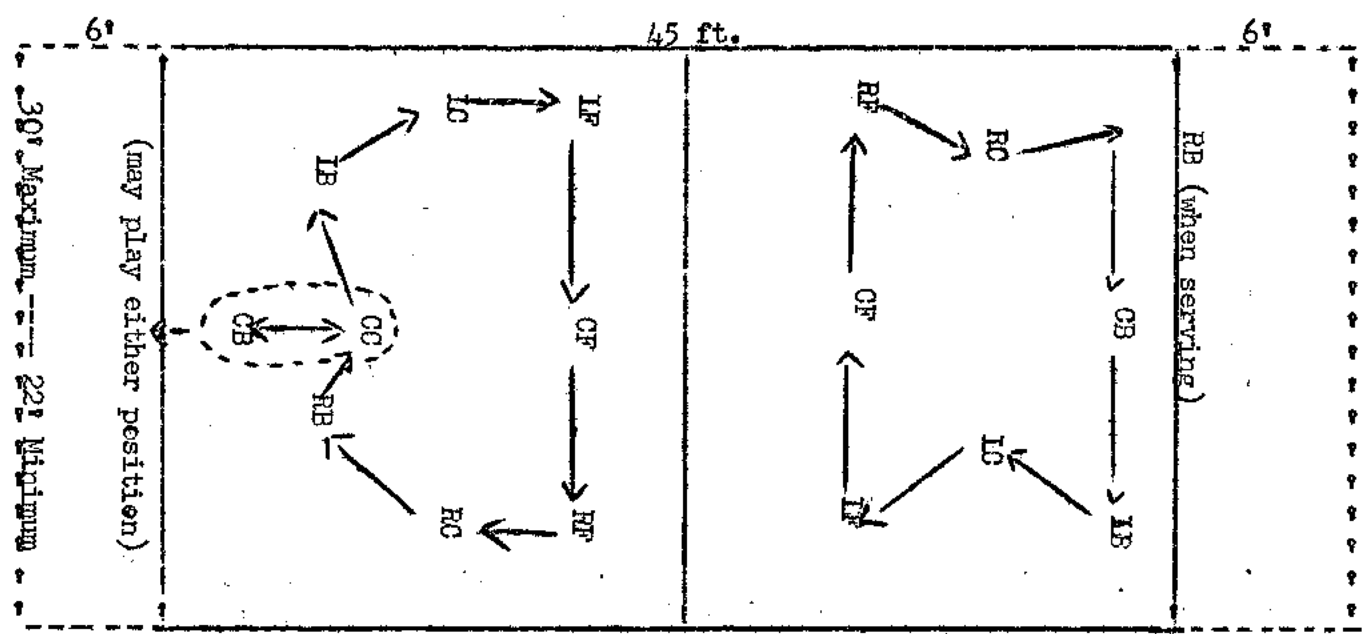

Rule I: Playing Area

- A. Court. The playing surface shall be a rectangular court 45 feet long and 30 feet wide, including outer edge of lines, free from obstructions and having a height of 20 feet or more which is free from apparatus or other obstructions or projections. Local ground rules shall be established, calling for the re-playing of a point, if this 20-foot clearance is not available over the court.
- B. Boundary Lines. The court shall be bounded by lines 2 inches in width (2 inches is recommended, but more narrow lines will be allowed if necessary, to avoid re-painting of existing areas). A center line, also 2 inches in width if possible, is to be painted parallel to the end lines and half-way between the end-lines (this line need not be painted, but the distance measured carefully before placing the standards prior to each game, on courts which serve as basketball floors at other times). The serving area shall be any area behind each end line, with a depth of 6 feet allowed for the serving area if space behind the end lines permits.

Rule II: Net

- A. The net shall be an official volleyball net, 3 feet wide over-all and 32 feet in length when stretched. It is to be stretched tightly by the four corners between the walls or uprights which are to be used, and which must be entirely outside the court. The net is to cross the court midway between the end lines and parallel to them, on a wire cable $\frac{1}{4}$ inch in diameter. The cable is to be drawn tightly so that the top of the net is level and measures 6 feet, 6 inches from the ground to the top at the center.

SEE DIAGRAM BELOW, WHICH SHOWS COURT DIMENSIONS, POSITIONS OF PLAYERS, AND ROTATION OF PLAYERS FOR PURPOSES OF SERVING.

Serving area - to be included as part of court if room is available. If not, server may be allowed to step over end line in order to deliver the serve, but may not step past a point 3 feet inside the line.

Rule III: Ball

- A. The ball shall be an official white rubber volleyball, obtainable at any sporting goods outlet. The ball is to carry six pounds of pressure at all times.

Rule IV: Teams

- A. Number of Players. In all C.Y.O. matches teams shall consist of eight players. A team may not begin with fewer than seven players, and if through injury or disqualification the team is reduced to fewer than seven players, that game shall be forfeited.
- B. Substitution. The following conditions govern substitution of players:
- 1.) The coach or captain may request time-out for substitution from the officials only when the ball has been declared dead.
 - 2.) The incoming player must report to the scorer and both game officials. If she fails to report, her team will be penalized either a point or a "side-out", after which penalty she is considered a legal substitute.
 - 3.) The incoming player must take the position and place in the serving order of the player for whom she is substituting. No change is to be made in the order of rotation, and there can be no substitution made for a server unless substitution is made at least one position before she is to begin serving.
 - 4.) A player may enter the game only twice, and starting the game counts as one entry. After being removed from the game a player may enter it once more, and it is not necessary for a player to return in her original position.
 - 5.) In case of an illegal substitution of a player disqualified for any reason, the offending player shall be replaced by a legal player, and the offending team penalized by the awarding of a point to the opposing team.
- C. Position of Players. Players shall take their positions for the start of the game as indicated in the diagram on Page 1. The positions shall be known by the following names: left forward, center forward, right forward, left center, right center, left back, center back right back.
- 1.) When the ball is served, each player must be in her own area, but after the ball is served, each player may cover any area of her team's court, remembering to move with care outside her own area, and moving as the play dictates.
 - 2.) At the time of serve, all players must be inside the court except the server, but a player may leave the court to play the ball.
 - 3.) There shall be no position changes between two players already in the game.

Rule V: Definition of Terms

- A. Catching or holding. Player lifts, scoops, shoves or rests the ball momentarily in hands.
- B. Dead Ball. A ball temporarily out of play.
- C. Foot Fault. Server steps on or over the end line during the act of serving.
- D. Forfeited Game. Occurs when (a) a team has fewer than seven players or (b) a team violates flagrantly standards of sportsmanship as outlined by the C.Y.O. Office. The score of a forfeited game shall be 1-0.
- E. Legal Serve. Putting the ball in play over the net and into the opponents' court by a player from a position anywhere behind the end line.
- F. Match. A team wins two out of three games.
- G. Out of Bounds. Any surface or object outside the court except a player in the act of playing the ball.
- H. Point. Occurs when receiving team fails to return ball legally to opponents' court.

- I. Rotation. The shifting of all players in a clockwise direction to get into position for service as shown in the diagram on Page 1. Also known as the serving order.
- J. Side Out. Occurs when serving team fails to win its point or plays the ball illegally; the ball shall be given to the opposing team to serve.
- K. Term of Service. Server continues to serve until either game official calls side out.
- L. Volley. Consists of one contact with the ball by a player.

Rule VI: Playing the Game

- A. The Game. A game is completed when a team scores a total of 15 points. The winning team must have at least a two-point advantage. If a team is not 2 points ahead when 15 points have been scored by either side, or when 15 minutes of game time, play continues until one team is 2 points ahead.
- B. Scoring. One point shall be counted for the team serving when the receiving team fails to return the ball legally over the net into the serving team's court. Only the serving team can earn points.
- C. Captain's Choice. One of the officials shall toss a coin for the two captains before the game. The winner of the toss may choose to take either the first service during the first game, or the choice of courts; the loser then takes whatever choice is left. At the beginning of subsequent games, the team losing the previous game shall have the first service, but the courts will be alternated according to the first coin toss.
- D. Ball Put in Play. At the opening of the game, the ball shall be put in play by the player in the right back position.
- E. Serving Order. The serving order must be followed by both teams, and all eight players must be included in any serving order. A player has only one term of service each time the serving order is repeated, and a player is not considered to have completed her term of service whenever the service is interrupted by time-out.
- F. Rotation. The team receiving the ball for service at the beginning of a game shall immediately rotate positions as indicated in the diagram on Page 1. After the team that served first has lost the serve, the opponents shall not rotate for their first serve.
- G. Legal Serve. The server may:
 - 1.) Hit the ball directly off the holding hand.
 - 2.) Hit the ball after tossing it directly upward from the holding hand.
 - 3.) Hit the ball with one or both hands, open or closed.
 - 4.) Hit the ball with the forearm.
 - 5.) Step on or over the end line as soon as the ball has been hit.
- H. Serving Out of Turn
 - 1.) If a player serves out of turn, side out shall be called as soon as the mistake is discovered and any points made on the service before the error was discovered shall be cancelled. The serving order is to be corrected immediately.
 - 2.) If the mistake in serving order occurs and is not discovered until after the opponents have gained the ball for service, but before they have begun to serve, the game shall be stopped and all points made by the improper server shall be cancelled. The serving order shall be corrected immediately.
 - 3.) If the mistake in the serving order occurs but is not discovered until after the opponents have served, there shall be no loss of points. On the first dead ball the serving order shall be corrected immediately.
- I. Playing the Ball. The ball must be clearly batted. The ball may be volleyed with one or both hands, open or closed, or with one or both forearms. The ball is dead if it touches any part of the player's body except the hands and forearms.

- J. Four Volleys by Team. The ball may be volleyed only four times before it is sent over the net.
- K. Ball Crossing the Net
- 1.) Some part of the ball must pass over either one of the markers on the net or within the two markers (markers are placed on the net at the point where the net crosses over the sideline).
 - 2.) If on the return the ball touches the net, it must touch the net on or between the markers and go over into the opponents' court.
 - 3.) A ball, except a service, striking the net and going over, is still in play. The service must not touch the net.
 - 4.) The ball may be played when any part of it has crossed the top of the net. It is not essential for the entire ball to be on a player's side of the net before it is played.
- L. Recovery From Net. A ball other than a service may be recovered from the net.
- M. Ball Touching the Boundary Line. A ball touching a boundary line is good.
- N. Dead Ball: The ball is dead:
- 1.) After point or side out is called.
 - 2.) When the ball strikes the floor or an object within the boundary lines, or when the ball strikes the player on court except one who is legally playing the ball.
 - 3.) When it hits outside the court.
 - 4.) After any decision which temporarily suspends play.
- O. Change of Courts. At the end of each game of the same match, teams shall change courts.
- P. Changing Positions. At the beginning of a new game, the players may be rearranged in their positions. The scorers and linesmen shall be notified of change in positions of players and serving order before the game begins.
- Q. Time-Out.
- 1.) Time-out may be called by either of the officials, at their own discretion or at the proper request of the coach or captain of either team.
 - 2.) Time-out may not be called when the ball is in play except in case of an injury to a player. If time-out is called for an injury, the play must be repeated.
 - 3.) Captain of team may call time-out for rest at any time the ball is dead, but may not be requested by the same team for rest more than twice during the game without penalty. A third time-out for rest may be taken by a team while the ball is dead, but this is considered as "delaying the game," and a penalty of either side out or point, depending upon which team takes the extra time-out, shall be imposed by the officials before play is resumed.
 - 4.) Time-out for substitution may not exceed 30 seconds.
 - 5.) Time-out for injury shall not exceed five minutes.
 - 6.) The rest period between games of a match shall not exceed five minutes.
 - 7.) Time-out for rest shall not exceed one minute.

Rule VII: Point, Side Out, and Double Foul

- A. Point. If any player of the receiving team commits any of the following acts, one point shall be scored for the serving team.
- B. Side Out. If any player of the serving team commits any of the following acts, it shall be side out.
- 1.) Serves the ball illegally.
 - a.) Ball is not definitely hit.
 - b.) Ball touches the top of the net.
 - c.) Ball goes into the net.
 - d.) Ball fails to reach the net.
 - e.) Ball strikes an object directly over the court.

- f.) Ball is given impetus by the holding hand.
 - g.) Serve is assisted by another player.
 - h.) Server commits a foot fault.
- 2.) Plays the Ball Illegally.
- a.) Fails to return the ball legally to opponents' court.
 - b.) Catches or holds the ball. A player may not, either on or off the court, catch or touch the ball and call it out.
 - c.) Plays the ball more than once in succession.
 - d.) Volleys the ball a fifth time.
 - e.) Allows the ball to touch any part of the body except hands or forearms.
 - f.) Plays the ball while supported by any player or object.
 - g.) Throws the ball.
 - h.) Kicks the ball.
- 3.) Plays Illegally at Net.
- a.) Holds or pushes the ball against the net.
 - b.) Reaches over the net. Follow-through is permitted unless the player touches the net on the follow-through. The purpose of the follow-through is to direct the volley, but the hand must not remain in contact with the ball.
 - c.) Reaches under the net, which means touching the ball or a player of the opposing team when the ball is in play on that side, or interfering with the play of the opposing team by entering opponents' court.
 - d.) Touches the floor on the opposite side of the center line when the ball is in play. If a player touches the opponents' court in completing a play, it shall be called a foul, even if she does not touch the floor until after the ball has hit the floor.
- 4.) Plays out of Position.
- a.) Fails to be in own area when the ball is served.
- 5.) Enters the Game Illegally.
- a.) Fails to follow the correct procedure for a substitute entering the game.
 - b.) Enters the game a third time.
 - c.) Re-enters the game after being disqualified.
- 6.) Delays the Game
- a.) Persistently consumes excess time before serving the ball.
 - b.) Consumes excess time in rotating position consistently, or in recovering the ball from out of bounds.
 - c.) Leaves the court without permission from the official on her side of the net, except to retrieve the ball.
 - d.) Takes more than the two allotted time-out periods for rest.
 - e.) Takes time beyond the limit of 30 seconds to complete a substitution after the team has had two time-outs.
 - f.) Fails to be ready to play without delay at the beginning of each game.
- C. Double Foul. A double foul shall be called when players on opposing sides commit a foul simultaneously. Also, a foul committed by a player in the same play at the net in which an opponent also commits a foul shall be considered a double foul even if the fouls do not occur at the same instant.
- a.) In case of a double foul the play shall be repeated.

Supplement -- Officials and Their Duties

- A. Officials. The officials shall consist of three people...two umpires and one official scorer. The umpires are also to serve as linesmen, with the official whose team wins the initial coin toss serving as head umpire (or in effect, referee) for the first game of the match, the other as head umpire for the second game, and so on. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. The head umpire for a particular game should do any time-keeping that might be necessary.

The coaches of the competing teams should appoint one man per team to serve as umpire-linesman for the match, and one girl or woman to act as the team's scorer. If the persons who act as the team's officials are not available at any time, the coach is to be the official for the team, and one of the reserve team members the scorer. Under no circumstances should unreliable people be appointed to any of the positions.

B. Duties -- Umpire-Linesman

- 1.) One of these is to toss the coin to determine choice of courts, serving order, head umpire for the first game, head scorer for the match.
- 2.) Decide whether the ball is in play or dead on his area of the court (this area includes the end line on his side of the net, one sideline the whole length of the court, the balance of the court on his side of the net with the opposite sideline excepted).
- 3.) Both of these officials are to station themselves at opposite ends of the court, out of the way of play but somewhat in line with the server, so that each has one end line, one side line and one side of the net in plain view. No official is to station himself on the same side of the net as his team.
- 4.) Decides whether a point or side out has been made and indicate by hand or arm movement plus vocal call.
- 5.) Imposes penalties for all violations of the rules on his side of the net.
- 6.) Blows whistle for time-in and time-out (when allowable) requested by players or coach of team on his side of the net.
- 7.) Recognizes substitutes and call time-out for substitution, making sure that substitutes are entered in the score book and that the number of entries per player is properly recorded.
- 8.) Calls fouls and, if necessary, blows whistle when a foul has been made on his side of the net.
- 9.) Makes any decisions on rules violations from the time the game begins until the scorebook is signed (with consultation with the other umpire-linesman as necessary). These decisions shall include acts on or off the court during playing time, time-out, or between games. Officials must always be sure that a copy of the official C.Y.O. rules is available at the court to support any decision, with the rule-book of the C.Y.O. always serving as the final authority, subject to final interpretation of the C.Y.O. Office.
- 10.) Checks and announces the score at the end of each game in which he is serving as head umpire.
- 11.) Makes decisions on points not covered in the rules, preferably after consultation with the other umpire-linesman.
- 12.) At the request of a captain, announces the score during a time-out or when the ball is dead, if a scoreboard is not used or not visible.
- 13.) Signs scorebook at end of each game in which he is the head umpire. At the end of the match, both umpires are to sign the scorebook.

- 14.) Signals or calls "Good" or "Out" when ever the ball strikes the floor near the side line or end line which is his responsibility.
- 15.) Assists the scorer in seeing that players follow the serving order and rotate in order according to the line-up received from the scorer.
- 16.) When acting as head umpire, keeps a watch on all time-outs and rest periods taken for any allowable reason, making sure that time limits proscribed in the rules are not exceeded. Whistle is to be sounded at the beginning and end of each time-out, and at the end of the game and match.

C. Duties....Scorer(s)

- 1.) One scorer (depending on the outcome of the coin toss), is to serve as the official scorer. The other is the assistant, and is to check on the official scorer. There shall be no change in scorers during the course of the game except for reasons of inefficiency, or in the case of scorer entering the game as a substitute.
- 2.) Keeps the official score of the game.
- 3.) Before each match, secures from each coach or captain the names of players, names of reserve players, and serving order of each team, and enters them in the scorebook.
- 4.) Checks to see that players follow the proper serving and rotation order.

D. Decisions (Covers all officials insofar as the extend of their duties is concerned.)

- 1.) Matters of fact. Decisions of the officials as to matters of fact are final.
- 2.) Interpretation. The captain of a team must question a decision involving interpretation of a rule at once, (before the next play begins), if an official protest is to be filed later.
- 3.) Protests. When a question pertaining to interpretation of the rules has not been settled, but is to be carried to the C.Y.O. Office, the game shall proceed to its conclusion, and the coach of the team desiring to protest shall file such protest in writing with the C.Y.O. Office within 24 hours after the conclusion of the game, citing the specific rule involved and the specific manner in which the official concerned failed to offer proper interpretation.

E. Simultaneous Contact (To be called by either Umpire-lineman in the proper area)

- 1.) If two or more players of the same team contact the ball simultaneously, it is considered one play and players involved may participate in the next play. This next play should be counted as an additional volley.
- 2.) If two or more players from opposing teams contact the ball simultaneously above the net, this simultaneous contact shall not be considered as one of the four volleys allowed a team; the players involved are eligible to participate in the next play, which shall be considered the first of four volleys allowed to the team.

F. Conduct of Players, Substitutes, Coaches, Spectators

- 1.) It should be pointed out that, with the usual C.Y.O. standards of sportsmanship in mind, the following acts are not to be tolerated, and the C.Y.O. Office will take the measures necessary to combat any outbreak of such acts:
 - a.) Players, coaches, or fans are not to question officials constantly in regard to decisions.
 - b.) They are not to make derogatory remarks about or to officials.
 - c.) They are not to commit acts which are derogatory to officials or which tend to influence their decisions.
 - d.) They are not to make personal or derogatory remarks about or to opponents.

- e.) Coaches are not to enter the court to coach during a time-out.
- f.) Coaches, players, and fans are not to make any derogatory remarks about or to opponents.
- g.) Any kind of bad language is not permissible under any circumstances.
- h.) Any examples of bad sportsmanship not mentioned here are to be reported to the C.Y.O. Office for handling.

SPECIAL NOTE: Since the sport of volleyball for Cadet girls is just getting underway in C.Y.O. circles, it is important that we take pains to constantly give good example as adults dealing with children, and therefore avoid later problems which could endanger the existence of the sport and force the C.Y.O. Office to recommend paid officials, thereby increasing the cost of the sport to such an extent that it might become impossible for some parishes to participate. Paid officials are desirable in many cases, and may prove to be ideal for volleyball at a later date (when parishes have their youth programs on a consistently sound financial basis), but we cannot afford to make such a move at the present time. Your cooperation at the beginning will make the operation of an excellent volleyball program a simple matter, and the program will help us fill a huge gap between kickball seasons for the girls.

Play-Off Game for Championship
 St. Philip vs. St. Catherine

SPECIAL NOTES:

- 1.) Official C.Y.O. Rules and Regulations for Girls' Volleyball will apply to the league. Please familiarize yourself with these rules to avoid problems.
- 2.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
- 3.) All matches are to be played on a best two-of-three-games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you're finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 4.) All matches should be started on time. Fifteen minutes' grace will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 5.) Each team is to meet every other team in the league twice during the season, which provides for a good number of matches. All games have been scheduled on Tuesdays and Fridays, at St. Joan of Arc, St. Philip Neri, ~~and~~ Holy Spirit, *Little Manon and St. Anthony.* Except for a serious reason, you are to play your games as scheduled. If, however, a conflict arises before the day of a particular match, you may make arrangements to make up that match with the other team, notify the C.Y.O. Office, and a postponement will be allowed.
- 6.) A tournament will be scheduled at the conclusion of the league season, if you think it would be an interesting addition to the season. Parishes which don't have teams in the league will be eligible to enter the tournament, as a means of stimulating further interest in the sport.
- 7.) We hope you realize that this is the ~~first~~ ^{Continued} ~~second~~ season for Cadet Girls' Volleyball, and that the future of the sport depends entirely on how you coaches and Priest Moderators help us operate the league. We honestly feel that this could become one of our finest activities, and one of the most popular. ~~But the first season must be run off smoothly, and we will need assistance in finding sites for an expanded league next year. Please help us.~~ *with your assistance*
- 8.) Scores are to be called in by the winning coach after the game to Bill Sahn (At. 3-7250), Bill Kuntz (St. 6-7958), or to the C.Y.O. Office (Me. 2-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match. *Bill Sahn, Ch. 1-5538;*
- 9.) If you have any questions or problems, please call us. Our plan is to allow the season to get underway, then schedule a mid-season meeting with all coaches if a goodly number of mis-understandings has arisen, or if the rules could stand some further interpretation. We think they're pretty clear, especially since most of you have been through the ~~experimental tournament last spring.~~ *will be held* But we're willing to meet with you at any time for the purpose of making the league more sound.

SPECIAL NOTES:

- 1.) Official C.Y.O. Rules and Regulations for Girl's Volleyball will apply to the league. Please familiarize yourself with these rules to avoid problems.
- 2.) We have divided the schedule into two halves, with standings to be kept separately for each half of the season. This gives a better opportunity for more trophies for the schools, and helps the parish which has trouble getting started. A champion and runner-up will be declared for each half of the season. At the end of the season, if the two champions are not the same team, a play-off for the league title will be scheduled.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
- 4.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 5.) All matches should be started on time. Fifteen minutes' grace will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 6.) Each team is to meet every other team in the league twice during the season, which provides for a good number of matches. All games have been scheduled on Tuesdays and Fridays, at St. Joan of Arc, St. Philip Neri, Holy Spirit, Little Flower, and St. Anthony. Except for a serious reason, you are to play your games as scheduled. If, however, a conflict arises before the day of a particular match, you may make arrangements to make up that match with the other team, notify the C.Y.O. Office, and a postponement will be allowed.
- 7.) A tournament may be scheduled at the conclusion of the league season, but only if you think it would be an interesting addition to the season. Parishes which don't have teams in the league will be eligible to enter the tournament, as a means of stimulating further interest in the sport.
- 8.) This is the third season for Cadet Girls' Volleyball, and the future of the sport continues to depend entirely on how you coaches and Priest Moderators help us operate the league. We honestly feel that this will become one of our finest activities, and one of the most popular, with your assistance.
- 9.) Scores are to be called in by the winning coach after the game to Bill Sahn (At. 3-7250), Bill Kuntz (St. 6-7958), Bill Sylvester (Cl. 1-5538); or to the C.Y.O. Office (Me. 2-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.

10.) If you have any questions or problems, please call us. Our plan is to allow the season to get underway, then schedule a mid-season meeting with all coaches if a lot of mis-understandings have arisen, or if the rules could stand some further interpretation. We think they're pretty clear, especially since most of you have been through the mill before. But we're willing to meet with you at any time for the purpose of making the league more sound.

10.) If you have any questions or problems, please call us. SPECIAL NOTES:

- 1.) Official C.Y.O. Rules and Regulations for Girl's Volleyball will apply to the league. Please familiarize yourself with these rules to avoid problems.
- 2.) We have divided the league into two divisions, with each team playing every other team in its division twice. At the end of the season, two champions will play for the league Championship.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
- 4.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 5.) All matches should be started on time. Fifteen minutes' grace will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 6.) All games have been scheduled on Tuesdays, Thursdays, and Fridays, at St. Joan of Arc, St. Philip Neri, Holy Spirit, Little Flower, Holy Trinity, and St. Rita. Except for a serious reason, you are to play your games as scheduled. If, however, a conflict arises before the day of a particular match, you may make arrangements to make up that match with the other team, notify the C.Y.O. Office, and a postponement will be allowed.
- 7.) A tournament may be scheduled at the conclusion of the league season, but only if you think it would be an interesting addition to the season. Parishes which don't have teams in the league will be eligible to enter the tournament, as a means of stimulating further interest in the sport.
- 8.) This is the fourth season for Cadet Girls' Volleyball, and the future of the sport continues to depend entirely on how you coaches and Priest Moderators help us operate the league. We honestly feel that this will become one of our finest activities, and one of the most popular, with your assistance.
- 9.) Scores are to be called in by the winning coach after the game to Bill Sahn (At. 3-7250), Bill Kuntz (St. 6-7958), or to the C.Y.O. Office (Me. 2-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.

C.Y.O. CADET GIRLS' VOLLEYBALL TOURNAMENT

1965

All Matches Will Be Played At St. Philip Neri

Matches will be played on the same basis as during the regular season, with each team providing one official. Championship, Runner-up, Third Place and Fourth Place trophies will be presented on the final night of the tournament. C.Y.O. Volleyball Rules will apply for the tournament. Adult and student spectators are welcome.

SPECIAL NOTES:

- 1.) Official C.Y.O. Rules and Regulations for Girl's Volleyball will apply to the league. Please familiarize yourself with these rules to avoid problems.
- 2.) We have divided the league into three divisions, with each team playing every other team in its division twice. At the end of the season, the three champions will play for the league Championship.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a lineman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
- 4.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 5.) All matches should be started on time. Fifteen minutes' grace will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 6.) All games have been scheduled on Tuesdays, Thursdays, and Fridays, at St. Thomas, Holy Cross, St. Joan of Arc, St. Philip Neri, Holy Spirit, Little Flower, Holy Trinity, St. Rita, and the Garfield Park Community Center. Except for a serious reason, you are to play your games as scheduled. If, however, a conflict arises before the day of a particular match, you may make arrangements to make up that match with the other team, notify the C.Y.O. Office, and a postponement will be allowed.
- 7.) A tournament will be scheduled at the conclusion of the league season, and we hope every team takes part. Parishes which don't have teams in the league will be eligible to enter the tournament as a means of stimulating further interest in the sport.
- 8.) This is the fifth season for Cadet Girls' Volleyball, and the future of the sport looks very bright now. We honestly feel that this will become one of our finest activities, and one of the most popular, with your assistance.
- 9.) Scores are to be called in by the winning coach after the game to Bill Sahn (253-4633), Bill Kuntz (786-7958), or to the C.Y.O. Office (632-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.

SPECIAL NOTES:

- 1.) Official C.Y.O. Rules and Regulations for Girls' Volleyball will apply to the league. Please familiarize yourself with these rules to avoid problems.
- 2.) We have divided the league into three divisions, with each team playing every other team in its division twice. At the end of the season, the three champions will play for the league Championship.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a lineman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
- 4.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 5.) All matches should be started on time. Fifteen minutes' grace will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 6.) All games have been scheduled on Tuesdays, Thursdays, and Fridays, at St. Thomas, Holy Cross, St. Joan of Arc, St. Philip Neri, Holy Spirit, Little Flower, Holy Trinity, St. Rita, Our Lady of Greenwood, Our Lady of Lourdes, and the Garfield Park Community Center. Except for a serious reason, you are to play your games as scheduled. If, however, a conflict arises before the day of a particular match, you may make arrangements to make up that match with the other team, notify the C.Y.O. Office, and a postponement will be allowed.
- 7.) A tournament will be scheduled at the conclusion of the league season, and we hope every team takes part. Parishes which don't have teams in the league will be eligible to enter the tournament as a means of stimulating further interest in the sport.
- 8.) This is the sixth season for Cadet Girls' Volleyball, and the future of the sport looks very bright now. We honestly feel that this is becoming one of our finest activities, and one of the most popular, with your assistance.
- 9.) Scores are to be called in by the winning coach after the game to Bill Sahn (253-4633), Bill Kuntz (786-7958), or to the C.Y.O. Office (632-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.

SPECIAL NOTES:

- 1.) Official C.Y.O. Rules and Regulations for Girls' Volleyball will apply to the league. They are newly revised, so it's important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the Voit #LV-4, available at any sporting good store. This is the only ball that may be used in a C.Y.O. League or Tournament game.
- 2.) We have divided the league into three divisions, with each team playing every other team in its division twice. At the end of the season, the three champions will play for the league Championship, with one team drawing a bye, the other two playing in the first round and the winner playing the bye team.
- 3.) There will be no paid officials for the league. Where possible, Scecina G.A.A. students will act as officials which should help our situation. Two girls will be assigned to each game. We will notify each home team when the girls are not available, in which case, each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
- 4.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 5.) All matches should be started on time. Fifteen minutes' grace will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 6.) All games have been scheduled on Tuesdays, Wednesdays, Thursdays and Fridays, at St. Thomas, Holy Cross, St. Joan of Arc, St. Philip Neri, Holy Spirit, Little Flower, Holy Trinity, St. Rita, Our Lady of Greenwood, Our Lady of Lourdes, St. Andrew and the Garfield Park Community Center. Except for a serious reason, you are to play your games as scheduled. If, however, a conflict arises before the day of a particular match, you may make arrangements to make up that match with the other team, notify the C.Y.O. Office, and a postponement will be allowed.

C.Y.O. Cadet Volleyball League
Special Notes (Con't.)

- 7.) A tournament will be scheduled at the conclusion of the league season, and we hope every team takes part. Parishes which don't have teams in the league will be eligible to enter the tournament as a means of stimulating further interest in the sport.
- 8.) Scores are to be called in by the winning coach right after the match to Bill Sahm (253-4633) or to Bill Kuntz (786-7958). If necessary you may call the C.Y.O. Office (632-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.
- 9.) The following academic eligibility rule is in effect for all pupils participating in C.Y.O. Athletics (see School Office Handbook). "Pupils who receive a grade of 4 (failure due to lack of effort) in a course become ineligible for participation in sports.
 - a.) Any pupil receiving such a grade becomes ineligible at the end of that grading period (not necessarily when the report card is received), and he or she remains ineligible from that point until the end of the next grading period, unless improvement in the pupil's effort gives sufficient cause for the lifting of the ineligibility. The teachers and principal should decide this.
 - b.) If a pupil is passed to the next grade at the end of the school year, he or she is automatically eligible for Fall sports at the start of the next year."
- 10.) An eligibility blank for each player on the Cadet team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade this school year, so that the C.Y.O. Office will have on file the correct age and grade for every girl in the league, plus written permission by the parents for the girl to play. The physician's certificate is purely optional for each parish. Physical examinations are not as yet required for the girls. These blanks must be turned in to the C.Y.O. Office by Friday, January 31, at the latest.
 - a.) It should be noted here that the eligibility blank, once it's filled out and turned in for any girl, is in effect for the entire school year, and no additional permission is needed for that girl in any sport. Any girl who had a blank filled out for Kickball does not need another. You are to list the names of all girls on your squad on the roster blank, which is to be turned in with any eligibility blanks on January 31.
- 11.) Be sure all court lines are painted or marked clearly. This is not a difficult job.

Playing Wed

SPECIAL NOTES:

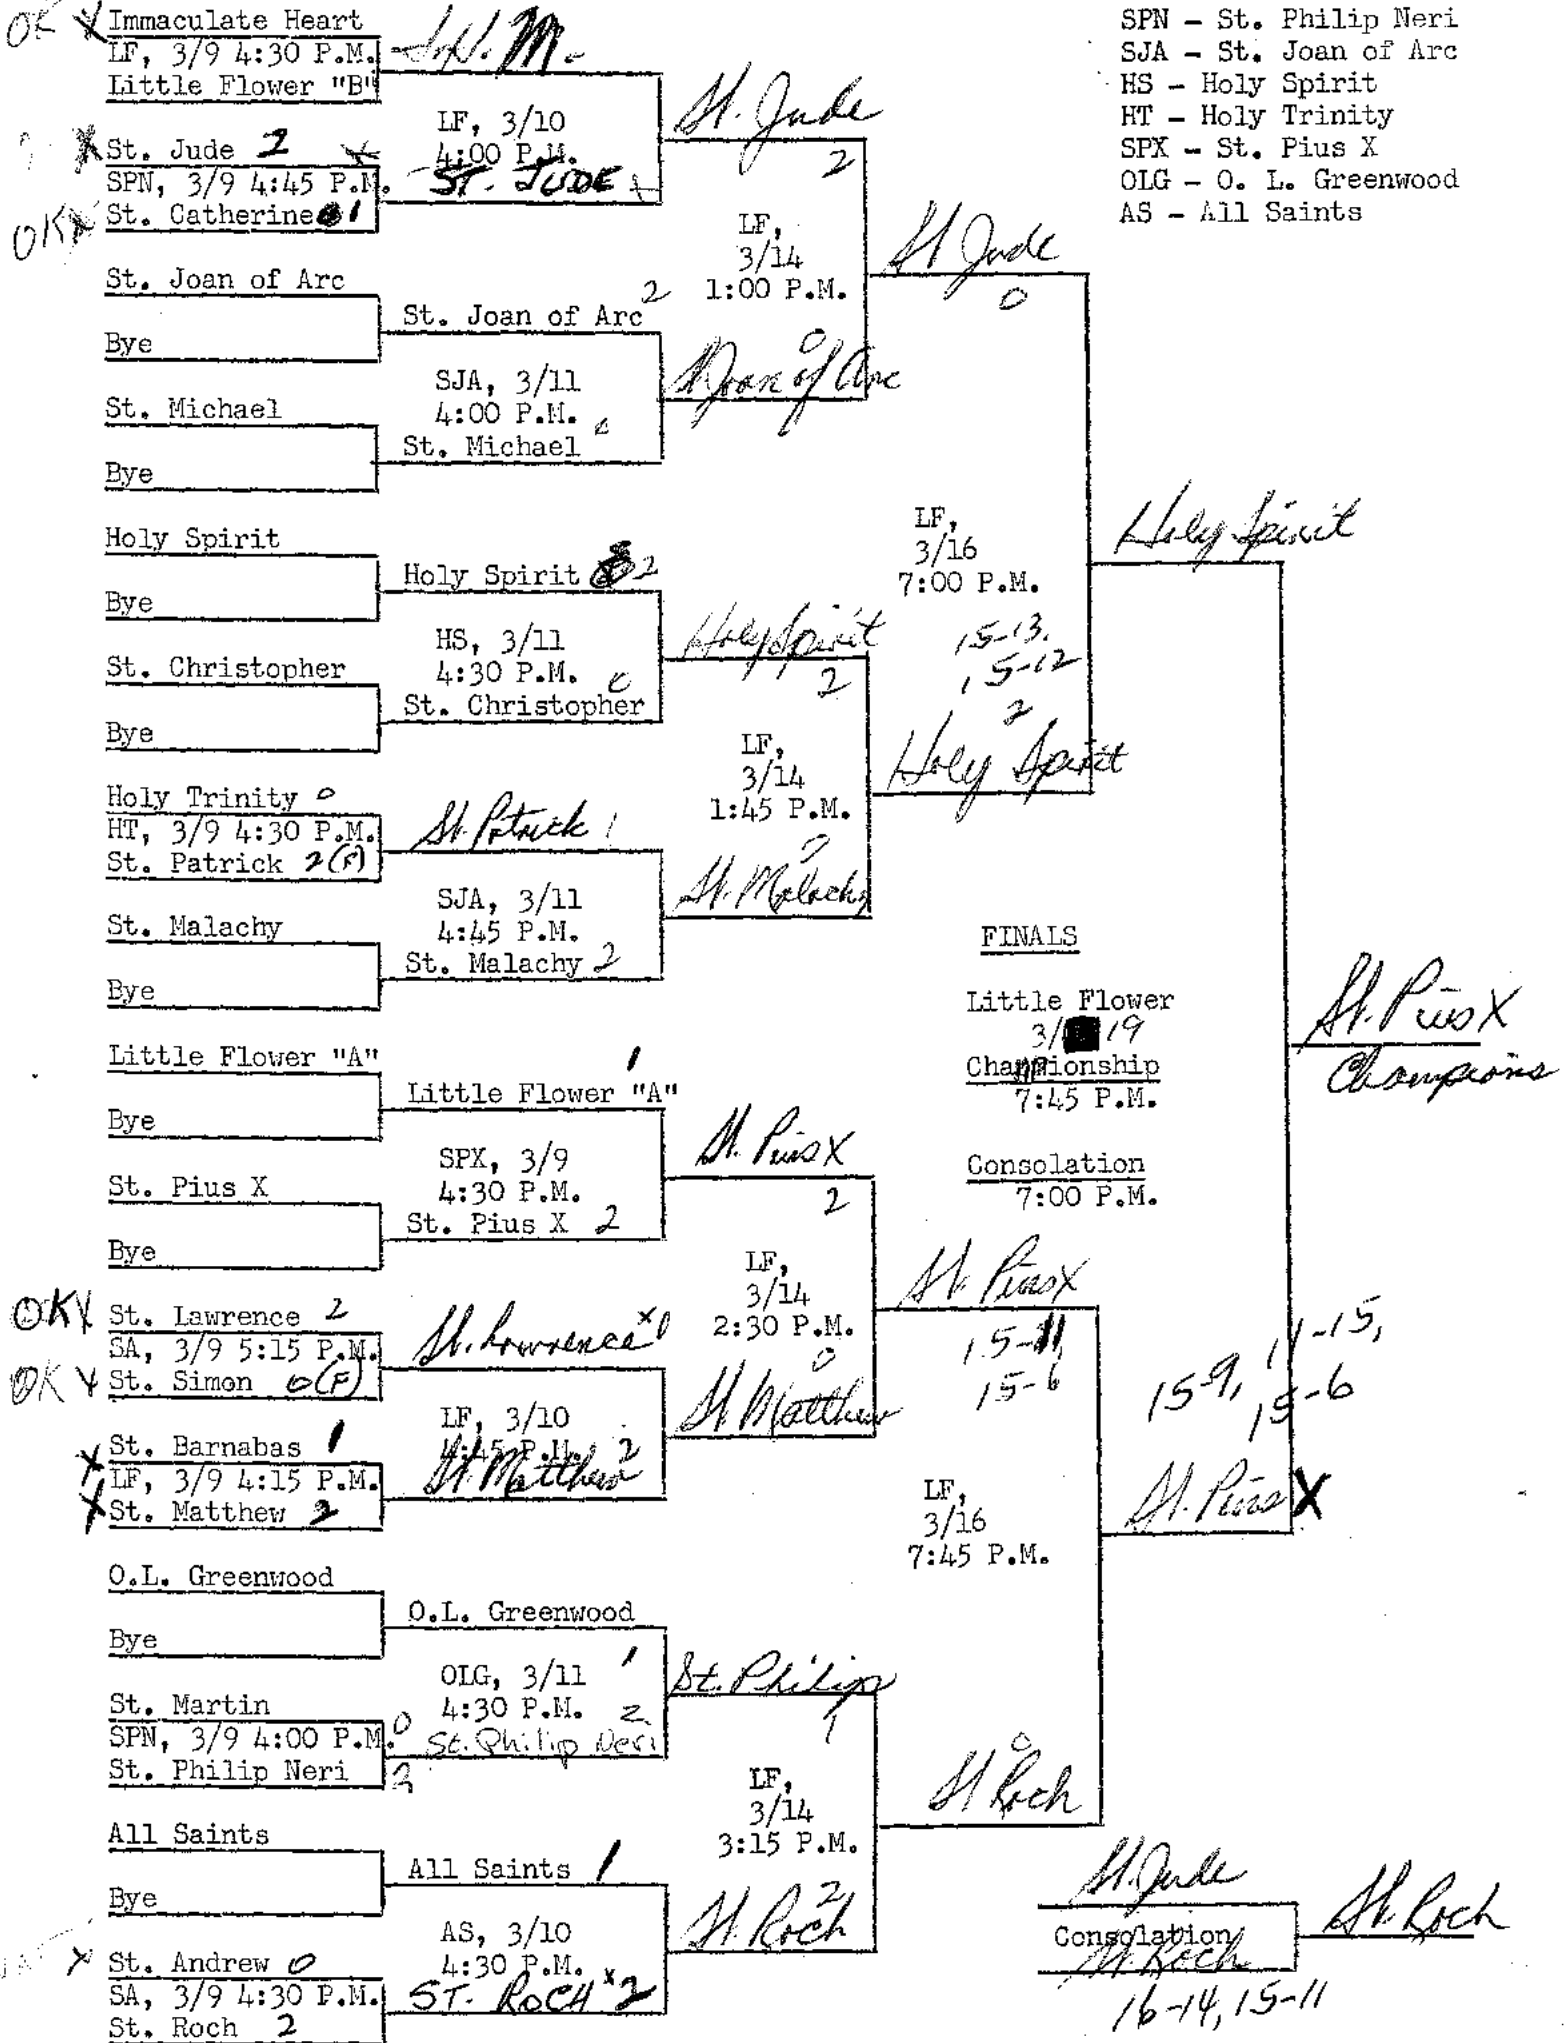

- 1.) Official C.Y.O. Rules and Regulations for Girls' Volleyball will apply to the league. They were revised only last year, so it's important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the Voit #LV-4, available at any sporting good store. This is the only ball that may be used in a C.Y.O. League or Tournament game.
- 2.) We have divided the league into three divisions, with each team playing every other team in its division twice. At the end of the season, the three champions will play for the league Championship, with one team drawing a bye, the other two playing in the first round and the winner playing the bye team.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
- 4.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 5.) All matches should be started on time. Fifteen minutes' grace will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 6.) All games have been scheduled on Tuesdays, Wednesdays, Thursdays, and Fridays at St. Thomas, Holy Cross, St. Joan of Arc, St. Philip Neri, Holy Spirit, Little Flower, St. Rita, Our Lady of Greenwood, Our Lady of Lourdes, St. Andrew, St. Pius X, and the Fletcher Place Community Center. Except for a serious reason, you are to play your games as scheduled. If however, a conflict arises before the day of a particular match, you may make arrangements to make up that match with the other team, notify the C.Y.O. Office, and a postponement will be allowed.
- 7.) A tournament will be scheduled at the conclusion of the league season, and we hope every team takes part. Parishes which don't have teams in the league will be eligible to enter the tournament as a means of stimulating further interest in the sport.
- 8.) Scores are to be called in by the winning coach right after the match to Bill Sahm (253-4633) or to Bill Kuntz (786-7958). If necessary you may call the C.Y.O. Office (632-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.
- 9.) The following academic eligibility rule is in effect for all pupils participating in C.Y.O. Athletics (see School Office Handbook): "Pupils who receive a grade of D (Failure due to lack of effort) in a course become ineligible for participation in sports.

- a.) Any pupil receiving such a grade becomes ineligible at the end of that grading period (not necessarily when the report card is received), and he or she remains ineligible from that point until the end of the next grading period, unless improvement in the pupil's effort gives sufficient cause for the lifting of the ineligibility. The teachers and principal should decide this.
- b.) If a pupil is passed to the next grade at the end of the school year, he or she is automatically eligible for Fall sports at the start of the next year."
- 10.) An eligibility blank for each player on the Cadet team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade this school year, so that the C.Y.O. Office will have on file the correct age and grade for every girl in the league, plus written permission by the parents for the girl to play. The physician's certificate is purely optional for each parish, since physical examinations are not as yet required for the girls. These blanks must be turned in to the C.Y.O. Office by Friday, January 30, at the latest.
- a.) It should be noted here that the eligibility blank, once it's filled out and turned in for any girl, is in effect for the entire school year, and no additional permission is needed for that girl in any sport. Any girl who had a blank filled out for Kickball does not need another. You are to list the names of all girls on your squad on the roster blank, which is to be turned in with any eligibility blanks on January 30.
- 11.) Be sure all court lines are painted or marked clearly. This is not a difficult job.

SPECIAL NOTES:

- 1.) Official CYO Rules and Regulations for Girls' Volleyball will apply to the league. They were revised two years ago, and it's important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the Voit #LV-4, available at any sporting good store. This is the only ball that may be used in a CYO League or Tournament game.
- 2.) We have divided the league into four divisions, with each team playing every other team in its division twice. At the end of the season, the four champions will play for the League Championship, with Division One meeting Division Two and Division Three playing Division Four. Then, the two winners meet in the championship game, while the losers play for third place.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers, and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (Preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.

- a.) If we are able to line up help from one of the High School G. A. A., as was the case last year, the teams affected by this will be notified.
- 4.) The dates on this schedule are to be followed insofar as is humanly possible, simply because any postponement creates a rescheduling problem. However, since we don't use scheduled or paid officials in most cases, postponing games is somewhat less a problem than in kickball. Therefore, if you are not able to play a match on the scheduled day, please make arrangements with the opposing coach for the postponement, and at the time you call that person be sure to line up the make-up game as well. Always notify the CYO Office when arranging a postponement or a make-up, because we will be calling you for a score when you haven't played a game, and notifying us will help us avoid the unnecessary call.
- 5.) If uniform shirts are worn, CYO patches are required. They are to be sewn on the left shoulder of the shirt, two inches below the shoulder seam, on the outside of the arm.
6. Each parish will be billed for the league entry fee at the end of the season, unless the fee was paid at the time of entry. The Participant's Registration Fee, however, (see #14 below), is to be paid at the time designated by the CYO Office, and may not be billed to the parish after the season.
- 7.) The usual rules of sportsmanship for CYO Athletics apply for the league. Coaches are to refrain from outbursts against umpires, opposing coaches, and players, and the same restrictions apply to players and fans. Coaches and Priest Moderators are responsible for seeing that boys in the crowd, a real nuisance sometimes, refrain from name-calling tactics with girls on either team.
- 8.) All matches are to be played on a besttwo of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 9.) All matches should be started on time. A half-hour grace period will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 10.) All games have been scheduled on Tuesdays, Wednesdays, Thursdays, and Fridays at St. Thomas, St. Joan of Arc, St. Philip Neri, Holy Spirit, Little Flower, St. Rita, Our Lady of Greenwood, Our Lady of Lourdes, Holy Trinity, All Saints (St. Anthony), St. Andrew, St. Pius X, and Sandorf Park School #19. Except for a serious reason, you are to play your games as scheduled. If however, a conflict arises before the day of a particular match, you may make arrangements to make up that match with the other team, notify the CYO Office, and a postponement will be allowed, as noted in #4.
- 11.) A tournament will be scheduled at the conclusion of the league season, and we hope every team takes part. Parishes which don't have teams in the league will be eligible to enter the tournament as a means of stimulating further interest in the sport.

- 12.) Scores are to be called in by the winning coach right after the match to Bill Sahm (253-4633) or to Bill Kuntz (786-7958). If necessary you may call the CYO Office (632-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.
- 13.) The academic eligibility rule which has been in effect for a number of years no longer is valid. The School Office changed the grading system for the current school year, eliminating the numbers having to do with effort that formerly were placed behind the letter grade. As a result, since our rule was based totally on effort, and since the "4" no longer appears on the card, we must change the rule.

Acting on the advice of the School Office, we have attempted to provide a sensible rule for everyone, as follows: If a pupil receives an "F" in an academic subject, and at the same time is guilty of failing due to lack of effort (in the opinion of the teacher), that pupil is subject to being declared ineligible for the grading period. The teacher is to confer with the parents of the pupil before the penalty is exacted.

- a.) Any pupil declared ineligible becomes ineligible at the end of a particular grading period (not necessarily when the report card is received), and he or she remains ineligible from that point until the end of the next grading period, except that ineligibility may be lifted before the end of the period if the pupil's effort improves. The teacher and parents are to decide this, but in no case may the period of suspension be less than three weeks.
- b.) The question arises concerning whether the student declared ineligible can still PRACTICE with the team while trying to give sufficient cause for the lifting of the suspension. The answer is left to the parents of the pupil involved as to whether he or she can practice. However, the period of time in which the improvement in the pupil's effort must be shown to the teachers and principal must NOT BE LESS than three weeks. During this time the pupil may not participate in any regularly-scheduled games, meets or tournaments, even if the parents allow him or her to continue practicing.
- c.) If a pupil is passed to the next grade at the end of the school year, he or she automatically is eligible for Fall Sports at the start of the next school year.
- 14.) Each player on every squad in the league is to pay a "Participant's Registration Fee" of 50¢ in order to participate in CYO Volleyball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office, along with the eligibility blanks and squad roster blank (see below) on or before Friday, January 22.
- 15.) An eligibility blank for each player is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade in school, so that the CYO will have on file the correct age and grade for every girl in the league, plus written permission from the parents for the girl to play. The physician's certificate is purely optional for each parish, since physical examinations are not required for the girls.
- a.) All names of players on the squad are to be listed on the furnished roster blank, and this blank is to be turned in, along with the eligibility blanks and the Participant's Registration Fees, on or before Friday, January 22.

- b.) Players may be added to the roster at any time during the season or tournaments, as long as the eligibility blank is completed and turned in, the Participant's Registration Fee is paid, and the names are filed with the CYO Office before they participate in a league or tournament match.
- 16.) If a parish has two Cadet Volleyball teams, "A" and "B", a player may begin the season with either of the two teams and may be switched from one team to the other one time only, after participating in a regular season match. All such changes must be announced to the CYO Office before the player participates in a regular-season match for her new team. All such changes must be completed on or before Thursday, February 4, after which time all rosters are frozen.
- 17.) Be sure all court lines are painted or marked clearly. This is not a difficult job.

CYO Cadet Volleyball League

SPECIAL NOTES:

- 1.) Official CYO Rules and Regulations for Girls' Volleyball will apply to the league. They were revised three years ago, and it's important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the Voit #LV-4, available at any sporting good store. This is the only ball that may be used in a CYO League or Tournament game.
- 2.) We have divided the league into four divisions, with each team playing every other team in its division twice. At the end of the season, the four champions will play for the League Championship, with Division One meeting Division Three and Division Two playing Division Four. Then, the two winners meet in the championship game, while the losers play for third place.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
 - a.) If we are able to line up help from any of the High School G.A.A., as was the case last year, the teams affected by this will be notified.
- 4.) The dates on this schedule are to be followed insofar as is humanly possible, simply because any postponement creates a rescheduling problem. However, since we don't use scheduled or paid officials in most cases, postponing games is somewhat less a problem than in kickball. Therefore, if you are not able to play a match on the scheduled day, please make arrangements with the opposing coach for the postponement, and at the time you call that person be sure to line up the make-up game as well. Always notify the CYO Office when arranging a postponement or a make-up, because we will be calling you for a score when you haven't played a game, and notifying us will help us avoid the unnecessary call.
- 5.) If uniform shirts are worn, CYO patches are required. They are to be sewn on the left shoulder of the shirt, two inches below the shoulder seam, on the outside of the arm.
- 6.) Each parish will be billed for the league entry fee at the end of the season, unless the fee was paid at the time of entry. The Participant's Registration Fee, however, (see #14 below), is to be paid at the time designated by the CYO Office, and may not be billed to the parish after the season.
- 7.) The usual rules of sportsmanship for CYO Athletics apply for the league. Coaches are to refrain from outbursts against umpires, opposing coaches, and players, and the same restrictions apply to players and fans. Coaches and Priest Moderators are responsible for seeing that boys in the crowd, a real nuisance sometimes, refrain from name-calling tactics with girls on either team.

NOTE: Thursday, March 9th are inter-league games. They are being played with teams in Division #2. They will count in the regular league standings.

CYO Junior Volleyball League

SPECIAL NOTES:

- 1.) Official CYO Rules and Regulations for Girls' Volleyball will apply to the league. They were revised three years ago, and it's important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the Voit #LV-4, available at any sporting good store. This is the only ball that may be used in a CYO League or Tournament game.
- 2.) We have divided the league into three divisions with Division One playing only teams in its own division and Divisions Two and Three playing one inter-divisional game and then the teams in its own division with all games counting in the league standings. At the end of the season the division winners will play for the League Championship. Division One will play Division Three and the winner will play the Division Two Champion for the Championship. There will not be a Post-Season Tournament due to the fact that the St. Joan of Arc Tournament has already been played.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers and both should keep identical score-books, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferably) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
- 4.) The dates on this on this schedule are to be followed insofar as is humanly possible, simply because any postponement creates a rescheduling problem. However, since we don't use scheduled or paid officials in most cases, postponing games is somewhat less a problem than in kickball. Therefore, if you are not able to play a match on the scheduled day, please make arrangements with the opposing coach for the postponement, and at the time you call that person be sure to line up the make-up game as well. Always notify the CYO Office when arranging a postponement or a make-up, because we will be calling you for a score when you haven't played a game, and notifying us will help us avoid the unnecessary call.
- 5.) If uniform shirts are worn, CYO patches are required. They are to be sewn on the left shoulder of the shirt, two inches below the shoulder seam, on the outside of the arm.
- 6.) Each parish will be billed for the league entry fee at the end of the season, unless the fee was paid at the time of entry. The Participant's Registration Fee, however, (see #14 below), is to be paid at the time designated by the CYO Office, and may not be billed to the parish after the season.
- 7.) The usual rules of sportsmanship for CYO Athletics apply for the league. Coaches are to refrain from outbursts against umpires, opposing coaches, and players, and the same restrictions apply to players and fans. Coaches and Priest Moderators are responsible for seeing that boys in the crowd, a real nuisance sometimes, refrain from name-calling tactics with girls on either team.

CYO Junior Volleyball League
Special Notes (Contd.)

- 8.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
- 9.) All matches should be started on time. A half-hour grace period will be allowed before a match is forfeited, however. If you find that you are going to be late for a match, because of bad weather or some other trouble, please telephone ahead, and the match can be started up to a half-hour after the scheduled time.
- 10.) Scores are to be called in by the winning coach right after the match to Bill Sahn (253-4633) or Major Schnieders (251-2033). If necessary you may call the CYO Office (632-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.
- 11.) The following are eligible:
 - a.) Junior CYO members, either actually attending a high school or having graduated from grade school not before June, 1968.
- 12.) A team is allowed not more than two girls from outside the parish on its roster. In all such cases written permission from the Priest Moderators of both parishes must be attached to the roster blank. Non-Catholic girls are allowed to play in the Junior CYO League on the usual basis: That they are considered as part of the parish if they live within the parish boundaries, although they should be CYO members. If they live outside the parish boundaries they must be members of the parish Junior CYO unit at least one month before participating in a Junior Kickball game for that parish team.
- 13.) New girls, who are eligible for Junior Kickball, and who previously haven't played on any parish team, may be added to the roster at any time during the season, as long as eligibility blanks are completed, the Participant's Registration Fees are paid, and the names are filed with the CYO Office before they participate in a league game.
- 14.) Each player on every squad in the league is to pay a "Participant's Registration Fee" of 50¢ in order to participate in CYO Volleyball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office, along with the eligibility blanks and squad roster blank (see below) on or before Monday, March 13.
- 15.) An eligibility blank for each player is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade in school, so that the CYO will have on file the correct age and grade for every girl in the league, plus written permission from the parents for the girl to play. The physician's certificate is purely optional for each parish, since physical examinations are not required for the girls.
 - a.) All names of players on the squad are to be listed on the furnished roster blank, and this blank is to be turned in, along with the eligibility blanks and the Participant's Registration Fees, on or before Monday, March 13.

CYO Junior Volleyball League
Special Notes (Contd.)

- b.) Players may be added to the roster at any time during the season or tournaments, as long as the eligibility blank is completed and turned in, the Participant's Registration Fee is paid, and the names are filed with the CYO Office before they participate in a league match.
- 16.) Be sure all court lines are painted or marked clearly. This is not a difficult job.
- 17.) Protests will be accepted by the CYO Rules, Eligibility, and Protest Committee only if they cover players' eligibility violations. Protests must be filed with the CYO Office in writing not more than 48 hours after the incident.
- 18.) The net height will be at a height of seven feet or as close as your situation at the gym will allow.

CYO Cadet Volleyball League

SPECIAL NOTES:

- 1.) Official CYO Rules and Regulations for Girls' Volleyball will apply to the league. They were revised last year, and it's important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the Pennsylvania PVC-6, available at any sporting good store. This ball along with the Voit #LV-4 are the only balls that may be used in a CYO League or Tournament game.
- 2.) We have divided the league into four divisions, with each team playing every other team in its division twice. At the end of the season, the four champions will play for the League Championship, with Division One meeting Division Two and Division Three playing Division Four. Then, the two winners meet in the championship game, while the losers play for third place.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferable) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire-Linesman and the Official Scorer.
 - a.) If we are able to line up help from any of the High School G.A.A., as was the case last year, the teams affected by this will be notified.
- 4.) The dates on this schedule are to be followed insofar as is humanly possible, simply because any postponement creates a rescheduling problem. However, since we don't use scheduled or paid officials in most cases, postponing games is somewhat less a problem than in kickball. Therefore, if you are not able to play a match on the scheduled day, please make arrangements with the opposing coach for the postponement, and at the time you call that person be sure to line up the make-up game as well. Always notify the CYO Office when arranging a postponement or a make-up, because we will be calling you for a score when you haven't played a game, and notifying us will help us avoid the unnecessary call.
- 5.) If uniform shirts are worn, CYO patches are required. They are to be sewn on the left shoulder of the shirt, two inches below the shoulder seam, on the outside of the arm.
- 6.) Each parish will be billed for the league entry fee at the end of the season, unless the fee was paid at the time of entry. The Participant's Registration Fee, however, (see #14 below), is to be paid at the time designated by the CYO Office, and may not be billed to the parish after the season.
- 7.) The usual rules of sportsmanship for CYO Athletics apply for the league. Coaches are to refrain from outbursts against umpires, opposing coaches, and players, and the same restrictions apply to players and fans. Coaches and Priest Moderators are responsible for seeing that boys in the crowd, a real nuisance sometimes, refrain from name-calling tactics with girls on either team.

SPECIAL SCHEDULING NOTES:

- 1.) Official CYO Rules and Regulations for Girls' Volleyball will apply to the league. They were revised in 1975, it is important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the Pennsylvania PVC-6 or PVK-6, available at any sporting good store.
- 2.) We have divided the league into four divisions. At the end of the season, the four champions will play for the League Championship, with Division One meeting Division Three and Division Two playing Division Four. Then, the two winners meet in the championship game, while the losers play for third place.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scorers and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferable) should be assigned by each team to keep score. See the official rules (page 7) for the Duties of the Umpire-Linesman and the Official Scorer.
- 4.) RECOMMENDED: A uniform-type, numbered shirt should be worn with a CYO patch sewn on the left shoulder of the shirt, two inches below the shoulder seam, on the outside of the arm.
- 5.) Each parish will be billed for the league entry fee at the end of the season, unless the fee was paid at the time of entry. The Participant's Registration Fee, however, (see #12 below), is to be paid at the time designated by the CYO Office, and may not be billed to the parish after the season.
- 6.) The usual high standards of good sportsmanship for CYO Athletics apply for the league. Coaches are to refrain from outbursts against umpires, opposing coaches, and players, and the same restrictions apply to players and fans. Coaches and Priest Moderators are responsible for the crowd and please try to help refrain them from any poor sportsmanship.
- 7.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.

CYO Cadet Girls Volleyball
Special Scheduling Notes Cont.

- 8.) All Matches should be started on time. If a team is not ready to play within 15 minutes of the scheduled starting time, the first game is defaulted. They then have 15 additional minutes in which to be ready to start the second game of the match. If not ready within the additional 15 minutes the match is defaulted. (Rule 6 #20)
- 9.) A tournament will be scheduled at the conclusion of the league season, and we hope every team takes part. Parishes which don't have teams in the league will be eligible to enter the tournament as a means of stimulating further interest in the sport.
- 10.) Scores are to be called in by the winning coach right after the match to Dennis Southerland at 251-1957, or in an emergency to Bill Kuntz 786-7958. If necessary you may call the CYO Office (632-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.
- 11.) The following academic eligibility rule is in effect for all pupils participating in CYO Athletics (see the School Office Handbook).

If a pupil is receiving an "F" in an academic subject, and at the same time is guilty of failing due to lack of effort (in the opinion of the teacher), that pupil is subject to being declared ineligible for the rest of the grading period, or successive period. The teacher in concurrence with the school administration, must confer with the parents of the pupil before the penalty is exacted.
- 12.) Each player on every squad in the league is to pay a "Participant's Registration Fee" of \$1.00 in order to participate in CYO Volleyball. This fee is to be collected from every player by the coach or adult supervisor and received by the CYO Office, along with the eligibility blanks and squad roster blank (see below) on or before Tuesday, January 14.
- 13.) An eligibility blank for each player is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade in school, so that the CYO will have on file the correct age and grade for every girl in the league, plus written permission from the parents for the girl to play. The physician's certificate is purely optional for each parish, since physical examinations are not required for the girls.
 - a.) All names of players on the squad are to be listed on the furnished roster blank, and this blank is to be turned in, along with the eligibility blanks and the Participant's Registration Fees, on or before Tuesday, January 14.
 - b.) Players may be added to the roster at any time during the season or tournaments, as long as the eligibility blank is completed and turned in, the Participant's Registration Fee is paid, and the names are filed with the CYO Office before they participate in a league or tournament match.
- 14.) If a parish has two or more Cadet Volleyball teams, a player may begin the season with any of the parish teams and may be switched from one team to another, One time only, after participating in a regular season match. All such changes must be announced to the CYO Office before the player participates in a regular-season match for her new team. All such changes must be completed on or before Friday, January 31, after which all rosters are frozen.
- 15.) All girls participating in the league are subject to the eligibility standards as outlined in the CYO General Eligibility Standards Brochure.

CYO Cadet Girls Volleyball
Special Scheduling Notes Cont.

- 16.) Be sure all court lines are painted or marked as clearly as possible.
- 17.) This schedule should be strictly followed. We have already asked for special scheduling requests and have tried to honor all of these.
- 18.) Protests. A coach desiring to protest shall file such protest in writing with the CYO Office within 48 hours. No protest, other than those concerning players' eligibility violations, will be accepted.

Let's All Remember — for the most part our officials are volunteers and not professional officials — LET'S ALL WORK HARD TO NOT HAVE ANY PROBLEMS.

SPECIAL NOTE FOR DIVISION #3

Because they are eight team divisions, Divisions One, Two and Four play a double round robin schedule. However, since Division Three is a ten teamer, special consideration was made. On the first nine dates, a single round robin was conducted. Then the ten teams were juggled at random and started a second round robin. They play six of the possible nine dates.

Division Three will play 15 dates as opposed to the other three divisions playing 14 dates. This extra date was added in an effort to play one more team a second time.

CYO Junior Volleyball League

SPECIAL NOTES:

- 1.) Official CYO Rules and Regulations for Girls' Volleyball will apply to the league. They were revised this year, and it's important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the PVC-6 or PVK-6 available at any sporting good store. These are the only balls that may be used in a CYO League or Tournament game.
 - b.) In the Junior League, we will use six players (See Rules) and we will allow only three hits instead of the four that are used in the Cadet League.
- 2.) We have divided the league into three divisions. At the end of the season the division winners will play for the League Championship. There will not be a Post-Season Tournament due to the fact that the St. Joan of Arc Tournament has already been played.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scores and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferable) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire Linesman and the Official Scorer.
- 4.) The dates on this schedule are to be followed insofar as is humanly possible, simply because any postponement creates a rescheduling problem. However, since we don't use scheduled or paid officials in most cases, postponing games is somewhat less a problem than in kickball. Therefore, if you are not able to play a match on the scheduled day, please make arrangements with the opposing coach for the postponement, and at the time you call that person be sure to line-up the make-up game as well. Always notify the CYO Office when arranging a postponement or a make-up, because we will be calling you for a score when you haven't played a game, and notifying us will help us avoid the unnecessary call.
- 5.) If uniform shirts are worn, CYO patches are required. They are to be sewn on the left shoulder of the shirt, two inches below the shoulder seam, on the outside of the arm.
- 6.) Each parish will be billed for the league entry fee at the end of the season, unless the fee was paid at the time of entry. The Participant's Registration Fee, however, (see #14 below), is to be paid by Tuesday, March 11, and may not be billed to the parish after the season.
- 7.) The usual rules of sportsmanship for CYO Athletics apply for the league. Coaches are to refrain from outbursts against umpires, opposing coaches, and players, and the same restrictions apply to players and fans. Coaches and Priest Moderators are responsible for seeing that boys in the crowd, a real nuisance sometimes, refrain from name-calling tactics with girls on either team.
- 8.) All matches are to be played on a best two of three games basis, with the match ending if either team wins two consecutive games. You'll notice that matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.

CYO Junior Volleyball League
Special Notes (Contd.)

- 9.) All matches should be started on time. If a team is not ready to play within 15 minutes of the scheduled starting time, the first game is defaulted. They then have 15 additional minutes in which to be ready to start the second game of the match. If not ready within the additional 15 minutes the match is defaulted.
- 10.) Scores are to be called in by the winning coach right after the match to Denny Southerland (251-1957). If necessary you may call the CYO Office (632-9311) by 10:30 A.M. on the morning following the game. Preferably, we would like to get the scores on the evening of the match.
- 11.) The following are eligible:
 - a.) Junior CYO members, either actually attending a high school or having graduated from grade school not before June, 1971.
- 12.) A team is allowed not more than two girls from outside the parish on its roster. In all such cases written permission from the Priest Moderators of both parishes must be attached to the roster blank. Non-Catholic girls are allowed to play in the Junior CYO League on the usual basis: That they are considered as part of the parish if they live within the parish boundaries, depending on parish policy, although they should be CYO members. See the CYO General Eligibility Standards Brochure for any further clarification.
- 13.) New girls, who are eligible for Junior Volleyball, and who previously haven't played on any parish team, may be added to the roster at any time during the season, as long as eligibility blanks are completed, the Participant's Registration Fees are paid, and the names are filed with the CYO Office before they participate in a league game.
- 14.) Each player on every squad in the league is to pay a "Participant's Registration Fee" of \$1.00 in order to participate in CYO Volleyball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office, along with the eligibility blanks and squad roster blank (see below) on or before Tuesday, March 11.
- 15.) An eligibility blank for each player is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade in school, so that the CYO will have on file the correct age and grade for every girl in the league, plus written permission from the parents for the girl to play. The physician's certificate is purely optional for each parish, since physical examinations are not required for the girls.
 - a.) All names of players on the squad are to be listed on the furnished roster blank, and this blank is to be turned in, along with the eligibility blanks and the Participant's Registration Fees, on or before Tuesday, March 11.
 - b.) Players may be added to the roster at any time during the season or tournaments, as long as the eligibility blank is completed and turned in, the Participant's Registration Fee is paid, and the names are filed with the CYO Office before they participate in a league match.
- 16.) Be sure all court lines are painted or marked clearly. This is not a difficult job.
- 17.) Protests will be accepted by the CYO Rules, Eligibility, and Protest Committee only if they cover players' eligibility violations. Protests must be filed with the CYO Office in writing not more than 48 hours after the incident.
- 18.) The net height will be at a height of seven feet or as close as your situation at the gym will allow.

CYO Junior Volleyball League

SPECIAL NOTES:

- 1.) Official CYO Rules and Regulations for Girls' Volleyball will apply to the league. They were revised last year, and it's important that you familiarize yourself with these rules to avoid problems.
 - a.) The official ball for the league is the PVC-6 or PVK-6 available at any sporting good store. These are the only balls that may be used in a CYO league or tournament game.
 - b.) In the Junior League, we will use six players (See Rules) and we will allow only three hits.
- A 2.) We have divided the league into three divisions. At the end of the season the division winners will play for the League Championship. There will not be a Post-Season Tournament due to the fact that the St. Joan of Arc Tournament has already been played.
- 3.) There will be no paid officials for the league. Each coach or person designated by the coach (an adult) is to serve as one of the two umpires. Each umpire also acts as a linesman, with the coach whose team wins the initial coin toss serving as head umpire for the first game of the match. Both teams shall furnish scores and both should keep identical scorebooks, but only the book of the team winning the initial coin toss is to be considered as the official scorebook for the match. An adult (preferable) should be assigned by each team to keep score. See the official rules for the Duties of the Umpire Linesman and the Official Scorer.
- 4.) The dates on this schedule are to be followed insofar as is humanly possible, simply because any postponement creates a rescheduling problem. However, since we don't use scheduled or paid officials in most cases, postponing games is somewhat less a problem than in kickball. Therefore, if you are not able to play a match on the scheduled day, please make arrangements with the opposing coach for the postponement, and at the time you call that person be sure to line-up the make-up game as well. Always notify the CYO Office when arranging a postponement or a make-up, because we will be calling you for a score when you haven't played a game, and notifying us will help us avoid the unnecessary call.
- 5.) If uniform shirts are worn, CYO patches are required. They are to be sewn on the left shoulder of the shirt, two inches below the shoulder seam, on the outside of the arm.
- 6.) Each parish will be billed for the league entry fee at the end of the season, unless the fee was paid at the time of entry. The Participant's Registration Fee, however (see #14 Below), is to be paid by the date assigned by the CYO Office, and may not be billed to the parish after the season.
- 7.) The usual rules of sportsmanship for CYO Athletics apply for the league. Coaches are to refrain from outbursts against umpires, opposing coaches, and players, and the same restrictions apply to players and fans. Coaches and Priest Moderators are responsible for seeing that boys in the crowd, a real nuisance sometimes, refrain from name-calling tactics with girls on either team.
- 8.) All matches are to be played on the best two or three game basis, with the match ending if either team wins two consecutive games. You'll notice that most matches are set up for a forty-five minute period. In most cases, by using good sense in keeping the match moving along, you'll find that forty-five minutes are more than enough. If another match follows yours, leave the court as soon as you've finished, to allow the other teams some warm-up time, because we must clear the playing sites for other groups.
