If a team fails to appear for a scheduled game without notifying the C. Y. O. Office by the Friday before the game, that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.

Postponements, other than those caused by bad weather, can be allowed only for a good and sufficient reason. The C.Y.O. Office must be so notified by the Friday before the game.

RULES AND INFORMATION

Winning Coach must call the score into the C.Y.O. Office, Me. 2-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard in order that the scores and standings may appear in the Indiana Catholic each week.

Each team will be billed after the season for umpires fees, at the rate of \$2.00 per team per game, and for the \$5.00 league entry fee.

An adult coach, and at least one other adult, must accompany the team to each game.

Girls' Softball is played on regular softball diamond, but pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. Regulation Softball will be used.

We will use the "slow-pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgment of the umpire). Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body."

RULES AND INFORMATION (con't)

Under slow-pitch rules, batters may not bunt or chop the ball, or run to first base after a third strike if the ball is not caught.

Nine players shall constitute a team (this is our only exception to the slow-pitch rules).

For other special "slow-pitch" rules, see the 1960 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at the Park Department or at local sporting goods stores

C.Y.O. Rules about sportsmanship apply for girls as well as boys. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct. Girls must play for their own parish, unless the written permission of both priest moderators is obtained and forwarded to the C.Y.O. Office

If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game, that team will automatically forfeit the game to its opponent and will bear the full cost of officials for the unplayed game.

Important Notice: Unless the C.Y.O. Office is notified before the season begins by parishes seeking postponements because of C.Y.O. Picnics or other activities, any such games will be forfeited to the other team. This is being done to avoid unnecessary postponements, which have hampered completion of the season in past years, and to give us ample time to cancel the umpires for that game. Coaches are to make up any such postponed games as soon as possible, by arrangement with the opposing coach.

This rule does not apply to legitimate postponements due to inclement weather.

RULES AND INFORMATION

- Eligibility: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all girls who will become Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:
- A.) Each team is allowed to have on the roster three girls from outside the parish, provided written permission for every such girl is obtained from the Priest Moderator of the girl's parish by the Priest Manager of the team and filed with the C.Y.O. Office on or before Wednesday, June 14, 12:00 Noon.
- B.) Complete roster, listing name, address, and parish of each girl on the team must be filed with the C.Y.O. Office (also on or before Wednesday, June 14), along with letters of permission.

POSTPONEMENTS: Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Friday, June 15. Some parishes already have asked to play particular games on different days, because of parish festivals or picnics, and those requests are reflected in the schedule.

Junior C.Y.O. Girls' Softball League
Postponements (Con't.)

Any other such requests will be honored, but only if they are made before Friday, June 15. Please check your parish calendar and notify us before that date. Requests received after June 15 cannot be accepted, and the games involved will be forfeited to the opposing team.

This is being done for the same reason as last year-----to avoid unnecessary postponements which have hampered competition in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in coaches' name etc. (they also have copies).

Games legitimately postponed are to be made up within a week of the original date, weather permitting.

-
- SPECIAL PLAYING RULES: 1.) Girls' Softball is played on regular softball diamond, but pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. Regulation Softball will be used.
- 2.) We will use the "slow-pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgment of the umpire). Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body."
 - 3.) Under slow-pitch rules, batters may not bunt or chop the ball, or run to first base after a third strike if the ball is not caught.
 - 4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules).
 - 5.) For other special "slow-pitch" rules, see the 1960 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at the Park Department or at local sporting goods stores.
-

- MISCELLANEOUS: 1.) Two adults, including the coach, must accompany to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) C.Y.O. Rules of sportsmanship apply emphatically for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
 - 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.
 - 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, St. 6-7958, Bill Sahm, At. 3-7250 or to the C.Y.O. Office, Me. 2-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
 - 5.) Site, date, and time for play-off and championship games will be announced later.
 - 6.) Each team will be billed for umpires' fees after the season at the rate of \$2.75 per game, plus \$6.00 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.

Eligibility: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all girls who will be Sophomores, Juniors, or Seniors in the Fall.

2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:

B.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the C.Y.O. Office (also on or before Wednesday, June 13), along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these girls may be used in a game.

POSTPONEMENTS: Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Friday, June 15. Some parishes already have asked to play particular games on different days, because of parish festivals or picnics, and those requests are reflected in the schedule.

Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office to obtain an umpire.

SPECIAL PLAYING RULES: 1.) Girls' Softball is played on regular softball diamond, but pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. Regulation Softball will be used.

Junior C.Y.O. Girls' Softball League (Con't.)

Important Notice!!! DON'T FAIL TO READ THIS SECTION!!!

We have received a few requests to drop paid umpires from the 1962 Girls' League (to apply for the Girls' League only). Among the reasons offered by the parishes making the requests are the following: a.) Such a move will help financially by reducing the Cost of Girls' Softball in many cases; b.) Because of the "slow pitch" rules and because tradition in C.Y.O. Girls' Athletics indicates a better situation than in Boys' sports, Girls' Softball is much less competitive, consequently the paid umpire is not necessary; c.) More and more adults have become involved in work with the Junior C.Y.O. in recent years because of the many Parish Adult Advisory Organizations, therefore we will be using their talents more extensively and giving them an opportunity to exercise sportsmanship along with the players.

Paid umpires still will be assigned for championship and play-off games, when the C.Y.O. Office deems a game sufficiently important, or if the coach of either team asks for an umpire (only one team has to make the request) by calling the C.Y.O. Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach at the time he calls the C.Y.O.

This is being done experimentally. If you feel after the season that it has worked to the benefit of the league, it will be continued next year. If not, we'll return to the old system of obtaining umpires.

When a paid umpire is not assigned, each team will provide a volunteer (either the coach or another adult - preferably not the coach) to split the duties. If the coaches agree in advance, each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the positions.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE C.Y.O. OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE C.Y.O. OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME, NO PAID UMPIRES WILL BE ASSIGNED, AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

JUNIOR C.Y.O. BOYS' SOFTBALL LEAGUE

Rules and Information

Same * ELIGIBILITY: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all boys who will be Sophomores, Juniors, or Seniors in the Fall.

Same 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:

A.) Each team is allowed to have on the roster three boys from outside the parish, provided written permission for every such boy is obtained from the Priest Moderator of the boy's parish by the Priest Manager of the team and filed with the C.Y.O. Office on or before Friday, June 19, 5:00 P.M.

B.) A complete roster, listing name, address, and parish of each boy on the team must be filed with the C.Y.O. Office (also on or before Friday, June 19), along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these boys may be used in a game.

JUNIOR C.Y.O. BOYS' SOFTBALL LEAGUE
Rules and Information (Con't.)

POSTPONEMENTS: Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Thursday, June 25. Some parishes already have asked to play particular games on different days, because of parish festivals or picnics, and those requests are reflected in the schedule. Any other such requests will be honored but only if they are made on or before Thursday, June 25. Please check your parish calendar and notify us before that date. Requests received after June 25 cannot be accepted, and games involved will be forfeited to the opposing team.

This is being done for the same reason as last year--to avoid unnecessary postponements which have hampered competition in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office to obtain an umpire.

MISCELLANEOUS:

- about the same*
- 1.) Each team must have a lay adult coach. Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
 -  2.) C.Y.O. Rules of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.
 - S 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.
 - S 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, St. 6-7958, Bill Sahm, At. 3-7250 or to the C.Y.O. Office, Me. 2-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
 - S 5.) Sites, dates, and times for play-off and championship games will be announced later.
 - Boys 6.) Each team will be billed for umpires' fees after the season at the rate of \$2.75 per game, plus \$6.00 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.
 - Rec'd 7.) Official softball rules will apply for the league. Copies are available at any sporting goods store or at the Park Department Office, 29th and Harding Streets.

JUNIOR C.Y.O. BOYS' SOFTBALL LEAGUE
Rules and Information (Con't.)

MISCELLANEOUS:

Read (8.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.

*Same as 9.)
? for girls* A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.

GET YOUR ROSTER TO THE C.Y.O. OFFICE BY FRIDAY, JUNE 19!!

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAMES POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE C.Y.O. OFFICE, AND YOU MUST DO THIS ON OR BEFORE THURSDAY, JUNE 25!!

JUNIOR C.Y.O. GIRLS' SOFTBALL LEAGUE

Rules and Information

- ELIGIBILITY: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all girls who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:
- A.) Each team is allowed to have on the roster three girls from outside the parish, provided written permission for every such girl is obtained from the Priest Moderator of the girl's parish by the Priest Moderator of the team and filed with the C.Y.O. Office on or before Friday, June 19, 5:00 P.M.

JUNIOR C.Y.O. GIRLS' SOFTBALL LEAGUE
Rules and Information (Con't.)

- B.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the C.Y.O. Office (also on or before Friday, June 19), along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these girls may be used in a game.

POSTPONEMENTS: Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Thursday, June 25. Some parishes already have asked to play particular games on different days, because of parish festivals or picnics, and those requests are reflected in the schedule. Any other such requests will be honored, but only if they are made on or before Thursday, June 25. Please check your parish calendar and notify us before that date. Requests received after June 25 cannot be accepted, and games involved will be forfeited to the opposing team.

This is being done for the same reason as in past years---to avoid unnecessary postponements which have hampered competition in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office.

- SPECIAL PLAYING RULES: 1.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball will be used.
- 2.) We will use the "slow pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgment of the umpire). Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body."
- 3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after a third strike if the ball is not caught.
- 4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules).
- 5.) For other special "slow-pitch" rules, see the 1964 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at the Park Department or at local sporting goods stores.

UMPIRES: Two years ago, as an experiment, we ceased the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons, such as: it would reduce the cost of Girls' Softball to the parishes; because of the "slow pitch" rules and because tradition in C.Y.O. Girls' athletics indicated a better competitive situation than in Boys' sports; adults are available in greater number than in past years, for the job of umpiring.

JUNIOR C.Y.O. GIRLS' SOFTBALL LEAGUE
Rules and Information (Con't.)

UMPIRES (Con't.): At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for : a.) play-offs; b.) games the C.Y.O. deems sufficiently important; c) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire.....only one team has to make the request.

When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance, each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the position.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE C.Y.O. OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE C.Y.O. OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

MISCELLANEOUS:

- 1.) Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) C.Y.O. Rules of sportsmanship apply emphatically for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, St. 6-7958, Bill Sahm, At. 3-7250 or to the C.Y.O. Office, Me. 2-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Site, date, and time for play-off and championship games will be announced later.
- 6.) Each team will be billed for umpires' fees after the season at the rate of \$2.75 per game for the number of games a paid umpire is used, plus \$6.00 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.
- 7.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.

(Speed and height are left entirely to the judgment of the umpire). Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body."
- 3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after a third strike if the ball is not caught.
- 4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules).
- 5.) For other special "slow-pitch" rules, see the 1965 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at the Park Department or at local sporting goods stores.

JUNIOR C.Y.O. GIRLS' SOFTBALL LEAGUE

Rules and Information (Con't.)

UMPIRES: Three years ago, as an experiment, we ceased the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons, such as: it would reduce the cost of Girls' Softball to the parish; because of the "slow-pitch" rules and because tradition in C.Y.O. Girls' athletics indicated a better competitive situation than in Boys' sports; adults are available in greater number than in past years, for the job of umpiring.

At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for: a.) play-offs; b.) games the C.Y.O. deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire.....only one team has to make the request.

When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance, each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the position.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE C.Y.O. OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE C.Y.O. OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME. NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

MISCELLANEOUS:

- 1.) Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) C.Y.O. Rules of sportsmanship apply emphatically for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, St. 6-7958, Bill Sahm, At. 3-7250 or to the C.Y.O. Office, Me. 2-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Site, date, and time for play-off and championship games will be announced later.
- 6.) Each team will be billed for umpires' fees after the season at the rate of \$3.25 per game for the number of games a paid umpire is used, plus \$6.50 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.
- 7.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.

JUNIOR C.Y.O. BOYS' SOFTBALL LEAGUE

Rules and Information

- ELIGIBILITY: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all boys who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:
- Each team is allowed to have on the roster three boys from outside the parish, provided written permission for every such boy is obtained from the Priest Moderator of the boy's parish by the team's Priest Moderator and filed with the C.Y.O. Office on or before Friday, June 18, 5:00 P.M.
 - A complete roster, listing name, address, and parish of each boy on the team must be filed with the C.Y.O. Office (also on or before Friday, June 18), along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these boys may be used in a game.

JUNIOR C.Y.O. BOYS' SOFTBALL LEAGUE
Rules and Information (Con't.)

POSTPONEMENTS: Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Thursday, June 24. Some parishes already have asked to play particular games on different days, because of parish festivals or picnics, and those requests are reflected in the schedule. Any other such requests will be honored only if they are made on or before Thursday, June 24. Please check your parish calendar and notify us before that date. Requests received after June 24 cannot be accepted, and games involved will be forfeited to the opposing team.

This is being done for the same reason as last year--to avoid unnecessary postponements which have hampered competition in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office to obtain an umpire.

MISCELLANECUS

- 1.) Each team must have a lay adult coach. Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) C.Y.O. Rules of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.
- 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, St. 6-7958, Bill Sahm, At. 3-7250 or to the C.Y.O. Office, Me. 2-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Sites, dates, and times for play-off and championship games will be announced later.
- 6.) Each team will be billed for umpire's fees after the season at the rate of \$3.25 per game, plus \$6.50 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.
- 7.) Official softball rules will apply for the league. Copies are available at any sporting goods store or at the Park Department Office, 29th and Harding Streets.

JUNIOR C.Y.O. BOYS' SOFTBALL LEAGUE
Rules and Information (Con't.)

MISCELLANECUS:

- 8.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.
- 9.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.

GET YOUR ROSTER TO THE C.Y.O. OFFICE BY FRIDAY, JUNE 18!!

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE C.Y.O. OFFICE, AND YOU MUST DO THIS ON OR BEFORE THURSDAY, JUNE 24!!

ELIGIBILITY: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all girls who will be Sophomores, Juniors, or Seniors in the Fall.

2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:

A.) Each team is allowed to have on the roster two girls from outside the parish, provided written permission for every such girl is obtained from the Parish Moderator of the girl's parish by the Priest Moderator of the team and filed with the C.Y.O. Office on or before Friday, June 17, 5:00 P.M. Non-Catholics are allowed to compete as members of a Junior C.Y.O. unit, as long as they are card-carrying members of that unit prior to May 27, 1966.

B.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the C.Y.O. Office (also on or before Friday, June 17) along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. office must be notified before these girls may be used in a game. You may carry as many girls on the roster as you like.

POSTPONEMENTS: Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Monday, June 20. Any such requests will be honored, but only if they are made on or before Monday, June 20. Please check your parish calendar and notify us before that date. Requests received after June 20 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

C.Y.O. JUNIOR GIRLS' SOFTBALL LEAGUE
Rules and Information (Con't.)

This is being done for the same reason as in past years---to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office.

SPECIAL PLAYING RULES: 1.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball will be used.

- 2.) We will use the "Slow pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgment of the umpire). Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body."
- 3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after a third strike if the ball is not caught.
- 4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules).
- 5.) For other special "slow-pitch" rules, see the 1966 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at any local sporting goods store or at the Park Department Office, 1426 West 29th Street.

UMPIRES: Four years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons: 1.) it would reduce the cost of Girls' Softball to the parishes; 2.) because of the "slow-pitch" rules and because tradition in C.Y.O. Girls' athletics indicated a better competitive situation than in Boys' sports; 3.) adults are available in greater number than in past years for the job of umpiring.

At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for: a.) play-offs; b.) games the C.Y.O. deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire....only one team has to make the request.

When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance, each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the position.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE C.Y.O. OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE C.Y.O. OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

MISCELLANEOUS:

- 1.) Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) C.Y.O. Rules of sportsmanship apply emphatically for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633, or to the C.Y.O. Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Site, date, and time for play-off and championship games will be announced later.
- 6.) Each team will be billed for umpires' fees after the season at the rate of \$3.25 per game for the number of games a paid umpire is used, plus \$6.50 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.
- 7.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.

Rules and Information (Con't)

- B.) A complete roster, listing name, address, and parish of each boy on the team must be filed with the C.Y.O. Office (also on or before Friday, June 17), along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these boys may be used in a game.

POSTPONEMENTS: Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Monday, June 20. This is being done for the same reason as last year-- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

Office to obtain an umpire.

MISCELLANEOUS

- 1.) Each team must have a lay adult coach. Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) C.Y.O. Rules of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.
- 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, & will bear the full cost of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633, or to the C.Y.O. Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Sites, dates, and times for playoff and championship games will be announced later.

JUNIOR C.Y.O. BOYS' SOFTBALL LEAGUE

- 6.) Each team will be billed for umpire's fees after the season at the rate of \$3.25 per game, plus \$6.50 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.
- 7.) Official 1966 softball rules will apply for the league. Copies are available at any sporting goods store or at the Park Department Office, 1426 W. 29th St.
- 8.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.
- 9.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.

GET YOUR ROSTER TO THE C.Y.O. OFFICE BY FRIDAY, JUNE 17!!

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE C.Y.O. OFFICE. AND YOU MUST DO THIS ON OR BEFORE MONDAY, JUNE 20!!

C.Y.O. JUNIOR BOYS' SOFTBALL LEAGUE

1967

Rules and Information

ELIGIBILITY: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all boys who will be Sophomores, Juniors, or Seniors in the Fall.

2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:

C.Y.O. JUNIOR BOYS' SOFTBALL LEAGUE
Rules and Information (Con't.)

A.) Each team is allowed to have on the roster two boys from outside the parish, provided written permission for every such boy is obtained from the Priest Moderator of the boy's parish by the team's Priest Moderator and filed with the C.Y.O. Office on or before Monday, June 19, 5:00 P.M. Non-Catholics are allowed to compete as members of a Junior C.Y.O. unit, as long as they are card-carrying members of that unit prior to June 1, 1967.

B.) A complete roster, listing name, address, and parish of each boy on the team must be filed with the C.Y.O. Office (also on or before Monday, June 19), along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these boys may be used in a game.

POSTPONEMENTS: Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Monday, June 19. Any such requests will be honored only if they are made on or before Monday, June 19. Please check your parish calendar and notify us before that date. Requests received after June 19 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

This is being done for the same reason as last year---to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office to obtain an umpire.

MISCELLANEOUS: 1.) Each team must have a lay adult coach. Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.

2.) C.Y.O. Standards of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.

3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.

C.Y.O. JUNIOR BOYS' SOFTBALL LEAGUE
Rules and Information (Con't.)

- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633, or to the C.Y.O. Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Sites, dates, and times for play-off and championship games will be announced later.
- 6.) Each team will be billed for umpire's fees after the season at the rate of \$3.50 per game, plus \$8.00 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.
- 7.) Official 1967 Softball rules will apply for the league. Copies are available at any sporting goods store.
- 8.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.
- 9.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 10.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER TO THE C.Y.O. OFFICE BY MONDAY, JUNE 19.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE C.Y.O. OFFICE, AND YOU MUST DO THIS ON OR BEFORE MONDAY, JUNE 19!!

Rules and Information

ELIGIBILITY: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all girls who will be Sophomores, Juniors, or Seniors in the Fall.

2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:

A.) Each team is allowed to have on the roster two girls from outside the parish, provided written permission for every such girl is obtained from the Parish Moderator of the girl's parish by the Priest Moderator of the team and filed with the C.Y.O. Office on or before Monday, June 19, 5:00 P.M. Non-Catholics are allowed to compete as members of a Junior C.Y.O. unit, as long as they are card-carrying members of that unit prior to June 1, 1967.

B.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the C.Y.O. Office (also on or before Monday, June 19) along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these girls may be used in a game. You may carry as many girls on the roster as you like.

POSTPONEMENTS: 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Monday, June 19. Any such requests will be honored, but only if they are made on or before Monday, June 19. Please check your parish calendar and notify us before that date. Requests received after June 19 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

2.) This is being done for the same reason as in past years---to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office.

SPECIAL PLAYING RULES: 1.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball will be used.

2.) We will use the "slow pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgement of the umpire.) Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body."

C.Y.O. JUNIOR GIRLS' SOFTBALL LEAGUE
Rules and Information (Con't.)

- 3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after a third strike if the ball is not caught.
- 4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules).
- 5.) For other special "slow-pitch" rules, see the 1967 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at any local sporting goods store.

UMPIRES: Five years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons: 1.) it would reduce the cost of Girls' Softball to the parishes; 2.) "Slow-pitch" rules make the task of umpiring easier; 3.) tradition in C.Y.O. Girls' athletics indicated a better competitive situation than in Boys' sports; 4.) adults are available in sufficient numbers for the job of umpiring.

At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for: a.) play-offs; b.) games the C.Y.O. deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire....only one team has to make the request.

When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance, each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the position.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE C.Y.O. OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE C.Y.O. OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

MISCELLANEOUS: 1.) Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.

2.) C.Y.O. Standards of sportsmanship apply for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.

3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.

4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633, or to the C.Y.O. Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.

Rules and Information (Con't.)

- 5.) Site, date, and time for play-off and championship games will be announced later.

C.Y.O. JUNIOR GIRLS' SOFTBALL LEAGUE

1968

Rules and Information

- ELIGIBILITY: 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all girls who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:
- A.) Each team is allowed to have on the roster two girls from outside the parish provided written permission for every such girl is obtained from the Parish Moderator of the girl's parish by the Priest Moderator of the team and filed with the C.Y.O. Office on or before Monday, June 17, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior C.Y.O. unit as long as they are card-carrying members of your unit prior to June 3, 1968. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.

C.Y.O. Junior Girl's Softball League
Rules and Information (Con't.)

- B.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the C.Y.O. Office (also on or before Monday, June 17) along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these girls may be used in a game. You may carry as many girls on the roster as you like.

POSTPONEMENTS: 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Monday, June 17. Any such requests will be honored, but only if they are made on or before Monday, June 17. Please check your parish calendar and notify us before that date. Requests received after June 17 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

2.) This is being done for the same reason as in past years --- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have plenty copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office.

SPECIAL PLAYING RULES: 1.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball will be used.

2.) We will use the "slow pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgement of the umpire.) Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body."

3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after the third strike if the ball is not caught.

4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules).

5.) For other special "slow-pitch" rules, see the 1968 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at any local sporting goods store.

C.Y.O. JUNIOR GIRLS' SOFTBALL LEAGUE
Rules and Information (Con't.)

UMPIRES: Six years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons: 1.) it would reduce the cost of Girls' Softball to the parishes; 2.) "Slow-pitch" rules make the task of umpiring easier; 3.) tradition in C.Y.O. Girls' athletics indicated a better competitive situation than in Boys' sports; 4.) adults are available in sufficient numbers for the job of umpiring.

At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for: a.) play-offs; b.) games the C.Y.O. deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire...only one team has to make the request.

When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance, each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the position.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE C.Y.O. OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE C.Y.O. OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

MISCELLANEOUS: 1.) Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.

2.) C.Y.O. Standards of sportsmanship apply for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.

3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week day game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.

4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633, or to the C.Y.O. Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.

5.) Site, date, and time for play-off and championship games will be announced later.

6.) Each team will be billed for umpires' fees after the season at the rate of \$4.50 per game for the number of games a paid umpire is used, plus \$8.00 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.

C.Y.O. JUNIOR GIRLS' SOFTBALL LEAGUE
Rules and Information (Con't.)

- 7.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 8.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER TO THE C.Y.O. OFFICE BY MONDAY, JUNE 17.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE C.Y.O. OFFICE, AND YOU MUST DO THIS ON OR BEFORE MONDAY, JUNE 17!!

Requests received after June 17 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

This is being done for the same reason as last year----to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office to obtain an umpire.

MISCELLANEOUS: 1.) Each team must have a lay adult coach. Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.

- 2.) C.Y.O. Standards of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.
- 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633; or the call may be made to the C.Y.O. Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Sites, dates, and times for play-off and championship games will be announced later.
- 6.) Each team will be billed for umpire's fees after the season at the rate of \$4.00 per game, plus \$8.00 per game for play-offs or the championship game. Team entry fee will be included on the statement if it has not already been paid.
- 7.) Official 1968 Softball rules will apply for the league. Copies are available at any sporting goods store.

C.Y.O. JUNIOR BOYS' SOFTBALL LEAGUE
Rules and Information (Con't.)

- 8.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.
- 9.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 10.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER TO THE C.Y.O. OFFICE BY MONDAY, JUNE 17.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE C.Y.O. OFFICE, AND YOU MUST DO THIS ON OR BEFORE MONDAY, JUNE 17!!

C.Y.O. JUNIOR GIRLS' SOFTBALL LEAGUE

1969

Rules and Information

ELIGIBILITY

- 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all girls who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:
 - a.) Each team is allowed to have on the roster two girls from outside the parish provided written permission for every such girl is obtained from the Parish Moderator of the girl's parish by the Priest Moderator of the team and filed with the C.Y.O. Office on or before Monday, June 16, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior C.Y.O. unit as long as they are card-carrying members of your unit prior to June 2, 1969. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the C.Y.O. Office (also on or before Monday, June 16) along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these girls may be used in a game. You may carry as many girls on the roster as you like.

C.Y.O. Junior Girl's Softball League
Rules and Information (Contd.)

POSTPONEMENTS:

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Monday, June 16. Any such requests will be honored, but only if they are made on or before Monday, June 16. Please check your parish calendar and notify us before that date. Requests received after June 16 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.
- 2.) This is being done for the same reason as in past years --- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have plenty copies of this schedule, and each parish had an opportunity to turn in its coaches' names.
- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office.

SPECIAL PLAYING RULES:

- 1.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball will be used.
- 2.) We will use the "slow pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgement of the umpire.) Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body.
- 3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after the third strike if the ball is not caught.
- 4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules.)
- 5.) For other special "slow-pitch" rules, see the 1969 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at any local sporting goods store.

UMPIRES:

Years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons: 1.) it would reduce the cost of Girls' Softball to the parishes; 2.) "Slow-pitch" rules make the task of umpiring easier; 3.) tradition in C.Y.O. Girls' athletics indicated a better competitive situation than in Boys' sports; 4.) adults are available in sufficient numbers for the job of umpiring.

C.Y.O. Junior Girl's Softball League
Rules and Information (Contd.)

At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for; a.) play-offs or tournaments; b.) games the C.Y.O. deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire... only one team has to make the request.

When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance, each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the position.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE C.Y.O. OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE C.Y.O. OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

MISCELLANEOUS:

- 1.) Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) C.Y.O. Standards of sportsmanship apply for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a week-day game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633, or to the C.Y.O. Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As announced earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which should add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$4.50 per game for the number of games a paid umpire is used, plus \$9.00 per game for games with two umpires. Team entry fee will be included on the statement if it has not already been paid.

C.Y.O. Junior Girl's Softball League
Rules and Information (Contd.)

7.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.

8.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER TO THE C.Y.O. OFFICE BY MONDAY, JUNE 16.

C.Y.O. JUNIOR BOYS' SOFTBALL LEAGUE

1 9 6 9

Rules and Information

ELIGIBILITY

- 1.) All incoming high school Freshmen or graduating high school Seniors are eligible plus all boys who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior C.Y.O. unit), with the following exceptions:
 - a.) Each team is allowed to have on the roster two boys from outside the parish, provided written permission for every such boy is obtained from the Priest Moderator of the boy's parish by the team's Priest Moderator and filed with the C.Y.O. Office on or before Monday, June 16, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior C.Y.O. unit as long as they are card-carrying members of your unit prior to June 2, 1969. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) A complete roster, listing name, address, and parish of each boy on the team must be filed with the C.Y.O. Office (also on or before Monday, June 16), along with letters of permission. Additions to the roster may be made throughout the season, but the C.Y.O. Office must be notified before these boys may be used in a game.

POSTPONEMENTS

Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the C.Y.O. Office is notified on or before Monday, June 16. Any such requests will be honored only if they are made on or before Monday, June 16. Please check your parish calendar and notify us before that date. Requests received after June 16 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

This is being done for the same reason as last year....to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the C.Y.O. Office to obtain an umpire.

MISCELLANEOUS

- 1.) Each team must have a lay adult coach. Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.

C.Y.O. JUNIOR BOYS' SOFTBALL LEAGUE
Rules and Information (Con't.)

- 2.) C.Y.O. Standards of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.
- 3.) If a team fails to appear for a scheduled game without notifying the C.Y.O. Office by the Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz 786-7958, Bill Sahm, 253-4633; or the call may be made to the C.Y.O. Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As announced earlier all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which should add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpire's fees after the season at a rate not to exceed \$4.50 per game, plus \$9.00 per game for games with 2 umpires. Team entry fee will be included on the statement if it has not already been paid.
- 7.) Official 1969 Softball rules will apply for the league. Copies are available at any sporting goods store.
- 8.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.
- 9.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 10.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER TO THE C.Y.O. OFFICE BY MONDAY, JUNE 16.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE C.Y.O. OFFICE, AND YOU MUST DO THIS ON OR BEFORE MONDAY, JUNE 16!!

- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior CYO unit), with the following exceptions:
 - a.) Each team is allowed to have on the roster two girls from outside the parish provided written permission for every such girl is obtained from the Parish Moderator of the girl's parish by the Priest Moderator of the team and filed with the CYO Office on or before Monday, June 22, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit as long as they are card-carrying members of your unit prior to June 8, 1970. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the CYO Office (also on or before Monday, June 22) along with letters of permission. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these girls may be used in a game. You may carry as many girls on the roster as you like.

POSTPONEMENTS:

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Monday, June 22. Any such request will be honored, but only if they are made on or before Monday, June 22. Please check your parish calendar and notify us before that date. Requests received after June 22 cannot be accepted and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.
- 2.) This is being done for the same reason as in past years --- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have enough copies of this schedule, and each parish had an opportunity to turn in its coaches' names.
- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office.

SPECIAL PLAYING RULES:

- 1.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball is used.

CYO Junior Girls' Softball League
Rules and Information (Contd.)

- 2.) We use the "slow pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate." (Speed and height are left entirely to the judgement of the umpire.) "Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body!"
- 3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after the third strike if the ball is not caught.
- 4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules.)
- 5.) For other special "slow-pitch" rules, see the 1970 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at any local sporting goods store.

UMPIRES:

Years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons: 1.) it would reduce the cost of Girls' Softball to the parishes; 2.) "Slow-pitch" rules make the task of umpiring easier; 3.) tradition in CYO Girls' athletics indicated a better competitive situation than in Boys' sports; 4.) adults are available in sufficient numbers for the job of umpiring.

At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for; a.) play-offs or tournaments; b.) games the CYO deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire... only one team has to make the request.

When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the positions.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE CYO OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE CYO OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

MISCELLANEOUS:

- 1.) Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) CYO Standards of sportsmanship apply for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the CYO Office by the Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.

CYO Junior Girls' Softball League
Rules and Information (Contd.)

- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633, or to the CYO Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the scores and standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As announced earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which should add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$5.00 per game for the number of games a paid umpire is used, plus \$9.00 per game for games with two umpires. Team entry fee will be included on the statement if it has not already been paid.
- 7.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 8.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER TO THE CYO OFFICE BY MONDAY, JUNE 22.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE CYO OFFICE, AND YOU MUST DO THIS ON OR BEFORE MONDAY, JUNE 22!!!

CYO JUNIOR GIRLS' SOFTBALL LEAGUE

1 9 7 1

Rules and Information

ELIGIBILITY

- 1.) All incoming high school Freshmen or graduating high school Seniors are eligible, plus all girls who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior CYO unit), with the following exception:
 - a.) Each team is allowed to have on the roster two girls from outside the parish, provided written permission for every such girl is obtained from the Parish Moderator of the girl's parish by the Priest Moderator of the team and filed with the CYO Office on or before Wednesday, June 16, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit as long as they are card-carrying members of your unit prior to June 8, 1971. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) An eligibility blank for each player on the Junior team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade this school year, so that the CYO Office will have on file the correct age and grade for every girl in the league, plus the signature of a parent. The physician's certificate is purely optional for each parish. Physical examinations are not as yet required for the girls. These blanks must be turned in to the CYO Office by Wednesday, June 16, along with the Participant's Registration Fee and the roster blank, which lists all the girls on the squad.
 - c.) Each player on every team in the league is to pay a Participant's Registration Fee of \$1.00 in order to participate in CYO Softball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office by Wednesday, June 16, along with the roster blank and eligibility blanks for each girl on the squad. The fee is over-and-above any other fees assessed by the Office for expenses incurred by the parish, and is to be paid by the individual, preferable.
 - d.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the CYO Office (also on or before Wednesday, June 16) along with letters of permission, the eligibility blanks, and the Participant's Registration Fee. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these girls may be used in a game, and the eligibility blank and the Participant's Registration Fee must be transmitted to the office. You may carry as many girls on the roster as you like.

POSTPONEMENTS

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Monday, June 21. Any such request will be honored, but only if they are made on or before Monday, June 21. Please check your parish calendar and notify us before that date. Requests received after June 21 cannot be accepted and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.
- 2.) This is being done for the same reason as in past years -- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have enough copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

CYO Junior Girls' Softball League

Rules and Information (Contd.)

- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office.

SPECIAL PLAYING RULES

- 1.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball is used.
- 2.) We use the "slow pitch" rules for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate". (Speed and height are left entirely to the judgment of the umpire.) "Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body".
- 3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after the third strike if the ball is not caught.
- 4.) Nine players shall constitute a team (this is our only exception to the slow-pitch rules). *11-3 as in*
- 5.) For other special "slow-pitch" rules, see the 1971 Official Softball rules, endorsed by the Amateur Softball Association. Copies may be obtained at any local sporting goods store.

- 7.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 8.) Each team is to provide a good "game ball" for every game.

CYO JUNIOR GIRLS' SOFTBALL LEAGUE

1 9 7 2

Rules and Information

ELIGIBILITY

- 1.) Incoming high school Freshmen or graduating high school Seniors are eligible, plus girls who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be members of the parish for which they play (or eligible for membership in that parish's Junior CYO unit), with the following exceptions:
 - a.) Each team is allowed to have on the roster two girls from outside the parish, provided written permission for every such girl is obtained from the Parish Moderator of the girl's parish by the Priest Moderator of the team and filed with the CYO Office on or before Wednesday, June 14, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit as long as they are card-carrying members of your unit prior to June 14, 1972. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) An eligibility blank for each player on the Junior team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade this school year, so that the CYO Office will have on file the correct age and grade for every girl in the league, plus the signature of a parent. If a girl has on file an eligibility blank for a previous CYO sport this school year, no additional permission is required. The physician's certificate is purely optional for each parish. Physical examinations are not as yet required for the girls. These blanks must be turned in to the CYO Office by Wednesday, June 14, along with the Participant's Registration Fee and the roster blank, which lists all the girls on the squad.
 - c.) Each player on every team in the league is to pay a Participant's Registration Fee of \$1.00 in order to participate in CYO Softball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office by Wednesday, June 14, along with the roster blank and eligibility blanks for each girl on the squad. The fee is over-and-above any other fees assessed by the Office for expenses incurred by the parish, and is to be paid by the individual, preferably.
 - d.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the CYO Office (also on or before Wednesday, June 14) along with letters of permission, the eligibility blanks, and the Participant's Registration Fee. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these girls may be used in a game, and the eligibility blank and the Participant's Registration Fee must be transmitted to the office. You may carry as many girls on the roster as you like.

POSTPONEMENTS

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Thursday, June 22. Any such request will be honored, but only if it is made on or before Thursday, June 22. Please check your parish calendar and notify us before that date. Requests received after June 22 cannot be accepted and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.
- 2.) This is being done for the same reason as in past years -- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have enough copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

CYO Junior Girls' Softball League
Rules and Information (Contd.)

3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office.

4.) All games are to be played on or before Monday, July 24, so that any necessary division play-offs can be scheduled and arrangements made for the postseason tournament.

SPECIAL PLAYING RULES

1.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 38 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball is used.

2.) We use the "slow pitch" rules in most instances, for the league. A delivery is legal when the ball is "pitched to the batter underhand at a moderate speed, with a perceptible arch of not less than one foot and that reaches a height of not more than ten feet before the ball reaches the plate". (Speed and height are left entirely to the judgment of the umpire.) "Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body."

3.) Under the slow-pitch rules, batters may not bunt or chop the ball, or run to first base after the third strike if the ball is not caught.

4.) Nine players shall constitute a team (this, the ball and the CYO substitution rule are our exceptions to the slow-pitch rules).

5.) For other special "slow-pitch" rules, see the 1972 Official Softball rules, endorsed by the International Softball Assoc. Copies are provided for each team.

6.) CYO Substitution Rule:

a.) Any player starting a game who has played through at least one out in the game, is entitled to leave the game at any time after that point and re-enter once.

b.) When re-entering the game at a later time, she must return to the line-up in the same place in the batting order that she occupied when she was removed. (This simply means that the position on the field may be changed for the starting player who re-enters the line-up, but her spot in the Batting order must remain the same.) Starting players are not required to be out of the game any particular length of time before re-entering.

c.) When the starting player re-enters the game, the substitute who took that starter's place in the batting order may stay in the game, but since the starter returns to her original place in the order, the substitute then moves into the batting position of the player who leaves the game. This applies even if she might bat last in one inning and first in the next inning because of the theory that the important change in the line-up involves the starting player.

d.) Substitutes may enter the game at any time, except when the ball is in play (this includes pinch batters, who are eligible according to this rule). Substitutes entering the game may not return to the line-up once removed, and starters may return only once.

e.) Any re-entry into the game by a starting player must be announced both to the umpire and to the opposing coach.

CYO Junior Girls' Softball League
Rules and Information (Contd.)

- f.) The rule is not mandatory -- it simply allows coaches to use their "bench" in the game if they want to. If you don't want to, that's your prerogative, but we hope that you will understand the basic purpose of the rule....you are able to put substitutes in the game, and thus give them valuable experience (not to mention keeping up their interest), without jeopardizing your chances of winning the game.

UMPIRES

Years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons: 1.) it would reduce the cost of Girls' Softball to the parishes; 2.) "Slow-pitch" rules make the task of umpiring easier; 3.) tradition in CYO Girls' athletics indicated a better competitive situation than in Boys' sports; 4.) adults are available in sufficient numbers for the job of umpiring.

At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for: a.) playoffs or tournaments; b.) games the CYO deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire...only one team has to make the request.

When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance each umpire can work the entire game either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the positions.

REMEMBER!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE CYO OFFICE AT LEAST 24 HOURS IN ADVANCE, OR UNLESS THE CYO OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!

MISCELLANEOUS

- 1.) Two adults, including the coach, must accompany the team to all games. This rule helps insure good conduct. The opposing team may claim a forfeit if two of your adults are not present for any game.
- 2.) CYO Standards of sportsmanship apply for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the CYO Office by the Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game to Bill Kuntz, 786-7958, Bill Sahm, 253-4633, or Major Schnieders, 251-2033, on the evening of the game, or to the CYO Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As stated earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be acheduled. All teams are eligible for the tournament, which should continue to add some extra flavor to the Softball program.

*CYO Junior Girls' Softball League
Rules and Information (Contd.)

- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$5.00 per game for the number of games a paid umpire is used, plus \$9.00 per game for games with two umpires. Team entry fee will be included on the statement if it has not already been paid. The Participant's Registration Fee is not payable at the end of the season, but must be paid by Wednesday, June 14.
- 7.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 8.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER BLANK, ALONG WITH THE ELIGIBILITY BLANKS, PARTICIPANT'S REGISTRATION FEES, ETC., TO THE CYO OFFICE BY WEDNESDAY, JUNE 14.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE CYO OFFICE, AND YOU MUST DO THIS ON OR BEFORE THURSDAY, JUNE 22!!!

CYO JUNIOR GIRLS' SUMMER SOFTBALL LEAGUE

1 9 7 3

Rules and Information

ELIGIBILITY

- 1.) Incoming high school Freshmen or graduating high school Seniors are eligible, plus girls who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be eligible for membership in that parish's Junior CYO unit according to the CYO General Eligibility Standards Brochure. Keep in mind the following stipulations:
 - a.) Each team is allowed to have on the roster two girls from outside the parish, provided written permission for every such girl is obtained from the Priest Moderator of the girl's parish by the Priest Moderator of the team and filed with the CYO Office on or before Wednesday, June 20, 1973, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit. If they live outside the parish boundaries Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) An eligibility blank for each player on the team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade this school year, so that the CYO Office will have on file the correct age and grade for every girl in the league, plus the signature of a parent. If a girl has on file an eligibility blank for a previous CYO sport this school year, no additional permission is required. The physician's certificate is purely optional for each parish. Physical examinations are not required for the girls. These blanks must be turned in to the CYO Office by Wednesday, June 20, along with the Participant's Registration Fee and the roster blank, which lists all the girls on the squad.
 - c.) Each player on every team in the league is to pay a Participant's Registration Fee of \$1.00 in order to participate in CYO Softball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office by Wednesday, June 20, along with the roster blank and eligibility blanks for each girl on the squad. The fee is over-and-above any other fees assessed by the Office for expenses incurred by the parish, and is to be paid by the individual, preferably.
 - d.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the CYO Office (also on or before Wednesday, June 20) along with any necessary letters of permission, the eligibility blanks, and the Participant's Registration Fee. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these girls may be used in a game, and the eligibility blank and the Participant's Registration Fee must be transmitted to the office. You may carry as many girls on the roster as you like.

POSTPONEMENTS

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Tuesday, June 26. Any such request will be honored, but only if it is made on or before Tuesday, June 26. Please check your parish calendar and notify us before that date. Requests received after June 26 cannot be accepted and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- 2.) This is being done for the same reason as in past years -- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have enough copies of this schedule, and each parish had an opportunity to turn in its coaches' names.
- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office.
- 4.) All games are to be played on or before Monday, July 23, so that any necessary division play-offs can be scheduled and arrangements made for the postseason tournament.

MISCELLANEOUS

- 1.) Two adults, including the coach, should accompany the team to all games. This rule helps insure good conduct. If you do not have two adults, and your team causes a problem at the game, the opposing team may ask the CYO Rules, Eligibility & Protest Committee for a review of the situation with any penalties for misconduct to be imposed by that committee.
- 2.) CYO Standards of sportsmanship apply for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the CYO Office by the Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game either to Bill Kuntz, 786-7958 or Major Schnieders, 251-3360, on the evening of the game, or to the CYO Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As stated earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which once again should continue to add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$5.50 per game for the number of games a paid umpire is used, plus \$11.00 per game for games with two or more umpires. Team entry fee will be included on the statement if it has not already been paid. The Participant's Registration Fee is not payable at the end of the season, but must be paid by Wednesday, June 20.
- 7.) Official 1973 Slow Pitch Softball Rules will apply for the league with the exception of the CYO Substitution Rule (See 8 below):
 - a.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 40 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball is used.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- b.) We use the "slow pitch" rules in most instances, for the league (the CYO substitution rule is the lone exception.) A delivery is legal when the ball is pitched to the batter underhand at a moderate speed, with a perceptible arch of at least three feet and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgment of the umpire.) Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body.
- c.) Under the slow-pitch rules, batters may not bunt or chop the ball downward, or run to first base after the third strike if the ball is not caught.
- d.) Ten players shall constitute a team.

8.) CYO Substitution Rule:

- a.) Any player starting a game who has played through at least one out in the game, is entitled to leave the game at any time after that point and re-enter once.
- b.) When re-entering the game at a later time, she must return to the line-up in the same place in the batting order that she occupied when she was removed. (This simply means that the position on the field may be changed for the starting player who re-enters the line-up, but her spot in the batting order must remain the same.) Starting players are not required to be out of the game any particular length of time before re-entering.
- c.) When the starting player re-enters the game, the substitute who took that starter's place in the batting order may stay in the game, but since the starter returns to her original place in the order, the substitute then moves into the batting position of the player who leaves the game. This applies even if she might bat last in one inning and first in the next inning because of the theory that the important change in the line-up involves the starting player.
- d.) Substitutes may enter the game at any time, except when the ball is in play (this includes pinch batters, who are eligible according to this rule). Substitutes entering the game may not return to the line-up once removed, and starters may return only once.
- e.) Any re-entry into the game by a starting player must be announced both to the umpire and to the opposing coach.
- f.) The rule is not mandatory -- it simply allows coaches to use their "bench" in the game if they want to. If you don't want to, that's your prerogative, but we hope that you will understand the basic purpose of the rule.... you are able to put substitutes in the game, and thus give them valuable experiences (not to mention keeping up their interest), without jeopardizing your chances of winning the game.

UMPIRES

- 9.) Years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons: 1.) it would reduce the cost of Girls' Softball to the parishes; 2.) "Slow-pitch" rules make the task of umpiring easier; 3.) tradition in CYO Girls' athletics indicated a better competitive situation than in Boys' sports; 4.) adults are available in sufficient number for the job of umpiring. At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for: a.) playoffs or tournaments; b.) games the CYO deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire....only one team has to make the request.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- a.) When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance each umpire can work the entire game, either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the positions.

SPECIAL NOTE:

REMEMBER!!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE CYO OFFICE AT LEAST 24
IN ADVANCE, OR UNLESS THE CYO OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN
ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED
WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!!!

- 10.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 11.) Each team is to provide a good "game ball" for every game.

CYO JUNIOR BOYS' SOFTBALL LEAGUE

1973

Rules and Information

ELIGIBILITY

- 1.) Incoming high school Freshmen or graduating high school Seniors are eligible, plus boys who will be Sophomores, Juniors or Seniors in the Fall.
- 2.) All players on a team must be eligible for membership in that parish's Junior CYO unit, according to the CYO General Eligibility Standards. Keep in mind the following stipulations:
 - a.) Each team is allowed to have on the roster two boys from outside the parish, provided written permission for every such boy is obtained from the Priest Moderator of the boy's parish by the Priest Moderator of the team and filed with the CYO Office on or before Wednesday, June 20, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) An eligibility blank for each player on the team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the boy's birth date to be inserted, and his grade this school year, so that the CYO Office will have on file the correct age and grade for every boy in the league, plus the signature of a parent. If a boy has on file an eligibility blank for a previous CYO sport this school year no additional permission is required. The physician's certificate is purely optional for each parish. Physical examinations are not required for Junior boys. These blanks must be turned in to the CYO Office by Wednesday, June 20, along with the Participant's Registration Fee and the roster blank, which lists all the boys on the squad.
 - c.) Each player on every team in the league is to pay a Participant's Registration Fee of \$1.00 in order to participate in CYO Softball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office by Wednesday, June 20, along with the roster blank and eligibility blanks for each boy on the squad. The fee is over-and-above any other fees assessed by the Office for expenses incurred by the parish, and is to be paid by the individual, preferably.
 - d.) A complete roster, listing name, address, and parish of each boy on the team must be filed with the CYO Office (also on or before Wednesday, June 20) along with any necessary letters of permission, the eligibility blanks, and the Participant's Registration Fee. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these boys may be used in a game, and the eligibility blank and the Participant's Registration Fee must be transmitted to the Office. You may carry as many boys on the roster as you like.

POSTPONEMENTS:

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Tuesday, June 26. Any such request will be honored only if it is made on or before Tuesday, June 26. Requests received after June 26 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.
- 2.) This is being done for the same reason as in previous years....to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not

constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office to obtain an umpire.
- 4.) All games are to be played on or before Monday, July 23, so that any necessary division play-offs can be scheduled and arrangements made for the post-season tournament.

MISCELLANEOUS

- 1.) Two adults, including the coach, should accompany the team to all games. This rule helps insure good conduct. If you do not have two adults, and your team causes a problem at the game, the opposing team may ask the CYO Rules, Eligibility and Protest Committee for a review of the situation with any penalty for misconduct to be imposed by that committee.
- 2.) CYO Standards of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.
- 3.) If a team fails to appear for a scheduled game without notifying the CYO Office by the Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game either to Bill Kuntz, 786-7958 or Major Schnieders, 251-3360, on the evening of the game, or to the CYO Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As announced earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which, once again, should continue to add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$5.50 per game, plus \$11.00 per game for games with 2 umpires. Team entry fee will be included on the statement if it has not already been paid. The participant's Registration Fee is not payable at the end of the season, but must be paid by Wednesday, June 20.
- 7.) Official 1973 Fast Pitch Softball Rules will apply for the league, with the exception of the CYO substitution Rule (see below).
- 8.) CYO Substitution Rule:
 - a.) Any player starting a game who has played through at least one out in the game, is entitled to leave the game at any time after that point and re-enter once.
 - b.) When re-entering the game at a later time, he must return to the line-up in the same place in the batting order that he occupied when he was removed. (This simply means that the position on the field may be changed for the starting player who re-enters the line-up, but his spot in the batting order must remain the same). Starting players are not required to

- be out of the game any particular length of time before re-entering.
- c.) When the starting player re-enters the game, the substitute who took that starter's place in the batting order may stay in the game, but since the starter returns to his original place in the order, the substitute then moves into the batting position of the player who leaves the game. This applies even if he might bat last in one inning and first in the next inning because of the theory that the important change in the line-up involves the starting player.
 - d.) Substitutes may enter the game at any time, except when the ball is in play (this includes pinch batters, who are eligible according to this rule). Substitutes entering the game may not return to the line-up once removed, and starters may return only once.
 - e.) Any re-entry into the game by a starting player must be announced both to the umpire and to the opposing coach.
 - f.) The rule is not mandatory -- it simply allows coaches to use their "bench" in the game if they want to. If you don't want to, that's your prerogative, but we hope that you will understand the basic purpose of the ruleyou are able to put substitutes in the game, and thus give them valuable experience (not to mention keeping up their interest), without jeopardizing your chances of winning the game.
- 9.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.
- 10.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 11.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER BLANK, ALONG WITH THE ELIGIBILITY BLANKS, PARTICIPANT'S REGISTRATION FEES, ETC., TO THE CYO OFFICE BY WEDNESDAY, JUNE 20.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE CYO OFFICE, AND YOU MUST DO THIS ON OR BEFORE THURSDAY, JUNE 26.

CYO JUNIOR BOYS' SOFTBALL LEAGUE

1974

Rules and Information

ELIGIBILITY

- 1.) Incoming high school Freshmen or graduating high school Seniors are eligible, plus boys who will be Sophomores, Juniors or Seniors in the Fall.
- 2.) All players on a team must be eligible for membership in that parish's Junior CYO unit, according to the CYO General Eligibility Standards. Keep in mind the following stipulations:
 - a.) Each team is allowed to have on the roster two boys from outside the parish, provided written permission for every such boy is obtained from the Priest Moderator of the boys' parish by the Priest Moderator of the team and filed with the CYO Office on or before Friday, June 14, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) An eligibility blank for each player on the team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the boys' birth date to be inserted, and his grade this school year, so that the CYO Office will have on file the correct age and grade for every boy in the league, plus the signature of a parent. If a boy has on file an eligibility blank for a previous CYO sport this school year no additional permission is required. The physician's certificate is purely optional for each parish. Physical examinations are not required for Junior boys. These blanks must be turned in to the CYO Office by Friday, June 14, along with the Participant's Registration Fee and the roster blank, which lists all the boys on the squad.
 - c.) Each player on every team in the league is to pay a Participant's Registration Fee of \$1.50 in order to participate in CYO Softball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office by Friday, June 14, along with the roster blank and eligibility blanks for each boy on the squad. The fee is over-and-above any other fees assessed by the Office for expenses incurred by the parish, and is to be paid by the individual, preferably.
 - d.) A complete roster, listing name, address, and parish of each boy on the team must be filed with the CYO Office (also on or before Friday, June 14) along with any necessary letters of permission, the eligibility blanks, and the Participant's Registration Fee. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these boys may be used in a game, and the eligibility blank and the Participant's Registration Fee must be transmitted to the Office. You may carry as many boys on the roster as you like.

POSTPONEMENTS:

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Tuesday, June 25. Any such request will be honored only if it is made on or before Tuesday, June 25. Requests received after June 25 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.
- 2.) This is being done for the same reason as in previous years....to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office to obtain an umpire.
- 4.) All games are to be played on or before Monday, July 22, so that any necessary division play-offs can be scheduled and arrangements made for the post-season tournament.

MISCELLANEOUS

- 1.) Two adults, including the coach, should accompany the team to all games. This rule helps insure good conduct. If you do not have two adults, and your team causes a problem at the game, the opposing team may ask the CYO Rules, Eligibility and Protest Committee for a review of the situation with any penalty for misconduct to be imposed by that committee.
- 2.) CYO Standards of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.
- 3.) If a team fails to appear for a scheduled game without notifying the CYO Office by Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game either to Bill Kuntz, 786-7958 or Denny Southerland, 849-3996, on the evening of the game, or to the CYO Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As announced earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which, once again, should continue to add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$7.00 per game, plus \$14.00 per game for games with two umpires. Team entry fee will be included on the statement if it has not already been paid. The participant's Registration Fee is not payable at the end of the season, but must be paid by Friday, June 14.
- 7.) Official 1974 Fast Pitch Softball Rules will apply for the league, with the exception of the CYO Substitution Rule (see below).
- 8.) CYO Substitution Rule:
 - a.) Any player starting a game who has played through at least one out in the game, is entitled to leave the game at any time after that point and re-enter once.
 - b.) When re-entering the game at a later time, he must return to the line-up in the same place in the batting order that he occupied when he was removed. (This simply means that the position on the field may be changed for the starting player who re-enters the line-up, but his spot in the batting order must remain the same). Starting players are not required to be out of the game any particular length of time before re-entering.

- c.) When the starting player re-enters the game, the substitute who took that starter's place in the batting order may stay in the game, but since the starter returns to his original place in the order, the substitute then moves into the batting position of the player who leaves the game. This applies even if he might bat last in one inning and first in the next inning because of the theory that the important change in the line-up involves the starting player.
 - d.) Substitutes may enter the game at any time, except when the ball is in play (this includes pinch batters, who are eligible according to this rule). Substitutes entering the game may not return to the line-up once removed, and starters may return only once.
 - e.) Any re-entry into the game by a starting player must be announced both to the umpire and the opposing coach.
 - f.) The rule is not mandatory -- it simply allows coaches to use their "bench" in the game if they want to. If you don't want to, that's your prerogative, but we hope that you will understand the basic purpose of the rule...you are able to put substitutes in the game, and thus give them valuable experience (not to mention keeping up their interest); without jeopardizing your chances of winning the game.
- 9.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.
- 10.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 11.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER BLANK, ALONG WITH THE ELIGIBILITY BLANKS, PARTICIPANT'S REGISTRATION FEES, ETC., TO THE CYO OFFICE BY FRIDAY, JUNE 14.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE CYO OFFICE, AND YOU MUST DO THIS ON OR BEFORE THURSDAY, JUNE 25.

CYO JUNIOR GIRLS' SUMMER SOFTBALL LEAGUE

1974

Rules and Information

ELIGIBILITY

- 1.) Incoming high school Freshman or graduating high school Seniors are eligible, plus girls who will be Sophomores, Juniors, or Seniors in the Fall.
- 2.) All players on a team must be eligible for membership in that parish's Junior CYO unit according to the CYO General Eligibility Standards Brochure. Keep in mind the following stipulations:
 - a.) Each team is allowed to have on the roster two girls from outside the parish, provided written permission for every such girl is obtained from the Priest Moderator of the girl's parish by the Priest Moderator of the team and filed with the CYO Office on or before Friday, June 14, 1974, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit. If they live outside the parish boundaries Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) An eligibility blank for each player on the team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade this school year, so that the CYO Office will have on file the correct age and grade for every girl in the league, plus the signature of a parent. If a girl has on file an eligibility blank for a previous CYO sport this school year, no additional permission is required. The physician's certificate is purely optional for each parish. Physical examinations are not required for the girls. These blanks must be turned in to the CYO Office by Friday, June 14, along with the Participant's Registration Fee and the roster blank, which lists all the girls on the squad.
 - c.) Each player on every team in the league is to pay a Participant's Registration Fee of \$1.50 in order to participate in CYO Softball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office by Friday, June 14, along with the roster blank and eligibility blanks for each girl on the squad. The fee is over-and-above any other fees assessed by the Office for expenses incurred by the parish, and is to be paid by the individual, preferably.
 - d.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the CYO Office (also on or before Friday, June 14) along with any necessary letters of permission, the eligibility blanks, and the Participant's Registration Fee. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these girls may be used in a game, and the eligibility blank and the Participant's Registration Fee must be transmitted to the office. You may carry as many girls on the roster as you like.

POSTPONEMENTS

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Tuesday, June 25. Any such request will be honored, but only if it is made on or before Tuesday, June 25. Please check your parish calender and notify us before that date. Requests received after June 25 cannot be accepted and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- 2.) This is being done for the same reason as in past years -- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have enough copies of this schedule, and each parish had an opportunity to turn in its coaches' names.
- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office.
- 4.) All games are to be played on or before Monday, July 22, so that any necessary division play-offs can be scheduled and arrangements made for the postseason tournament.

MISCELLANEOUS

- 1.) Two adults, including the coach, should accompany the team to all games. This rule helps insure good conduct. If you do not have two adults, and your team causes a problem at the game, the opposing team may ask the CYO Rules, Eligibility & Protest Committee for a review of the situation with any penalties for misconduct to be imposed by that committee.
- 2.) CYO Standards of sportsmanship apply for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the CYO Office by the Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game either to Bill Kuntz, 786-7958 or Denny Southerland, 849-3996, on the evening of the game, or to the CYO Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As stated earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which once again should continue to add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$7.00 per game for the number of games a paid umpire is used, plus \$14.00 per game for games with two or more umpires. Team entry fee will be included on the statement if it has not already been paid. The Participant's Registration Fee is not payable at the end of the season, but must be paid by Friday, June 14.
- 7.) Official 1973 Slow Pitch Softball Rules will apply for the league with the exception of the CYO Substitution Rule. (See 8. below):
 - a.) Girls' Softball is played on a regular softball diamond, but the pitching distance is 40 feet instead of the standard 46 feet. Distance should be measured by teams before each game. The regulation Softball is used.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- b.) We use the "slow pitch" rules in most instances, for the league (the CYO substitution rule is the lone exception.) A delivery is legal when the ball is pitched to the batter underhand at a moderate speed, with a perceptible arch of at least three feet and that reaches a height of not more than ten feet before the ball reaches the plate. (Speed and height are left entirely to the judgment of the umpire.) Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body.
- c.) Under the slow-pitch rules, batters may not bunt or chop the ball downward, or run to first base after the third strike if the ball is not caught.
- d.) Ten players shall constitute a team.

8.) CYO Substitution Rule:

- a.) Any player starting a game who has played through at least one out in the game, is entitled to leave the game at any time after that point and re-enter once.
- b.) When re-entering the game at a later time, she must return to the line-up in the same place in the batting order that she occupied when she was removed. (This simply means that the position on the field may be changed for the starting player who re-enters the line-up, but her spot in the batting order must remain the same.) Starting players are not required to be out of the game any particular length of time before re-entering.
- c.) When the starting player re-enters the game, the substitute who took that starter's place in the batting order may stay in the game, but since the starter returns to her original place in the order, the substitute then moves into the batting position of the player who leaves the game. This applies even if she might bat last in one inning and first in the next inning because of the theory that the important change in the line-up involves the starting player.
- d.) Substitutes may enter the game at any time, except when the ball is in play (this includes pinch batters, who are eligible according to this rule). Substitutes entering the game may not return to the line-up once removed, and starters may return only once.
- e.) Any re-entry into the game by a starting player must be announced both to the umpire and to the opposing coach.
- f.) The rule is not mandatory -- it simply allows coaches to use their "bench" in the game if they want to. If you don't want to, that's your prerogative, but we hope that you will understand the basic purpose of the rule....you are able to put substitutes in the game, and thus give them valuable experiences (not to mention keeping up their interest), without jeopardizing your chances of winning the game.

UMPIRES

- 9.) Years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons:
- 1.) it would reduce the cost of Girls' Softball to the parishes;
 - 2.) "Slow-pitch" rules make the task of umpiring easier;
 - 3.) tradition in CYO Girls' athletics indicated a better competitive situation than in Boys' sports;
 - 4.) adults are available in sufficient number for the job of umpiring.
- At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for: a.) playoffs or tournaments; b.) games the CYO deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire....only one team has to make the request.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- a.) When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance each umpire can work the entire game, either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the positions.

SPECIAL NOTE:

REMEMBER!!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE CYO OFFICE AT LEAST 24
IN ADVANCE, OR UNLESS THE CYO OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN
ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED
WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!!

- 10.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 11.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER BLANK, ALONG WITH THE ELIGIBILITY BLANKS, PARTICIPANT'S
REGISTRATION FEES, ETC., TO THE CYO OFFICE BY Friday, June 14.

CYO JUNIOR BOYS' SOFTBALL LEAGUE

1975

Rules and Information

ELIGIBILITY

- 1.) Incoming high school Freshmen or graduating high school Seniors are eligible, plus boys who will be Sophomores, Juniors or Seniors in the Fall.
- 2.) All players on a team must be eligible for membership in that parish's Junior CYO unit, according to the CYO General Eligibility Standards. Keep in mind the following stipulations:
 - a.) Each team is allowed to have on the roster two boys from outside the parish, provided written permission for every such boy is obtained from the Priest Moderator of the boys' parish by the Priest Moderator of the team and filed with the CYO Office on or before Friday, June 13, 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit. If they live outside the parish boundaries, Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) An eligibility blank for each player on the team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the boys' birth date to be inserted, and his grade this school year, so that the CYO Office will have on file the correct age and grade for every boy in the league, plus the signature of a parent. If a boy has on file an eligibility blank for a previous CYO sport this school year no additional permission is required. The physician's certificate is purely optional for each parish. Physical examinations are not required for Junior boys. These blanks must be turned in to the CYO Office by Friday, June 13, along with the Participant's Registration Fee and the roster blank, which lists all the boys on the squad.
 - c.) Each player on every team in the league is to pay a Participant's Registration Fee of \$1.50 in order to participate in CYO Softball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office by Friday, June 13, along with the roster blank and eligibility blanks for each boy on the squad. The fee is over-and-above any other fees assessed by the Office for expenses incurred by the parish, and is to be paid by the individual, preferably.
 - d.) A complete roster, listing name, address, and parish of each boy on the team must be filed with the CYO Office (also on or before Friday, June 13) along with any necessary letters of permission, the eligibility blanks, and the Participant's Registration Fee. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these boys may be used in a game, and the eligibility blank and the Participant's Registration Fee must be transmitted to the Office. You may carry as many boys on the roster as you like.

POSTPONEMENTS:

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Tuesday, June 24. Any such request will be honored only if it is made on or before Tuesday, June 24. Requests received after June 24 cannot be accepted, and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.
- 2.) This is being done for the same reason as in previous years....to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change. Ignorance of this rule does not constitute an excuse, since all parishes have plenty of copies of this schedule, and each parish had an opportunity to turn in its coaches' names.

- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office to obtain an umpire.
- 4.) All games are to be played on or before Monday, July 21, so that any necessary division play-offs can be scheduled and arrangements made for the post-season tournament.

MISCELLANEOUS

- 1.) Two adults, including the coach, should accompany the team to all games. This rule helps insure good conduct. If you do not have two adults, and your team causes a problem at the game, the opposing team may ask the CYO Rules, Eligibility and Protest Committee for a review of the situation with any penalty for misconduct to be imposed by that committee.
- 2.) CYO Standards of sportsmanship apply emphatically for this league, probably more so than any other, because in the past we have had more than our share of trouble with Boys' Softball. We will not tolerate any umpire-baiting, fights, obscene or abusive language, and it is up to the coaches to control their teams. Remember that you won't be warned twice about your conduct or that of your players or fans.
- 3.) If a team fails to appear for a scheduled game without notifying the CYO Office by Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game either to Bill Kuntz, 786-7958 or Denny Southerland, 849-6684, on the evening of the game, or to the CYO Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As announced earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which, once again, should continue to add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$7.50 per game, plus \$14.00 per game for games with two umpires. Team entry fee will be included on the statement if it has not already been paid. The Participant's Registration Fee is not payable at the end of the season, but must be paid by Friday, June 13.
- 7.) Official Fast Pitch Softball Rules will apply for the league, with the exception of the CYO Substitution Rule (see below).
- 8.) CYO Substitution Rule:
 - a.) Any player starting a game who has played through at least one out in the game, is entitled to leave the game at any time after that point and re-enter once.
 - b.) When re-entering the game at a later time, he must return to the line-up in the same place in the batting order that he occupied when he was removed. (This simply means that the position on the field may be changed for the starting player who re-enters the line-up, but his spot in the batting order must remain the same). Starting players are not required to be out of the game any particular length of time before re-entering.

- c.) When the starting player re-enters the game, the substitute who took that starter's place in the batting order may stay in the game, but since the starter returns to his original place in the order, the substitute then moves into the batting position of the player who leaves the game. This applies even if he might bat last in one inning and first in the next inning because of the theory that the important change in the line-up involves the starting player.

 - e.) Any re-entry into the game by a starting player must be announced both to the umpire and the opposing coach.
 - f.) The rule is not mandatory -- it simply allows coaches to use their "bench" in the game if they want to. If you don't want to, that's your prerogative, but we hope that you will understand the basic purpose of the rule...you are able to put substitutes in the game, and thus give them valuable experience (not to mention keeping up their interest), without jeopardizing your chances of winning the game.
- 9.) If the assigned umpire fails to appear for any game, coaches should try to play the game with volunteer umpires, if at all possible. Each coach has the right to refuse to play the game under these circumstances, but we urge them to get the game "on the books" and thus avoid unnecessary make-up games. Teams should attempt to bring along an extra adult to handle umpiring duties in the event of the regular official's failure to appear. If both teams bring an adult who can umpire, the two men should split the duties equally.
- 10.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 11.) Each team is to provide a good "game ball" for every game.

GET YOUR ROSTER BLANK, ALONG WITH THE ELIGIBILITY BLANKS, PARTICIPANT'S REGISTRATION FEES, ETC., TO THE CYO OFFICE BY FRIDAY, JUNE 13.

DON'T FORGET THAT IN THE EVENT YOU WANT ANY GAME POSTPONED, BECAUSE OF A PARISH PICNIC OR SOME OTHER CONFLICT, YOU MUST MAKE ARRANGEMENTS BY CONTACTING THE OPPOSING COACH AND THE CYO OFFICE, AND YOU MUST DO THIS ON OR BEFORE THURSDAY, JUNE 21.

CYO JUNIOR GIRLS' SUMMER SOFTBALL LEAGUE

1975

Rules and Information

ELIGIBILITY

- 1.) Incoming high school Freshman or graduating high school Seniors are eligible, plus girls who will be Sophomores, Juniors, or Seniors in the Fall,
- 2.) All players on a team must be eligible for membership in that parish's Junior CYO unit according to the CYO General Eligibility Standards Brochure. Keep in mind the following stipulations:
 - a.) Each team is allowed to have on the roster two girls from outside the parish, provided written permission for every such girl is obtained from the Priest Moderator of the girl's parish by the Priest Moderator of the team and filed with the CYO Office on or before Friday, June 13, 1975 5:00 P.M. Non-Catholics who live within your parish boundaries are allowed to compete as members of your Junior CYO unit. If they live outside the parish boundaries Non-Catholics are included in the limit of two outsiders, except that no letter of permission is needed.
 - b.) An eligibility blank for each player on the team is to be filled out and signed by one parent and the parish Priest Moderator. This blank has space for the girl's birth date to be inserted, and her grade this school year, so that the CYO Office will have on file the correct age and grade for every girl in the league, plus the signature of a parent. If a girl has on file an eligibility blank for a previous CYO sport this school year, no additional permission is required. The physician's certificate is purely optional for each parish. Physical examinations are not required for the girls. These blanks must be turned in to the CYO Office by Friday, June 13, along with the Participant's Registration Fee and the roster blank, which lists all the girls on the squad.
 - c.) Each player on every team in the league is to pay a Participant's Registration Fee of \$1.50 in order to participate in CYO Softball. This fee is to be collected from every player by the coach or adult supervisor and transmitted to the CYO Office by Friday, June 13, along with the roster blank and eligibility blanks for each girl on the squad. The fee is over-and-above any other fees assessed by the Office for expenses incurred by the parish, and is to be paid by the individual, preferably.
 - d.) A complete roster, listing name, address, and parish of each girl on the team must be filed with the CYO Office (also on or before Friday, June 13) along with any necessary letters of permission, the eligibility blanks, and the Participant's Registration Fee. Additions to the roster may be made throughout the season, but the CYO Office must be notified before these girls may be used in a game, and the eligibility blank and the Participant's Registration Fee must be transmitted to the office. You may carry as many girls on the roster as you like.

POSTPONEMENTS

- 1.) Except for games washed out by rain or postponed because of wet grounds, no other postponements will be allowed unless the CYO Office is notified on or before Tuesday, June 24. Any such request will be honored, but only if it is made on or before Tuesday, June 24. Please check your parish calender and notify us before that date. Requests received after June 24 cannot be accepted and games involved will be forfeited to the opposing team, unless the game is played in advance of the original date.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- 2.) This is being done for the same reason as in past years -- to avoid unnecessary postponements which have delayed the season in the past, and to give us ample time to notify umpires of the change, if an umpire is used for the game. Ignorance of this rule does not constitute an excuse, since all parishes have enough copies of this schedule, and each parish had an opportunity to turn in its coaches' names.
- 3.) Games legitimately postponed are to be made up within a week of the original date, weather permitting. The coach of the "home" team (or the coach of the team requesting the postponement) is responsible for contacting the opponents, arranging a make-up game, and notifying the CYO Office.
- 4.) All games are to be played on or before Monday, July 21, so that any necessary division play-offs can be scheduled and arrangements made for the postseason tournament.

MISCELLANEOUS

- 1.) Two adults, including the coach, should accompany the team to all games. This rule helps insure good conduct. If you do not have two adults, and your team causes a problem at the game, the opposing team may ask the CYO Rules, Eligibility & Protest Committee for a review of the situation with any penalties for misconduct to be imposed by that committee.
- 2.) CYO Standards of sportsmanship apply for this league. We will not tolerate umpire-baiting or other examples of unsportsmanlike conduct.
- 3.) If a team fails to appear for a scheduled game without notifying the CYO Office by the Friday before the game (or by 12:00 Noon of the day before a weekday game), that team will automatically forfeit the game to its opponent, and will bear the full cost (if any) of officials for the un-played game.
- 4.) Coaches of both teams are to call the final score after every game either to Bill Kuntz, 786-7958 or Denny Southerland, 849-6684, on the evening of the game, or to the CYO Office, 632-9311 by 10:30 A.M. on the day following the game. We must have the cooperation of all winning coaches in this regard, in order that the standings may appear in the papers each week.
- 5.) Sites, dates, and times for the tournament will be announced later. As stated earlier, all teams will play through the season, division champions will be determined, then a postseason tournament will be scheduled. All teams are eligible for the tournament, which once again should continue to add some extra flavor to the Softball program.
- 6.) Each team will be billed for umpires' fees after the season at a rate not to exceed \$7.50 per game for the number of games a paid umpire is used, plus \$14.00 per game for games with two or more umpires. Team entry fee will be included on the statement if it has not already been paid. The Participant's Registration Fee is not payable at the end of the season, but must be paid by Friday, June 13.
- 7.) Official Slow Pitch Softball Rules will apply for the league with the exception of the CYO Substitution Rule (See 8 below):
 - a.) Girls' Softball is played on a regular softball diamond. The pitching distance is the standard 45 feet. Distance should be measured by teams before each game. The regulation Softball is used.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- b.) We use the "slow pitch" rules in most instances, for the league (the CYO substitution rule is the lone exception.) A delivery is legal when the ball is pitched to the batter underhand at a moderate speed, with a perceptible arch of at least three feet and up to any height. (Speed and height are left entirely to the judgment of the umpire.) Pitcher must have one foot in contact with the pitcher's plate and must deliver the ball the first time the arm passes the body.
- c.) Under the slow-pitch rules, batters may not bunt or chop the ball downward, or run to first base after the third strike if the ball is not caught.
- d.) Ten players shall constitute a team.
- 8.) CYO Substitution Rule:
- a.) Any player starting a game who has played through at least one out in the game, is entitled to leave the game at any time after that point and re-enter once.
- b.) When re-entering the game at a later time, she must return to the line-up in the same place in the batting order that she occupied when she was removed. (This simply means that the position on the field may be changed for the starting player who re-enters the line-up, but her spot in the batting order must remain the same.) Starting players are not required to be out of the game any particular length of time before re-entering.
- c.) When the starting player re-enters the game, the substitute who took that starter's place in the batting order may stay in the game, but since the starter returns to her original place in the order, the substitute then moves into the batting position of the player who leaves the game. This applies even if she might bat last in one inning and first in the next inning because of the theory that the important change in the line-up involves the starting player.
- d.) Substitutes may enter the game at any time, except when the ball is in play (this includes pinch batters, who are eligible according to this rule). Substitutes entering the game may not return to the line-up once removed, and starters may return only once.
- e.) Any re-entry into the game by a starting player must be announced both to the umpire and to the opposing coach.
- f.) The rule is not mandatory -- it simply allows coaches to use their "bench" in the game if they want to. If you don't want to, that's your prerogative, but we hope that you will understand the basic purpose of the rule....you are able to put substitutes in the game, and thus give them valuable experiences (not to mention keeping up their interest), without jeopardizing your chances of winning the game.

UMPIRES

- 9.) Years ago, as an experiment, we stopped the practice of using paid umpires, unless a special request was made. This was done for a few logical reasons: 1.) it would reduce the cost of Girls' Softball to the parishes; 2.) "Slow-pitch" rules make the task of umpiring easier; 3.) tradition in CYO Girls' athletics indicated a better competitive situation than in Boys' sports; 4.) adults are available in sufficient number for the job of umpiring. At any rate, it has been tried, and has worked well. Keep in mind that paid umpires still will be assigned for: a.) playoffs or tournaments; b.) games the CYO deems sufficiently important; c.) if the coach of either team asks for an umpire by calling the Office at least 24 hours before the scheduled time for that game. The coach making the request must also inform the opposing coach, after he notifies the Office. Remember that it isn't necessary for both coaches to agree on an umpire....only one team has to make the request.

CYO Junior Girls' Summer Softball League
Rules and Information (Contd.)

- a.) When a paid umpire is not assigned, each team will provide a volunteer (preferably an adult who is not the coach) to split the duties. If the coaches agree in advance each umpire can work the entire game, either calling balls-and-strikes or on the bases. If not, they are to alternate innings at the positions.

SPECIAL NOTE:

REMEMBER!!! UNLESS YOU REQUEST AN UMPIRE BY CALLING THE CYO OFFICE AT LEAST 24
IN ADVANCE, OR UNLESS THE CYO OFFICE NOTIFIES YOU THAT A PAID UMPIRE HAS BEEN
ASSIGNED TO THE GAME, NO PAID UMPIRE WILL BE ASSIGNED AND ALL GAMES WILL BE PLAYED
WITH EACH TEAM PROVIDING A VOLUNTEER OFFICIAL!!!

- 10.) A coin flip between the opposing coaches will determine which team has the choice of batting first or taking the field first at the beginning of the game.
- 11.) Each team is to provide a good "game ball" for every game.
