Love **DEEPLY** **SHARE** *Generously*

In 2019, the Catholic Youth Organization celebrated its 80th anniversary of service to youth in the Archdiocese of Indianapolis. During this time over ONE MILLION young people have participated in CYO athletics, enrichment and Camp Rancho Framasa programs. That is an astounding number of children and families who have stayed connected with their Catholic school and parish through CYO participation all within the shadow of the Church and the Catholic faith.

As a volunteer-based organization, CYO could not have existed for 80 years without a solid group of volunteers and donors who have loved CYO deeply and shared generously. Without the love of the thousands of volunteers who have unselfishly given their time and talent to coach multiple sports, serve as parish athletic director, manage the gym, coordinate the school science fair, judge talent contests, chaperone deanery dances, drive youth to competitions or countless other efforts, CYO could not provide the extraordinary experience for young people that it is famous for. And without the support of thousands of donors who have shared generously with the CYO through the years, none of this success would have been possible. The foundation of the CYO has always been the people who have shared their gifts with others. These gifts have made it possible for the CYO to provide quality programs and services that have truly helped to define past and current generations of young people in our Catholic schools and parishes.

Thank you for being a special member of the CYO Family, but more importantly, thank you for loving CYO deeply and for sharing generously with this great organization. With your continued help today and in the future, another 80 years of service to youth is a realistic goal.

God bless you and your family always.

ROOKIE TACKLE FOOTBALL

During the 2018 CYO Football season, and for the first time since its inception, the 34 League had fewer players than the 56 League. After much research and discussion, we introduced the "Rookie Tackle" concept to the 34 League for the 2019 season. It was met with a great deal of interest and enthusiasm!

The primary differences between the Rookie Tackle concept and our other leagues include:

1. Rookie tackle is 7-man tackle football with full pads, instead of 11-man. Games are played on a shorter and narrower field.
2. Every player switches positions in the second and fourth quarters from what they played in the first and third quarters, so different players will be playing the line, back and receiver positions in alternating quarters.
3. Since there are fewer players per team and every player must be trained to play all positions on offense and defense, coaches felt that players became all-around better football players through the course of the season.
4. Every player, regardless of size, can touch the ball during the course of the game.

As we hoped, the 34 numbers were once again larger than the 56 numbers, which is promising. Because of the smaller number of players per team, more parishes were able to have their own teams versus consolidating with other parishes. Overall, the concept was well-received and became very popular with the players, parents and coaches!

NEW!

HIGH SCHOOL BOYS VOLLEYBALL

Years ago CYO High School Boys Volleyball was a part of our program. Eventually due to lack of participation, this league was dropped. More recently, Boys Volleyball has become one of the up and coming sports in our high schools. After brief discussion it was decided to reinitiate the CYO High School Boys Volleyball program!

The Fall 2019 season included both Boys teams and Girls teams for our high school youth with over 300 students participating. We're looking forward to welcoming back all of these teams in 2020 and encouraging others to join!

ARCHDIOCESE OF INDIANAPOLIS
The Church in Central and Southern Indiana

2018-2019 Annual Report

We Are Grateful

Located in the beautiful hills of Brown County, CYO Camp Rancho Framasa is owned by the Archdiocese of Indianapolis and operated by the Catholic Youth Organization (CYO). Originally established in 1946 as a summer camp for youth, Camp Rancho Framasa has developed into a year-round facility that provides an overnight camping experience for up to 250 children each week during the summer months and retreats, leadership courses and outdoor education programs throughout the school year for thousands of youth and adults. Families enjoy Family Camp Weekends, Mother Daughter Weekends and Father Son Campouts during the spring and fall as well.

Through the support of donors, the archdiocese and several organizations that have provided funding through grants over the years, CYO Camp is able to offer opportunities for fellowship within the unique setting of a Catholic camp. We are fortunate that those who came before us saw the importance of establishing a place for all of us to experience God through nature. It is our privilege to manage that which has been entrusted to us, and through prudent stewardship and planning, we look forward to continuing to provide for generations to come.

**Thank you to the many individuals who have supported CYO Camp Rancho Framasa.
We are sincerely grateful to you.**

Dear Friends,

Catholic Youth Organization Camp Rancho Framasa welcomes youth, families and groups to an inclusive environment to hear God's voice and to seek the Holy Spirit while surrounded by the beauty of nature. At CYO Camp, we are committed to enhancing the spiritual and emotional development of children and adults through experiences in the outdoors.

Each one of our programs is designed to incorporate the teachings of the Catholic Church. Love and respect for one another, kindness and humility are the foundational tenants of our activities. The staff of CYO Camp Rancho Framasa minister to attendees based upon a philosophy rooted in six core values: Catholic, Inclusive, Camper Centered, Humility, Staff Development, Stewards of the Earth.

This camp would not exist without the support of the Archdiocese of Indianapolis and you, our wonderful donors. We are grateful to you for your commitment to this organization. Your prayers as well as your gifts allow us to continue our mission of helping children grow up to be faith-filled, compassionate adults and to assist adults as they continue on their faith journeys. We appreciate your kindness and generosity.

Thank You and May God Bless You.

Yours in the outdoors,
