Matches may be held any day within the specified dates. Coaches should contact one another far enough in advance to determine the date, time, and place of the meet.

Coaches should see that officials with a knowledge of the wrestling rules are in charge of the competition on the mat and scoring at the official scorer's table.

Precaution should be taken to see that the wrestling conditions are as safe as possible. Discretion in regard to the matching of individuals should be uppermost in mind.

This round-robin league has been set up to provide a means of participation for those young boys who desire wrestling competition. We must rely on the coaches to see that this competition is held in the proper atmosphere with a proper perspective. Only through the best of cooperation among coaches can we anticipate a better organized program in the years to come. Concessions must be made by all coaches. Be willing to compromise within reason for the sake of participation and sportsmanship.

The preceding schedule has been drawn in an attempt to help you to provide competition for your wrestling team members. It is loosely constructed as to specific date, time and place. Coaches are to come to an agreement each week on the specific information concerning the contest. The opposing coaches' names and telephone numbers are provided herein. Contacts should be made the week preceding the scheduled match. It may be held on any date during the scheduled week by mutual consent of the coaches involved. A little "give-and-take" cooperation must be expected from everyone.

Precaution should be taken to see that the wrestling conditions are as safe as possible. Discretion in regards to the matching of individuals should be uppermost in mind.

Coaches are responsible to see that officials with a knowledge of wrestling rules are in charge of the competition on the mat and scoring at the officials' table.

We hope that the enclosed information will get you off to a proper start. Remember, the tournament date is set for March 23, 1968.

We will have an organizational meeting in advance of the tournament date. You can expect to receive additional information concerning the tournament toward the end of February.

Any questions may be directed to Bill Sylvester at the C.Y.O. Office, 632-9311, or his home, 283-2529.

The preceding league schedules have been drawn for your convenience as a means of providing competition and practice in the weeks preceding the tournament. It is up to the coaches to agree on the specific date, time, and place of the meet. Each parish team has its own particular difficulty to consider and we ask you to please consider the difficulties of others in coming to an agreement. We hope the schedule serves as some aid in guiding you to an agreement.

Precaution should be taken to see that the wrestling conditions are as safe as possible. Discretion in regard to the matching of individuals should be uppermost in mind. Coaches should also see that officials with a knowledge of the rules are obtained for the competition.

Trophies will be awarded to each division champion, assuming that each team finishes all its matches. This shouldn’t prove too difficult, since there are only four matches. If time permits, and both division champions are determined far enough in advance of the tournament, a play-off will be scheduled to name the league champion.

Extra copies of the C.Y.O. Wrestling Rules and Information are included with these schedules. More can be obtained if needed. You’ll note that we have made a change in the old point-scoring scale to take into consideration the increase in the Pre-ament category. Read them carefully if you’re new in the program. However, most lbs are very close to the I.H.S.A.A. regulations.
CADET WRESTLING LEAGUE

The date for the annual Tournament has been set for Saturday, March 29, at Little Flower. This is a change from the announced date on the Activity Calendar, but we had no choice, because we discovered that our first date was in direct conflict with the State High School Basketball Finals.

The entry deadline for the tournament will be Friday, March 21. This will give us time to set up the preliminary meet at St. Simon for Tuesday, March 25. This preliminary meet is set up for all weight classes which have more than 16 boys entered, so that no boy will have to wrestle more than four matches (and preferably three) on the final day. You'll receive entry blanks for the tournament about three weeks before the deadline.

Entries in the tournament will be limited as follows: You are allowed to enter only two boys, plus two alternates, in each weight class. Alternates will be allowed to wrestle only if tournament officials feel that the weight class is not too large to handle. In each case, you'll be notified about the alternates. Just be sure you enter them on the regular tournament entry blank, and list them as alternates. Also, remember that either of these boys is allowed to take the place of one of your regulars before the tournament starts.

We understand that St. Simon again is planning its own Invitational Tournament, late in the league season. This tournament has been sanctioned by the C.Y.O. Office, and we encourage you to enter it if you're invited.

Any questions you may have about wrestling are to be directed to Bill Sylvester at 923-3451, ext. 212, or at 283-2529. If you're not able to get Bill, call the C.Y.O. Office, 632-9311.
Wrestling is an individual sport in which success is based upon balance, speed, skill and strength. The primary objective in a wrestling bout is for either wrestler to hold his opponent's shoulders in continuous contact with the mat for two full seconds. This terminates the match. However, when two contestants are evenly matched, this is not always possible. If no fall occurs, the following system of scoring is used to determine the winner.

**Match Points:**
- Take Down ............ 2
- Escape ............... 1
- Reversal ............. 2
- Near Pin ............ 3
- Predicament ........ 2
- Penalty ............. 1

**Take Down:**
When a contestant brings his opponent to the mat and gains control. Control is a situation in which a contestant exercises and maintains restraining power over his opponent.

**Escape:**
When a wrestler who is underneath gets out to a standing or neutral position facing his opponent.

**Reversal:**
When a defensive wrestler comes from underneath and gains control of his opponent. He gains control by getting on top of or behind him.

**Predicament:**
When the offensive wrestler has control of his opponent in a pinning combination and a near fall is imminent.
- a.) When both shoulders of the defensive wrestler are held continuously within three inches of the mat, or less, for two full seconds.
- b.) When one shoulder of the defensive wrestler is touching the mat and the other shoulder is held within an angle of 45° or less with the mat, but not sufficiently close to avoid a near fall, for two full seconds. In each of the above cases one point shall be awarded.

**Near Pin:**
When the offensive wrestler has control of his opponent in a pinning combination, and shoulders are held in continuous contact with the mat for one full second or when one shoulder of the defensive wrestler is touching the mat and the other shoulder is held within one inch or less of the mat for two full seconds, three points shall be awarded.

**Penalty:**
Points are awarded for stalling, illegal holds and technical violations. Certain punishing and dangerous holds are prohibited. In all cases, except punished holds, one warning will be allowed.

**Definitions and Explanation of Terms and Procedures**

**Illegal Holds:**
Any hold which goes against the natural bend of the joint. Also a full nelson and a head lock are illegal. A hammer lock will be legal as long as the bend in the arm does not become less than a 90° angle. Body Slams are illegal. Any wrestler who takes his opponent from the mat is responsible for his safe return to the mat.

No wrestler may lock his hands unless in a neutral position (on feet or facing each other) or in a pinning position.
C.Y.O. Cadet Wrestling Rules (Con't.)

Time of Periods:
There are three one-minute periods. The first period both wrestlers are on their feet. The second period will start with both wrestlers on their knees, one on top and one on the bottom (choice is made by a flip of the coin). The third period both are on their knees, however, their positions are reversed from what they were at the start of the second period.

Tie:
Two one-minute overtime periods with both wrestlers on their knees.

When the Clock Stops:
When any one of the wrestlers goes out of bounds. The wrestler is out of bounds when any part of his body is off the mat or touching the white border lines. The official signals the clock to be stopped. After going out of bounds, the wrestlers are brought back to the center and started.

Scoring of Dual Meets:
Pin...........5 points toward team total.
Decision....3 points toward team total.

Scoring of Tournament (Scoring begins with the semi-final matches in each event):
Advancement........1 point toward team total.
Pin..............1 point toward team total.
1st Place.........10 points toward team total.
2nd Place.........7 points toward team total.
3rd Place.........4 points toward team total.
4th Place.........2 points toward team total.

Advancement:
When a wrestler advances to the next bracket by winning his semi-final match. If he wins by pinning his opponent, he will win 1 point for advancement and one point for the pin. Advancement points are not given in the final round but pinning points are.

SPECIAL SCHEDULING NOTES AND RULES REMINDERS:

1. As you might notice, we have to start one week earlier than we discussed at the coaches' meeting. This is due to a mistake in our calculations of the number of dates that we must have to complete the schedule.

2. Note the weight classes this year 72, 80, 88, 93, 98, 105, 112, 119, 126, 132, 138, 145, 160, 175, Heavyweight (we have added the 93lb. weight class).

Note: 6th Graders may wrestle only in the first eight weight classes, 72, 80, 88, 93, 98, 105, 112, 119 lbs. All wrestlers in the other division weight classes must be in the 7th and 8th grades.
3. The weigh-in for all wrestlers will take place at the CYO Office on Saturday, February 26. (Weigh-in schedules are enclosed). After this weigh-in no boy will be allowed to drop more than one weight class.

4. The preceding league schedules have been drawn for your convenience as a means of providing competition and practice in the weeks preceding the tournament. It is up to the coaches to agree on the specific date, time, and place of the meet. Each parish team has its own particular difficulty to consider and we ask you to please consider the difficulties of others in coming to an agreement. We hope the schedule serves as some aid in guiding you to an agreement. Keep in mind that you'll have to hustle to finish the schedule before the postseason tournament.

5. Precautions should be taken to see that the wrestling conditions are as safe as possible. Discretion in regard to the matching of individuals should be uppermost in mind. Coaches should also see that officials with a knowledge of the rules are obtained for the competition. A list of officials is enclosed.

6. All wrestlers must wear the headgear this year when competing in a dual meet or tournament.

7. Trophies will be awarded to each division champion, assuming that each team finishes all its matches. If time permits, if both division-champions are determined far enough in advance of the tournament, and if we don't have a tie in one division, a play-off will be scheduled to name the league champion.

8. Copies of the CYO Wrestling Rules and Information are included with these schedules. More can be obtained if needed. Read them carefully as there are some changes in the program. However, most rules are very close to the I.H.S.A.A. regulations, except for the length of periods and some weight classes.

9. Any questions you may have about wrestling are to be directed to Major Schnieders at the CYO Office, 632-9311.

10. Once again we remind you to call the CYO Office and let us know when you have scheduled your meets, where, and at what time. All meets should be reported on the proper forms with 48 hours of the meet.

3. The preceding league schedules have been drawn for your convenience as a means of providing competition and practice in the weeks preceding the tournament. It is up to the coaches to agree on the specific date, time, and place of the meet. Each parish team has its own particular difficulty to consider and we ask you to please consider the difficulties of others in coming to an agreement. We hope the schedule serves as some aid in guiding you to an agreement. Keep in mind that you'll have to hustle to finish the schedule before the postseason tournament.

4. Precautions should be taken to see that the wrestling conditions are as safe as possible. Discretion in regard to the matching of individuals should be uppermost in mind. Coaches should also see that officials with a knowledge of the rules are obtained for the competition. A list of officials is enclosed.

5. All wrestlers must wear the headgear this year when competing in a dual meet or tournament.

6. Trophies will be awarded to each division champion, assuming that each team finishes all its matches.

7. You received copies of the CYO Wrestling Rules and Information at the Preseason meeting. More can be obtained if needed. Read them carefully as there are some changes in the program. However, most rules are very close to the I.H.S.A.A. regulations, except for the length of periods and some weight classes.

8. Any questions you may have about wrestling are to be directed to Major Schnieders at the CYO Office, 632-9311.

9. Once again we remind you to call the CYO Office and let us know when you have scheduled your meets, where, and at what time. All meets are to be reported on the proper forms within 48 hours of the meet.
