Since this humble beginning, CYO has grown into the largest youth serving agency in Central Indiana serving 20,000 young people each year. In partnership with the CYO, the schools continue to sponsor programs which serve to provide opportunities for youth to develop strong moral character, self-worth and a community service orientation through activities of educational, recreational and athletic nature. The Catholic Church, of the Archdiocese of Indianapolis has always taken great interest in the affairs of the CYO. During my lifetime I have accomplished many things of which I am proud. I am not different than most people in our community. I have always tried to focus on my priorities on Faith, Family and Friends and have been extremely blessed in these areas. Since 1939, the Catholic Youth Organization has accomplished much and has served the youth of the Archdiocese the best it could. Just as I have kept faith, Family and Friends in focus so too, has the CYO. We offer programs that have a direct impact on a child’s Faith, Family and Friends.

Faith - All CYO programs are planned, executed and evaluated knowing that everything we offer is done so within the shadow of the Church. We promote to our constituents that CYO is a ministry and all adults working with youth are truly youth ministers. We will continue to promote prayer as an important aspect of all CYO programs. All that we do is done for the honor and glory of God. Our mission is to make a difference by inspiring others to make a difference; and, together, we can change the world in a positive way.

Family - I firmly believe that CYO programs and activities are family events and truly strengthen the family as a unit. Whenever I attend a CYO athletic event I am amazed by the support and enthusiasm of the families. Moms and dads, grandmas and grandpas, aunts and uncles and siblings all gather together in support of their CYO participants. The same is true for our science fair, chess tournament, music contest and camping opportunities. Families coming together for a fun event. What could be better?

Friends - CYO programs have always provided an opportunity for school and parish friends to participate together for a common cause. I have always felt that CYO programs bring friends closer together by giving them opportunities to share quality time. At our core, CYO programs and activities are a heartfelt expression of what our Catholic schools and parishes strive to achieve each day. Namely, to bring youth from diverse backgrounds together to inspire and educate them about the qualities and characteristics that drive them to become self-confident leaders and loving, caring individuals. During this time together life-long friendships are established.

So, as you read this annual report and see the overwhelming successes of our young people in their activities, the generosity and commitment of our donors and the listing of adults and youth who have been recognized through the years for their service, please know that Faith, Family and Friends have impacted the CYO and everyone in a special way.

Thank you for sharing your Faith, your Families and your Friends with the Catholic Youth Organization over the years. May God touch your heart and bless you and your families always.
A Special Thank You to all our Volunteers and Officials

It is widely accepted fact that the volunteer is the lifeblood of organizations like the Catholic Youth Organization. Without a full complement of volunteers to assist in the organization and implementation of CYO programs it would be difficult at best for CYO to offer the wide range of activities for the young people in our Catholic schools and parishes. Clearly, no group embodies the spirit of the CYO more than the volunteer. It would be completely impossible to name all of the individuals and groups that have given their time, talent and treasure to the CYO over the past 70 years. A debt of appreciation and gratitude is owed to a cast of thousands for creating the CYO experience as we know it today.

CYO volunteers, whether they be coaches, athletic directors, school board judges, concession stand volunteers, board members or youth commission members, are truly remarkable individuals. The CYO’s proud to offer programs in which over 7,000 volunteers become involved each year. To each and every CYO volunteer, we say THANK YOU! May God bless your efforts always.

A Special Thank You
To all our Volunteers and Officials

Officials

No athletic contest at any level can be played fairly without qualified and impartial enforcers of the rules of the game. Game officials, the men and women in the black and white striped shirts, are expected to exercise good judgment in applying the rules so that games and contests are played fairly for both teams. Officials make calls in every game that are questioned by someone at the game. The basic requirements for all sports officials is courage to do the right thing even in the face of adversity and disagreement.

The CYO is fortunate to have some of the finest athletic officials in the area involved with our program. At the same time, the organization believes in the positive development of young officials to carry on into the future. Each year almost 1,500 men and women sign on to officiate CYO athletic contests and we thank them for their great service to youth. They are truly making a difference.

For the 2011 CYO Summer Program Camp 2,166 campers participated in the nine week camping season. The Summer Camping season began May 31, 2011 and concluded July 31, 2011. CYO’s inclusion program continues to grow and is considered one of the best in the camping industry. This summer CYO Camp served 207 campers with special needs. Thirty-six of the campers enjoyed one on one support from counselor to camper for an entire week of camping. Additionally, 127 campers received further support from specially trained counselors. Campers were able to choose from five different camping experiences including traditional camping, adventure camping, traditional camping for teens, sasafra camping and a junior counselor program. Younger campers in grades K-4 could also enjoy our Grasshopper Day Camp at St. Matthew School in July. Evening camp fires continue to be one of the most popular activities at each camp session.

2011-2012 Sahm-Kuntz Legacy Fund

The Sahm-Kuntz Legacy Fund was established in 2006 as a way for the CYO to join forces with corporate partners in the community in an attempt to bring people from diverse backgrounds together to inspire and educate young people about the qualities and characteristics that drive them to become self-confident leaders and loving and caring individuals. CYO annual gift to the Catholic Youth Organization in the amount of $5,000. Half of the gift or $750 is used for yearly operating expenses and the other 50% is placed in an endowment to support the future needs of the organization. A corporate partnership with the CYO clearly shows that today and tomorrow in a meaningful way.

The Catholic Youth Organization was established in 1939 by Bishop Joseph E. Ritter, to assist parents in providing quality educational programs for their children as well as to supplement the education provided by the Catholic schools. Today, the number of young people participating in the CYO athletic, enrichment and camping programs continues to increase with 20,000 Catholic students participating this year.

A large part of the success of the CYO can be attributed to the hard work and dedication of two very special men- Bill Sahm and Bill Kuntz. Bill Sahm served as the Executive Director of the CYO from 1954 to 1973. Following his death, Bill Kuntz was appointed CYO Executive Director, a position he would hold until his death in 1984. During their tenures, these two great men were responsible for the rapid growth in programming for the CYO as well as the tremendous impact the CYO had on the lives of countless young people. It is truly fitting that the CYO Corporate Sponsorship program is named the Sahm-Kuntz Legacy Fund after these two fine gentlemen. The collective impact of their service is deeply felt yesterday, today and tomorrow.

For more information on how you and your company can become a CYO Corporate Partner and join the list of partners below please contact Anthony Tiner, CYO Executive Director, at 317.632.9031 or at etinder@cyoarchindy.org.
